Neuralgia of the Face. Capt. John Orr, Pearlington, Miss., has been a most intense sufferer from facial curalgia for over twenty years. He has had seventeen operations performed on the nerves-that is, had them divided, out off close to the bone from which they the most excruciating pain continued without the least interruption. He often wished for death to relieve him of the inerable pain. The best physicians failed to relieve him. They finalfy advised him to consult Drs. Hartman & Miller, at the t. Charles Hotel, New Orleans, which did. They prescribed PERUNA, and in less than a month was entirely relieved of the pain. Before consulting these doctors the least touch to any part of his face or nose would cause the most fearful pain, while now he can blow his nose and wipe his face without the least fear of pain. The captain is grateful beyond measure

for this unexpected and unhoped for result. Mrs. Elizabeth Kenner, 98 Laurel street, New Orleans, has been one of the greatest sufferers from Neuralgia of the face during the past year that we have ever heard of. From morning to night, and from night to morning, there was one constant, racking, tearing, burning pain, extending clear around her head and deep down through every muscle, tooth and bone in her face. No rest and no sleep. All physicians failed to relieve her, as well as all remedies. She was constantly in the most agonizing despair. She called on Dr. Hartman, who said the cause was chronic catarrh. He prescribed PERUNA for her and now every pain has left her. She feels like another person and can eat

heartily and sleep soundly.

Mrs. C. J. Miles, Gallipolis, O., writes:

"DR. S. B. HARTMAN & Co., Columbus, O. My affliction has been rheumatism, located in the right arm and shoulder, of more than two years' standing, and after trying a great many remedies without any elief. I commenced the use of PERUNA. which, after using three bottles, found a

Dr. A. B. Lovejoy, Dadeville, Ata., writes: "I have a fine run on your Pro-EUNA and MANALIN. Please send me a lot of books, "The Ills of Life."
