INTERESTING NOTICE.

Two weeks ago our Fall Stock began to arrive, and to say that we were surprised at the way they turned out expresses it but mildly. Every where we hear words of praise and commendation. One lady from New York remarked: "I never expected to find such a stere in Bellefonte." we know that you will be astonished and have to acknowledge the same.

In Dress Trimmings, Pasamentries, Fringes, line will exceed by far any of our neighbors.

Our 54-inch dollar Dress Cloth for 75 Cents beats them all. The cloths are made by first-class makers-less eminent perhaps than Lupin but in throat and stomach, he but will no doubt quality and wear equal any made. We have but a limited quantity left-remember 54 inches wide

We would be pleased to have you call, and feel sure that you will not regret it.
