MANHOOD
How Lost, How Restored.

Just published, a new edition of Dr. Osterwald's celebrated Essay on the radical cure of spermatorrhoea or seminal weakness, involuntary seminal losses, impotency, mental and physical incapacity, insensibility to marriage, etc. Also consumption, epilepsy and fits, induced by self-indulgence, or sexual extravagance, etc.

The celebrated author, in this admirable essay clearly demonstrates from his successful practice that the neural system of self-abuse may be effectively cured, pointing out a mode of cure at once simple, certain and infallible, by means of which every sufferer, no matter what his condition, may be cured himself cheaply, privately and radically. This treatise should be in the hands of every youth and man in the land.

DEATH AND BURIAL OF R. B. WILSON.

It is our painful duty to announce the death of Robert B. Wilson, a native of New Bern, in this county, and son of the late Dr. Charles Wilson, who died some years ago. We say painful, because of the circumstances under which he died, in the city of New York, at the Colonnade Hotel, from a pistol ball fired by his own hands. The facts that we learn are these: His lifeless body was found in his room in said hotel on last Tuesday, 1 o'clock, p. m., a note on the bureau, written by himself, indicating that he was impelled or moved to do the act at 6 o'clock the Monday evening previous. This note also said that his ring, worth \$225, Clara (his sister) is to have, while all his other effects go to his mother, closing with these words, "Life is a burden."

The sad news were immediately sent to his mother and sister, who were at Spring Lake. They went to that city at once, took charge of the remains, and on Thursday last returned to New Bern with the body.—*Mifflinburg Telegraph*, 15.

Galveston, Aug. 15.—A despatch to the News from San Antonio says: "Heavy losses of cattle, which have died for want of water, have been reported in the southern and southeastern ranges."

STUNNED.
Frail woman, frailest of the race,
How oft she suffered sore,
But cures are coming on apace
By which her pains are o'er;
Peruna chief among them all,
and Man-a-Lin too,
With these we lift the funeral pall,
While quacks stand stunned and mute

There are two women now living in Ohio whose husbands fought in the war of the Revolution. One of these is Mrs. Davis, of Perry county; the other, Mrs. Catherine Cline, of Cincinnati, now eighty-three years of age, whose first husband, Robert Cumming, was soldier in Washington's army. She is a native of Penn's Valley, Pa.

The extensive lumber camp of John Dubois, about three miles above Dubois, was totally destroyed by fire Saturday night, including the stable, lobby and cooking camp. Four horses, five oxen and four mules were burned to death in the stable. The entire loss will not exceed \$3,000.

Why is it so many suffer from rheumatism, aches, pains, kidney diseases, liver complaints, heart affections, etc? It is simply because they will not come and be healed. All diseases begin from a want of iron in the blood. This want of iron makes the blood thin, watery and impure. Impure blood carries weakness and distress to every part of the body. Supply this lack of iron by using Brown's Iron Bitters and you will soon find yourself enjoying perfect freedom from aches, pains and general ill-health.

The 9 hour system has been announced in the Altoona shops.

The Legislature is still in session but no apportionment.
