AN OPEN LETTER.

Office of D. GARMAN & SON. BUSH ARCADE, Bellefonte, April, 1884. TO OUR PATRONS: This week we enter upon our second year, and we have to thank the people for their very liberal patronage. Our success proves that "honest goods at honest prices" are bound to take, and it has built up the finest retail trade in the county. It is a platform that admits of no deception, in advertising no petty tricks to draw people to our store; nothing that is in any way fraudulent. We use the papers as do other honest advertisers to keep our goods, our prices and our system before the public, and referring to all three we are very careful to tell the truth. While we are no less careful to avoid the mention of prices where they will be likely to create a false impression, we shall still tell you that anything you buy of us that is not exactly as we say, you may return it and have your money refunded.

LOCAL ITEMS.

Reporter for the campaign 10c per m/ta. Bargains in dry goods—Garmans. 30 Irish point embroideries—Garmans. Potatoes are cheap and plenty. Ditto—onions. The fruit trees are in leaves and blossom. Sheriff Spangler is putting up a new barn on his farm (late Wm. Rible's) south of Earlstown. Buttons, laces, gimps and fringes—Garmans. 30 Harry Tomlinson, Millheim's live mermaid, looked in upon the "Reporter." Cleve Dinges, of Coburn and Centre Hall, looks in upon the "Reporter" on his home trips—he is having a nice trade at both his stores. Mr. John Kline, esp., recently admitted to the Centre county bar, will found trust worthy and prompt in all legal business placed in his hands. Read his card in "Reporter." Persons having need of the services of a Justice and Conveyancer, will find from Squire Bohl's card in "Reporter" that he is ready now for a five year run of that kind of work, and will find him efficient in all business entrusted to him. If you will call on us we will promise to sell you more goods and better goods for the money than any store in Centre Co.—Garmans. 30 Wm. Horner having purchased the Peter Wilson tract of woodland, 1 1/2 miles west of Centre Hall, cautions all persons against trespassing upon the same. An all-wood chamber (guaranteed) at 50 cents per yard, at Garmans. 30 The grain fields as a general thing over this county have a promising look. In some parts of Miles twp., we are told, the fields do not look quite as good as they do in Penns Valley. The rails are now laid across the bridge over sinking Creek, and the track-layers are heading for Centre Hall. Largest line of white goods in the county at the Bee Hive. Our particular railroad friend, Daniel Hess, of Linden Hall, in anticipation and honor of the coming railroad, is having a new house built to begin the boom with. Huntingdon county has a man named A. Smoker. We suppose he's a half brother of A. Drinker and cousin of A. Chaver in this county. The proposed railroad up through Brushvalley, for a great line east and west, is what is to be the Continental railroad, with English capitalists mainly at the bottom of it. It is still talked of. Go to Camp for good and cheap furniture. He always keeps a large and fine assortment on hand, and warrants his work. Hats, collars, cuffs, ties, all latest styles, at the Philad. Branch and the best assortment of ready-made clothing in the county. Do it Yourself.—With Diamond Dyes any lady can get as good results as the best practical dyer. Every dye warranted true to name and sample. 10c at druggists, Wells, Richardson & Co., Burlington, Vt. We are in receipt of a communication from the manager of the Harrisburg Eye and Ear Hospital and Infirmary, of Harrisburg, Pa., requesting this paper to call the attention of the public to the fact that a free dispensary has been attached to that institution for the gratuitous treatment of the poor, who are unable to bear the heavy expense necessarily incurred in undergoing treatment for the various affections of the eye and ear, and those afflicted in this manner will do well to bear this announcement in mind. Forest fires were raging in many parts of the county last week, and much valuable timber has been destroyed. The air was heavy with smoke night and day. Esq. Relfnyder, of Millheim, will not join in the hunt after office this campaign. As one of the Justices down there he has his hands full of business and very sensibly is satisfied to let well enough alone. Children's, misses' and ladies' Jerseys—Garmans. 30 Popular goods; popular prices—Garmans. Raw silk for covering furniture—Garmans. 30

SUPT. WOLF RE-ELECTED.

The school directors met in convention in the court-house, Tuesday, at 1 p. m. D. F. Fortney was elected chairman and Fred Kurtz, secretary, and H. A. Snyder, ass't sec'y. Prof. D. M. Wolf was placed in nomination for Co. Superintendent, and received all the votes, 30, of directors present.

Prof. Philip Meyer, of Linden Hall, gave us a pleasant call 'to-day, and reports things booming up that way. George Huss, of Linden Hall, and one of the best shoemakers in the valley, popped in to see us.

Any one wishing to buy one of the most desirable farms in this county, read the advertisement of James Hanna, in "Reporter."

Rev. Foster, of this place, will deliver a memorial sermon in the Centre Hill church, on Sunday, May 25, at 10 a. m., in behalf of the Samuel Shannon Post, G. A. R. All are cordially invited.

Dr. Hammond Huston, whose property was destroyed by fire in Nittany Valley, three weeks ago, made a narrow escape, in the premises now occupied by him. From some unknown cause fire was originated in two different places and times on Saturday, 26 ult., in the house occupied by Dr. Huston, at Yankeetown, causing great fright. It was discovered before much damage. It looks as though some kind of wind were bent on burning out Dr. Huston.

For any thing you want in the dry-goods line you will find Garmans the best place in Bellefonte to make your purchase. Now that sudden and violent changes of weather occur every 24 hours almost every one is troubled with coughs and colds making a reliable, effective and trustworthy cough medicine a desirable article. In this connection Dr. Kessler's Celebrated English Cough Medicine is especially worthy of note—it never fails; it never disappoints. Instructions for treatment of cough and whooping cough accompany each bottle. Dissatisfied purchasers can have their money refunded. Sold by J. D. Murray.

Two second-hand buggies, one second-hand spring-wagon, and one new top buggy for sale, very cheap, by J. T. Lee, Centre Hall.

The Buffalo Run road and the road from Bellefonte to connect with the Beech Creek railroad, have gone to sleep for the present; reason: the Reading company alleges it has not got the money to put these lines in operation. The contract for the grading of the Bellefonte and Lemont branch has been let to Charles McCafferty and half a dozen others, each one getting a slice of two miles.

You always find what you want in the boot and shoe line at Graham's shoe store. Court is in session, trying land cases between Maj. J. B. Fisher and R. H. Duncan.

We had an interview with some of the Emerichs here, relative to the 25-mile regency, and they undoubtedly belong to the direct line of heirs. Fred Weaver, an aged citizen of near Aaronsburg, is very feeble.

Graham & Son are offering boots and shoes cheaper than ever.

THE LADIES OF LINDEN HALL and vicinity will bear in mind that Mrs. Sallie Alexander is now in New York purchasing Millinery goods, and having many years experience in the business, ladies will find her stock consisting of the latest styles, and she flatters herself she can please and satisfy all who call to see her goods. She will return beginning of next week when there will be a grand opening of Millinery goods at Linden Hall.
