Mr. Gns. Lyon, who is at present located in Philadelphia, has devoted the last four weeks in the selection and purchase of goods and is sending them forward as rapidly as possible. **SPRING MILLS.**

Welcome spring. Great change—weather very changeable; people change; names change; robbins change. (What our correspondent here adds with reference to Nash and the "change" for the Big Hotel, etc., we omit, as it is a subject worth far less than the powder wasted on Church Hill—for a change—for the good of her family's health. Runk is about going to make a change in the grist mill and saw mill by having the latest improvements placed therein.

In the North American Review for April the scriptural and legal aspects of divorce are presented respectively by the Rev. Dr. Theodore D. Woolsey, well known for his insistence on the indissolubility of the marriage tie, and by Judge John A. Jameson, a jurist whose long experience with divorce cases in Chicago, both on the judicial bench and at the bar, lends to his observations a very special value. Dr. F. Bender, a Canadian who has studied some purpose the political, social and economic conditions of his country, under the title, "A Canadian view of Annexation," makes a forcible presentation of the reason which inclines many citizens of the Dominion to regard with favor the idea of absorption by the United States. Senator John A. Logan sets forth the need which exists for "National Aid to Public Schools" in the several States and territories. The Rev. Dr. Howard Crosby writes "The Dangerous Classes" that menace the perpetuity of civil order and the peace of the community, meaning the manipulators of corporation stocks and the men, who having amassed enormous wealth, use it for infamous purposes. James C. Walker, President of Columbian University, treat of "Race Education", the problem that confronts the philosophic statesman, of the present in one body, political, social, and economic. The "Water Supply of Ohio" is discussed by Charles F. White, "Ethical Systems" by Prof. F. H. Hedge, "Street Begging" by Rev. Dr. Charles F. Deems, and "Criticism and Christianity" by O. B. Frothingham. Published at 80 Lafayette Place, New York, and for sale by booksellers generally.

The salvage steamer has returned to Berlin from the wreck of the steamer Cimbric. The divers report that a number of the bodies of the victims are jammed among the gears of a life boat on deck. The fellow who came eleven miles to make a purchase at the Pennyslvania Bargain store, says plump up and down he does not regret it, and that it paid him to do so, and that if it were 5 miles further he'd go to Dinges every time for cheap goods and where business is done on the first floor.

When the Star route case was called Dorsey's lawyer made desperate efforts to have the trial put off on the alleged ground that his client was too sick in body and mind to leave his room, and he protested vehemently against the wrong of trying a man who was not able to appear in Court. Dorsey has now not only regained his normal mental condition so as to be able to write cards "to the country" in which such vigorous expressions as "a vile, vicious and cowardly falsehood," "a self-admitted perjurer and thief," &c., are used with all his accustomed force, but it appears that he has also recovered his bodily strength, sufficiently to knock down and kick in his own house a gentleman of threecore and ten. The assault may prove a serious matter for Dorsey if the annexed dispatch turns out correct:

Washington, March 10.—It is feared that Mr. Litley, the aged lawyer who was assaulted by Dorsey in the latter's house this week, will not live. Mr. Litley is seventy five years of age. He has been robust and a large man, but he was badly kicked in the abdomen, and is growing weaker.
