FROM THE SOUTH.

A Perfect Combination with Two Silent Advantages—Why it Concerns You.

"There is no mistake about it," remarked Dr. M. E. Blowers, of Galena, Missouri, "BENSON'S CAPSICINE POROUS PLASTER are one of the most valuable combinations ever produced. They have two kinds of advantages over all others, which we may call the minor and the major. First, they are clean and pleasant to use, never soiling the hands or the linen of the wearer. Second, they act quickly and powerfully. I have tried the Capsicine Plaster on myself for pneumonia and on my patients for various diseases, such as Neuralgia, Muscular Rheumatism, Lumbago, Kidney trouble, etc., and in all cases relief has followed in from three to forty-eight hours."

Dr. Flower merely voices the written or oral opinion of thousands in his profession, Benson's Capsicine Porous Plaster are the perfect external application. The genuine have the word CAPSICINE cut in the center. Price 25 cents.

NOTES FROM THE LUTHERAN CONVENTION.

The eighth annual convention of the Synodical Sunday-school and Women's Missionary societies of the Lutheran Church was last week in session at Lock Haven.

Rev. G. W. Christ of Phillipsburg was present and on Tuesday evening made the opening prayer.

At the morning session on Wednesday Rev. S. E. Furst and H. Y. Stitzer, Esq., were appointed a committee to nominate officers, which they did as follows: For President, Rev. J. K. Miller, of Logansville; Vice President, Rev. J. M. Steck; Secretary, Charles C. McConnell, Yeagertown; Treasurer, Miss Ella Gerberich of Bellefonte.

H. Y. Stitzer was also placed on the committee on resolutions and Mr. Fred Kurtz on one of the regular committees. Rev. S. E. Furst was appointed to report the proceedings for the Lutheran Observer and H. Y. Stitzer, Esq., for the daily papers.

Mr. Fred Kurtz read a brief but instructive essay on the "Relation of Sunday-school Training to National and Social Life." This was followed by Rev. S. E. Furst's admirable essay on "The Word of God and how to use it."

Mrs. W. W. Fair, sister of Rev. S. E. Furst, of Bellefonte, was elected vice president of the Woman's Missionary Society of the Luthera Synod Miss Jennie E. Bright, of Aaronsburg, was elected treasurer of the same organization.

The city of Des Moines, Iowa, has just fixed the fee for saloon licenses at \$4,000. The city of Elain, Ill., is mentioned as furnishing another illustration of the beneficent working of the high license system. A few years ago, when its population was 6,000, it had thirty-two saloons, or one to every two hundred souls. The license fee was \$100, which did not supply a revenue sufficient to pay the police. Now, with a population of 10,000, it requires a fee of \$5.00 for each license. This reduced the number of saloons from thirty-two to twenty, but it secured a revenue of \$10,000 a year, which is enough for all police purposes and something over—\$6,000—for street improvement. There is less disorder in the place than there was when it had thirty-two saloons, and the police have less to do than they had then. The saloon proprietors who pay \$500 a year for their privilege, are careful to observe the law strictly and to see that no unlicensed selling is carried on.

ERIE'S EXPERIENCE.

ANOTHER CURE UTTERLY WITHOUT A PRECEDENT.

Erie, Pa., Sept. 10th 1881.—Dr. Hartman: I cannot but express my thanks to you for the great benefit I received from the use of *Peruna* and *Manalin*. One bottle of each placed me squarely on my feet after a long sickness, which had laid me in bed and then left me lame and crippled. Three days use of these remedies dispensed with the cane, and in a week I was perfectly well.

A DARK CRIME UNVEILED.

Dublin, May 2.—Patrick Delaney and Thomas Caffrey, two more of the men charged with participation in the murders of Cavendish and Burke, in Phoenix Park on the evening of the 6th of May, were arraigned for trial this morning. They created a sensation in court by pleading guilty to the charge against them. They were both sentenced by Judge O'Brien to be hanged on the second day of June next.

In pleading guilty Delaney said he was forced to go to the park by the society to which he belonged. He saw the murders committed but took no part in them. He went to the park in Kavanagh's car. Kavanagh and Carey, he said, speak the truth. The murders were committed by Joe Brady and Timothy Kelly, and by nobody else. Caffrey said he had to go to the park under pain of death, and that he did not know what was going to happen until twenty minutes before the murders were committed.

The sentence of Delaney will probably be commuted to a life term, Judge John Hanlon, one of the prisoners awaiting trial has finally been accepted as an approver. He will confirm the evidence of the two Careys against thirteen prisoners in Kilmainham jail charged with conspiracy to murder.

Joe Carey's fight again—probably worth \$3,000,000—and we are glad of it.

Wauqua, Minn., May 6.—During a light thunder storm which fell this afternoon three little daughters of Jacob Morowicz were playing in the street under an umbrella when they were struck by lightning. The two older girls, aged nine and eleven years, were instantly killed, and the third aged six years, was somewhat paralyzed on the right side, but will recover. The clothing of the children ignited and was considerably burned before the horrified relatives could reach the scene.

Rev. J. C. Zehring, Codorus, Pa., says: "I was paralyzed in right side. The use of Brown's Iron Bitters enabled me to walk without cane or crutch."

The wife of Senator Fair has begun suit for divorce against him on the ground of adultery.

The Virginia fruit crop has sustained little or no damage from the late cold weather. The trees are in full bloom and here are indications of a large yield.

Strikes all around among all classes of workmen, and a tremendous strike at high priced clothing at the Philad. Branch. This is the only strike that suits the people in general—men and boys in particular—they can go well dressed on account of the cheapness of suits offered by Lewins & Co., whose assortment can't be beat in the state.

WHY THEY CALL HIM "OLD MAN"

"Yes, that's really so," said Jenkins, "my hair is turning gray and falling out before its time. Use something? I would but most hair restorers are dangerous." "True," answered his friend, "but Parker Hair Balsam is as harmless as it is effective. I've tried it, and know. Give the Balsam a show and the boys will soon stop calling you "Old Man Jenkins." It never fails to restore the original color to gray or faded hair. Richly perfumed, an elegant dressing.

At the Tewkesbury Almshouse investigation on 7. Churley Johnson, who had lost both legs, testified that he took to the Almshouse \$20 and a watch. Marsh refused to return him \$42 of the amount. He was not allowed to use his artificial legs but was compelled to crawl around on stumps.

The secret of the universal success of Brown's Iron Bitters is owing to the fact that it is the very best iron preparation made. By a thorough and rapid assimilation with the blood it reaches every part of the body, giving health, strength and endurance to every portion. Thus beginning at the foundation it builds up and restores lost health. It does not contain whisky or alcohol. It will not blacken the teeth. It does not constipate or cause headache. It will cure dyspepsia, indigestion, heartburn, sleeplessness, dizziness, nervous debility, weakness, etc.

When the Irishmen's great convention adjourned in Philadelphia the other day, they all felt so good over the success of the affair, that all agreed to strike the Philad. Branch and get new suits, in order to show John Bull that some things can be done as well as others. On English oppression and cheap clothing at Lewins', there is no diversity of sentiment among true Irishmen.
