tended to do anything so severe, but his

pent.

# THE RAILROAD.

We are informed that at the meeting  
of the Penn'a R. R. directors, on 11, Pres-  
ident Roberts urged the necessity of the  
completion of our road from Spring  
Mills to Lemont this summer, and that  
the board sanctioned the suggestion. At  
the meeting of the B. E. V. directors, the  
following week, on 18, the same matter  
was urged and the board also took favor-  
able action. It's been long coming, and  
yet our people will gladly learn that the  
cars long due will come along at last.

## A BAD DAY FOR ACCIDENTS.

Last Thursday, 19, was a bad day for  
serious accidents in Penn and Haines  
townships, there being no less than four,  
and all through horses.

Michael Rider, son of Isaiah Rider, of  
Penn, having a team in charge, the horses  
ran off, and in young Rider's endeavor  
to stop them, the horses and wagon  
went over him, from which he was seri-  
ously injured internally. He died on the  
following Saturday.

On the same day a daughter of G. W.  
Harter was engaged in harrowing in the  
field, and in trying to make a turn, the  
girl fell off the horse she was riding and  
landed on the harrow, one of the horses  
falling on her. One of her arms was bro-  
ken at two places, and she sustained other  
injuries. There are hopes of her recov-  
ery.

On same day an eight year old son of  
Daniel Hosterman, of Penn, was kicked  
in the face by a horse, while in the stable,  
receiving severe bruises.

On same day a son of Adam Bower, of  
Haines, aged about 15 years, while in the  
act of letting a pet colt through the bars,  
the animal kicked him in the face, caus-  
ing an ugly fracture of the jaw and other  
injuries of the face.

After all this one might as well put  
Thursday down as the unlucky day and  
give Friday its dues.

Parties in this county who feel  
disposed to test the legality of the assess-  
ment levied in the Lycoming Insurance  
Co. since its failure, should bear in mind  
that a number of such cases have already  
been tried in other counties, and all de-  
cided in favor of the Company. It may  
be a little rough, but thus seemeth the  
law in the matter.

Centre Hall will have a new arriv-  
al—it will be a splendid stock of new  
goods at the store of Wm. Wolf & Son,  
and it will begin to reach this place by  
the end of this week and continue to ar-  
rive every day the week following. Mr.  
Wolf is prominent in the city, and will  
purchase the best stock in market as has  
always been his well known habit. He  
never bothers with inferior goods, and  
all have learned that when they pur-  
chase at Wolf's they get first quality.  
Hold up a little spell and see whether  
Wolf's stock wont equal any in this  
county.

Wm. A. Currey desires to inform the  
people of Centre Hall and vicinity that  
he will resume shoe-making again, and  
be ready at all times for new work or re-  
pairs, guaranteeing neatness and style in  
all, and reasonable charges. 5ap4t

You will find the finest, largest,  
cheapest and most complete lot of tomb  
stones and monuments at the Bellefonte  
Marble Works ever seen in the county.  
I have at least 60 sets of tomb stones and  
monuments to select from and will sell  
them at lower prices than any firm in  
the county. I have no extra charge for  
lettering them and bringing them to the  
grave yard. Call and see them before  
buying elsewhere. 5ap4t

Mr. John Rockey, a Spring town-  
ship farmer whose place adjoins that of  
Mr. Andrew Swartz and the old Jodon  
farm, north, was found dead in the road  
on Wednesday night, 13, about nine o'-  
clock. He had fallen from his buggy, and  
was found with his head and body on  
the ground and his feet resting on the  
shafts. His horse had stopped, and it  
was supposed that he had been lying in  
that position for a couple of hours. He  
had been subject to heart disease and  
there is no doubt but that it was a sud-  
den attack of this that deprived him of  
his life.—*Watchman.*

Mr. E. K. McCousky, Hellam, Pa., says  
"Brown's Iron Bitters relieved me of  
dyspepsia symptoms and gave me refresh-  
ing sleep."

Court commenced on Monday,  
Judge Orvis presiding with associates  
Rankie and Larrimer. On Monday li-  
censes were granted to all applicants,  
with the exception of two or three on  
the other side. Tuesday Commonwealth  
cases were rapidly disposed of by the  
grand jury ignoring many bills, and  
where bills were found the parties plead  
guilty in court, which left nothing to  
do for the lawyers. Judge Orvis sentenced  
two of the burglars to seven years each  
in the penitentiary, and some of the  
others to four years. J. H. Reinsnyder  
was foreman of the grand jury.

