PERSONAL.

Rev. Wm. Landis, will leave Rebersburg on the 20th inst., for Adamsburg, Snyder county, Pa., where he will enter upon the duties as pastor of the Beaver Springs charge. Most wondrous cure beneath the sun
Was that in Quarryville,
Where A. B. Miller, farmer's son,
Was deaf and very ill.
For long, long years no sound could reach
This worthy, suffering man,
But when Peruna sought the breach,
His cure at once began.

"And they will tell you explicitly and emphatically, "Buchu."
Ask the same physicians
"What is the most reliable and surest cure for all liver diseases or dyspepsia, constipation, indigestion, biliousness, malarial fever, ague, &c., and they will tell you:
"Santonin!" or "Dandelion!"
Hence, when these remedies are combined with other equally valuable
And compounded into Hop Bitters, such a wonderful and mysterious curative power is developed which is so varied in its operations, 'has no disease or ailment can possibly exist or resist its power, and yet it is

John Wanamaker's Store, Philadelphia.

These are the First Days of the

Fall Business,

already the hum of activity begins. We launch the busy season with

Some

Special Things

that prove to be strangely low. A few of these have been in store some days, but, to give everybody a fair chance, we held the announcements until the return of people from their holidays.

A good lot of first-rate Cashmere for 50 cents (all wool). The new tariff will prevent this quality from ever again selling at this price.
A Black Dress Silk at 75 cents, that until recently was always \$1.00.
A fine Black Rhadama, 23 inches wide, at \$1.50.
Half-wool Black Dress Goods at 12 1/2 cents, which is just half-price.
All-wool stylish Plaid Suiting, 42 inches, at 50 cents. We sold the same at \$1.00.
Another in stripes at 65 cents. Not dear at \$1.00.
A quality of Lupin's Bleached Muslin, full yard wide, for 10c. The best we ever had at that price.
The best Twilled, All-Wool Red Flannel we ever sold for 25c.
The best Canton Flannel for 12c. We never could get so good a quality at the price before.
An extraordinary lot of Towels at 25c.
Eight lots of Ladies' and Children's Hose that are on our counters at 25 per cent. under prices.

These lots of Shoes that are amazingly desirable for the prices:

250 pairs Women's Straight Goat Button, \$4.35.
172 pairs Women's Straight Goat Button, \$3.25.
245 pairs Women's Curacao Kid Button, \$4.25.
186 pairs Women's French Kid Button, \$5.00.
152 pairs Women's Kid Slippers, \$1.25.
112 pairs Women's Kid Ties, \$2.00.
110 pairs Women's French Kid Oxford Ties, \$3.25.
141 pairs Women's Front Lace Walking Boots, \$5.25.
131 pairs Women's Front Lace Walking Boots, \$4.50.
150 pairs Women's French Kid Button Boots, \$5.25.

China and Glassware we hardly dare to risk saying anything about, as the lots announced are nearly always sold out in a few hours of the day they are presented. Watch the city daily papers for the announcements, and if these lots are sold when you come do not be disappointed, as we have new lots in every day or two.

In Furniture. Young couples should see

The new Ash Suite of Bed Room Furniture for \$25. The same goods in Cherry for \$28.

Our Works at present turn us out only four suites per day of these goods, so that first come, first served. Nothing like this has ever been done in Philadelphia before.

A fine frame Body Brussels Carpet at \$1.25 that we are willing to endorse as a good thing.

We are not permitted to give the makers' names. The goods are new this season, and fifty patterns at least to choose from.

The first Fall Offering of Ladies Robes

are all-wool, of ample material, in nine varieties, dark, rich hues, and the new patterns are on the palm leaf order. The effect is much the same, if not full equivalent, as though an expensive Cashmere Shawl were dissected and made into a robe, as is often done. The expense being infinitely less—\$25.

Also a few Wrapper Patterns, Persian, and with a decided Oriental effect. The olive, old gold and rich, dark hues are subdued in a broad border of consistent but curious formation, 10 to 11 yards each. \$2.00 per yard.

There are other lots equally interesting, and new things daily arriving. Samples of Dress Goods sent by mail; a "Postal" will receive immediate attention.
