THE MORGANATIC MARRIAGE OF LOUIS IV.

London, May 6.—A Berlin special says of the report that Louis IV., Grand Duke of Hesse-Darmstadt, the son-in-law of Queen Victoria, had contracted a morganatic marriage with Mme. Koloman, daughter of Count Adam Czapski and divorced wife of a Russian diplomat, that it is caused by a misconception. Nevertheless, says the London "Standard," the story is generally believed in London.

135 LIVES LOST.

Feather Point, Quebec, May 7.—The steamship Titania, from Glasgow, passed inward at 5:45 o'clock this morning. She has on board twenty-four of the crew of the steamship State of Florida, that vessel having been sunk by a collision with a bark in mid ocean. Out of 167 persons on the State of Florida only 44 were saved and two of the men were rescued. One hundred and twenty-three souls went down with the steamer and twelve with the bark, making the total loss of life one hundred and thirty-five.

Many ladies admire gray hair—on some other person. But few care to try its effect on their own charms. Nor need they, since Aver's Hair Vigor prevents the hair from turning gray, and restores gray hair to its original color. It cleanses the scalp, prevents the formation of dandruff, and wonderfully stimulates the growth of the hair.

The Baltimore Day informs a curious lady inquirer as follows: "No, Laura; no, they do not open the campaign with a can-opener. They do it with a cork-screw. How little alas, do women know about politics!"

Josiah Reiter, of Bucks county, was found dead in his field, one day last week, having apparently been stricken with paralysis of the heart while at work.

While the Reading company has backed out from its promised purchase of Buffalo Run and Bellefonte and Beech Creek road, to the regret of all, there is consolation in knowing that there will be no back-to-back in the bargains offered in ready-made clothing at the Philad. Branch. Lewins always sticks to what he promises.

The dead-lock between the Montour Iron and Steel Company, of Danville, and their striking workmen still continues. The corporation steadfastly refuses to treat with the men through their organization.

Read What a Patient says of it:
"The Pastilles I purchased from you in August have cured me most completely. I feel that there is life there is hope." They did their work far beyond my almost desperate expectations. I had not expected that a habit of FOURTEEN YEARS' DURETION could be completely gotten under control in the exceedingly short time of two months. I can assure you that no false modesty will keep me from doing all that I can in adding to the success which will surely crown so beneficial a remedy."

Cro(w)uses.

The screech of the stately rooster, the bright face of the early spring flower, both help our little story. Do we crow? Yes. Do we bloom? Yes. Crow because we bloom, and bloom because we crow. Oak Hall blooms out with a stock that makes the old counters groan, and the old walls burst, and the older salesmen wonder, and the woolen dealers wink. And we do crow because it has been bought cheaply and made well. And it is to be sold quickly because cheap. Four great varieties in Spring Suit Stock—Men's, Youths', Large Boys', Small Boys', and between these several lines there are over four hundred sorts. They go from \$7.50 to \$30.00 for Men's, from \$7.00 to \$25.00 for Youths', \$5.00 to \$18.00 for Large Boys', from \$3.00 to \$12.00 for Small Boys'. Variety enough, eh!

A Spring Opening.

We have none. No chance for it. If we would keep our choice things put away until a given time, and then offer them to the public all at once, we should be foiled, for people come in the winter when the frost is in the air, and snow and ice hold the earth in bondage, while our preparations are just forming for the spring campaign, and demand the new goods. It would be ungracious to refuse; and so, perforce, we cannot have a Spring Opening. But we can open with a spring, and as we write, while hardly a bursting bud is to be seen upon the trees, the spring trade is springing on us with a refreshing rush. Times dull, you say? Not to the bold dealer that takes no counsel of fear. And Oak Hall is just such. Already the opening spring talls of abundant sales just ahead.

Early Pinks.

The sort that we cultivate at Oak Hall are well-dressed young men. In pursuit of our great mission of making young men as charming as early pinks, we have arranged a set of sizes denominated "Young Gents" which cover the larger youths' and smaller men's sizes. Special patterns were prepared for this class of stock, and into it we introduce all possible style of cut, material and make. The prices range from \$7.50 to \$25.00. Elsewhere in our stock are choice materials beautifully made, but nowhere else in Oak Hall is there such a concentration of superiority. The generation of men for whom these goods were made cannot recall the time when there was no Oak Hall in Philadelphia. And yet there is no proof of the perennial youth of Oak Hall equal to that which is found in this particular stock.

The Sacred Elephant

Is the sensation of the hour. Have you seen him? No! Do you propose to see him? Yes! Well, then, when you get him off your mind, give us a chance for a quiet word with you about your spring clothes. They should be bought at Oak Hall. Like us or dislike us, as you may please, you ought to find in our great acres and cords of good clothing just the sorts to suit you in body, brain, and pocket. The reasons why are few and simple. Oak Hall is the plucky clothing house. While others have been letting "I dare not, wait upon I would" we have been picking up great lines of desirable goods and putting them into the best clothing, which under existing conditions has cost us less than ever. Result, bargains for you.
