THOUSANDS HASTENED TO THEIR GRAVES. Relying on testimonials written in vivid glowing language of some miraculous cures made by some largely puffed up doctor or patent medicine has hastened thousands to their graves; believing in their almost insane faith that the same miracle will be performed on them, and that these testimonials make the cures, while the so-called medicine is all the time hastening them to their graves. We have avoided publishing testimoninials, as they do not make the cures, although we

Thousands Upon Thousands of them, of the most wonderful cures, voluntarily sent us. It is our medicine, Hop Bitters, that On the re-breaking out of the war she remakes the cures. It has never failed and never can. We will give references to any one for any disease similar to their own if desired, or will refer to any neighbor, as there is not a neighborhood in the known world but can show its cures by Hop at Schellenberg she was shot in the hip, Paris, and in the cuisine of France the sicans of every school and used every patent and

A Losing Joke. A prominent physician of Pittsburg said to a lady patient who was complaining of her continued ill health, and of his inability to cure her, jokingly said: "Try Hop Bitters." The lady took it in earnest and used the bitters, from which she obtained permanent health. She now laughs at the doctor for his joke, but he is not so well pleased with it, as it cost him a good patient.

persons are interested in. We believe the schedule for visits is \$3, which would tax a man confined to his bed for a year, and in need of a daily visit, over \$1,000 a year for medical attendance alone. And one single bottle of Hop Bitters taken brother. On the termination of the war mal, yielding its eggs in literal millions.

A Lady's Wish.

Given Up by the Doctors.

work, and cured by so simple a remedy "I assure you it is true that he is entirely cured and with nothing but Hop Bitters, and only ten days ago his doctors gave him up and said he must die, from Kidney and Liver trouble.

AYER'S Sarsaparilla

Is a highly concentrated extract of Sarsaparilla and other blood-purifying roots, combined with Iedide of Potassium and Iron, and is the safest, most reliable, and most economical blood-purifier that can be used. It invariably expels all blood poisons from the system, earliches and renews the blood, and restores its vitalizing power. It is the best known remody for Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Boils, Tumors, and Eruptions of the Skin, as also for all disorders caused by a thin and impoverished, or corrupted, condition of the blood, such as Rheumatism, Neuralgia, Rheumatic Gout, General Debility, and Scrofulous Catarrh.

Inflammatory Rhesmatism Cured. "Aver's Sarsaparitla has cured me of the Inflammatory Rheumatism, with which I have suffered for many years.

In many cases they sia-leather chair at a club in Pall Mall, are hardened by the peculiar atmosphere while the other lounges in a nice soft as they stand, and in others they are or the Hawaiian Archipelago.

BENNET THE ELDER.

James Gordon Bennet in 1828, when in is thirtieth year, became the Washington correspondent of the New York Enquirer, which was then on the topmost diameter, and from twenty to seventy round of the journalistic ladder. It is feet in height. The greater part of them related of him that during his stay in this have probably been covered in the marl position he came across a copy of "Wal-that originally was one thousand feet pole's Letters," and resolved to try the thick. Some of the trees are changed to J. D. MURRAY, effect of a few letters written in a similar jasper, assuming numerous hues, while strain. The truth of this is doubtful. It others resemble opal, and, when broken is more probable that the natural talents open, the core is often found lined with of the man were now unfettered, and he wrote without fear of censorship, and isiana and Ohio are noted localities for BUY IT AND TRY IT. with all the ease which a sense of free- fossil trees. In the former State, several dom inspires. He was naturally witty, years ago, in turning up the ground an areastic and sensible. These letters, however originated, were undoubtedly a in succession two others below it; and great hit. They were lively, they abounded in personal allusions and they described freely not only Senators but the er to the last sixty thousand years must wives and daughters of Senators. This have elapsed. In the remains of the going, pa says. Cured him of rheumatism glacial drift in Ohio old forests are often Horace Brenizer, Clinton, Iowa. President and the hunting saddle of his niece tickled not only the fools but also wiser people, who liked the sensation. These same letters established Mr. Bennett's reputation as a light lance among the hosts of writers and he found a ready sale for the poetry and the love stories which flowed from his pen during his leisure hours.

Learning, it is said, may be an instrument of fraud; so may bread, if discharged from the mouth of a caunon, be an instrument of death. Each may be equally effective for evil.

PETRIFIED FORESTS.

Stone forests are in many parts of the dust heap beside a rolling surf in Tahiti buried, the parts being replaced by mineral matter. The Little Colorado river in Arizona has long been a famous locality for such finds. At one place more than fifteen hundred cords of trunks and sections of logs were found by government surveyors. Most of them were silicified. Many are seven feet or more in crystals of the most beautiful tints. Louancient forest layer was unearthed, and scientists judge, from the size of the trees, that from the time of the first lay- Oil is excellent .- Chas. F. Medler, box 274 discovered. Some have been buried be- Horace Brenizer, Clinton, Iowa. neath the water by the sinking of the land. Some of the Ohio trees are not entirely changed into stone, being yet soft, while others are found in all stages from rock to porous sponge matter.
