HOME DRUGGIST TESTIFIES.

Popularity at home is not always the best est of merit, but we point proudly to the fact hat no other medicine has won for itself such universal approbation in its own city, state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-mown Massachusetts Druggists should be of nterest to every sufferer:—

RHEUMATISM. "Eight years ago I had an attack of Rheumatism, so sovere that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPARILLA, by the use of two bottles of which I was completely cured. Have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public.