At J. C. Condo's coach shops, Penn  
Hall, you can find on hand carriages and  
buggies with Timpkin, Dexter Queen,  
Vanderbilt or Elliptic springs, platform  
spring wagons, also manufactures to or-  
der the Clark platform spring wagon. Go  
and see his work before purchasing else-  
where. He uses none but first class  
stock. 26ap4t

Some folks say the way to sell  
goods is lying about them, now here is  
a specimen: A certain marble firm not  
16.0 miles from here, told a party that  
their tomb stone would cost them \$35  
and that the Bellefonte Marble Works  
would charge them \$45 for the same  
tomb stone, when the truth is I furnished  
the tomb stone to the firm at \$30 and  
would have furnished it to any person at  
\$30 where the party who bought it paid  
the \$5 profit which they could have  
saved by buying it from us. Call and be  
convinced and get prices to compare  
with others. *HEISLER. 5ap4t*

ber of new buildings this summer.  
Dwelling houses will be built by Jacob  
Kerster, Andrew Stover, Mr. Greening-  
er and John Roto, also a planing mill

Dinges left for the city on Tues-  
day, to lay in a stock of new goods for  
the Bargain store. His stock will be on  
hand next week, and he will have the  
grandest opening of fine as well as cheap  
goods, in the county. Bear it in mind,  
and come to the opening next week.

The students of the Penns Valley  
Institute, at this place, met on Friday  
evening, 20, for the purpose of organiz-  
ing themselves into a literary society.  
It was agreed upon that the society  
should be known by the name "Alpha."  
On Monday evening last the first meet-  
ing of exercises was held.

Professor W. W. Seaman, a resident of  
Altoona for about three months, says  
that he is an agent of Vanderbilt and  
that Harrisburg, Millintown, Hunting-  
don, Tyrone, Altoona, Hollidaysburg  
Johnstown and other important points  
now only reached by the Pennsylvania  
system will be tapped by Vanderbilt's  
new route. He says they have three  
thousand men employed in the Clear-  
field region and that about thirty-five  
civil engineers are engaged in locating  
the road through Clearfield, Blair, and  
Cambria counties.

John Lilly obtained a verdict of \$35-  
000 damages against the New York Cen-  
tral Railroad Company for the loss of his  
legs.

On Saturday, in New York, at a meet-  
ing of the Amalgamated trade and labor  
unions the carpenters reported that only  
sixteen men are now unemployed, and  
their strike has been successful.

# TERRIBLE STORM.

## Great Loss of Life.

A terrible storm visited Louisiana and  
other southern sections on Monday. The  
town of Bauregard was entirely demol-  
ished, and Wesson another town fearfully  
devastated. Some 60 to 80 lives were  
lost and hundreds were injured. Reports  
from many other places speak of the  
fearful work of the storm.

## THE SPRING DRIVE OF TEXAS CATTLE.

Austin, Tex., April 21.—Ninety-five  
herds of cattle, averaging 2500 each, will  
be driven out of the State this spring. The  
entire drive is estimated at 240,000 head,  
against 250,000 head last year. Most of  
these cattle will go to Dodge City, Kan.,  
and Ogallala, Neb. The shipments by  
rail are said to be over-estimated, and will  
probably not exceed 50,000. Large herds  
of horses are also moving towards the  
markets.

## TWO THOUSAND HOUSES BURNED AT DELHI, INDIA.

Delhi, April 20.—An extensive conflag-  
ration has occurred in this city. Two  
thousand houses have been destroyed and  
a great number of families are destitute  
and homeless.

A despatch from Dallas Texas, to the  
Daily News says "The cowboys now on a  
strike in the Panhandle district are becom-  
ing more violent. One hundred of them,  
well armed, are encamped at Tascosa,  
Oldham county, under the leadership of  
one Harris, and make open threats of vio-  
lence against all who may come to take  
their places."

The deadlock in the Illinois legislature  
was broken on morning of 20th. Cook  
refused to enter the house, and the re-  
publicans recognizing the impossibility  
of seating Bradwell, abandoned the fight  
and it will not be resumed.

A strong guard of armed policemen has  
been placed in several public buildings,  
in Dublin on the strength of private in-  
formation that some outrage was in con-  
templation.

The Czar of Russia will be crowned in  
Moscow, on May 27, and the coronation  
festivities will last until June 8.

Texas cowboys have struck for higher  
wages. They are well armed and threat-  
en to kill all who come to take their  
places.

The Connecticut Senate defeated the  
bill forbidding railroads to charge a high-  
er rate for a short distance than for a  
long one.

All the 300 medals are made and dis-  
tributed, but it is proposed to have an ex-  
tra, making 307—this extra medal is to go  
to Lewins, of the Phil. Branch for having  
the largest, best and cheapest stock of  
ready-made clothing in the state.

All admit there is no better place to get  
a suit cheap than the Philad. Branch.

served." The only thing we can do to-  
ward a fair distribution is to sell a limited  
quantity to each purchaser, thereby pro-  
tecting our patrons and ourselves, as well  
against storekeepers who might rush in  
and gobble up entire lots.  
All sales during our Opening will be  
strictly for CASH.

An Elegant  
SOUVENIR  
will be presented to each  
one of our visitors.

Extending all a hearty invitation  
to come, we remain  
Very respectfully yours,  
GOLDSMITH & BROTHER.
