THE ECLIPSE A FAILURE.

GARMAN'S STORE A COMPLETE SUCCESS.

Our newest offerings in Embroidered Dress Patterns, in Batiste, India Linen, Pink and Blue Chambray are beautiful.

In Stamped goods we have Tray Covers, Side Board Covers, Tiddles, Slipper Cases, Umbrella and Cane Cases, Splashes, Fringe for Lambrequins, etc., &c.

Did you ever buy Merrimac & Allen Shirting Prints (not standard) at 5 cents? We have lots of them—you usually pay 7 & 8 cents for them.

Everything in our stock at proportionately low rates—we offer no bait, but do a strictly honest business. Everything must be as we say—we will make it right.

Fancy Hackets for Decorating, Cornucopias, Hair Receptacles, Catch-Alls, etc.

They tase us about wheelbarrows, but they will not be in for a few years yet. We want you to understand that ours is a Complete Dry-Goods and Fancy Notion Stock—should be called "Yankee Notion," but that word has become almost obsolete. We don't aim to keep a hardware, leather, grocery, furniture, clothing, bakery, stationery, or a general banking concern, we will be content to have you come for Dry-Goods and Notions only.

\$500,000 A YEAR.

Statement of the American, National and United States and Canada Express Company, Troy, N. Y.

The strength of the company is not in its multitude, nor in its grain laden fleet, but in the elements of strength, but her never-failing resources lay in the self-control and discipline of Roman soldiers. Discipline—it is the very soul to all the wonderful meaning possessed by the word "veteran." Mr. Benedict, of Troy, is a veteran in the express business. Thirty-three years he has been your reporter, "I've stood at this desk." It is the discipline of years of experience which gives him the position he holds in the trust and esteem of these three great corporations. "We have a business of \$500,000 a year, and I've been absent from a month in the last year, but I'm here, although I must confess that many times I've worked here when suffering great pain, for I have been troubled by my life with rheumatism and dyspepsia. My system had become so reduced and weak that I had no appetite, and my digestions failed me. I tried all the remedies, but almost two years ago I happened to hit upon Dr. Kennedy's FAVORITE REMEDY. After using one or two bottles or so I began to feel stronger in every way. The great difficulty has been with my digestion, but this seems to regulate it. I have written a note in Dr. Kennedy's FAVORITE REMEDY. I have bought and given a great deal of it to the poor around here. Those you know, who have no money to buy medicine of any kind, for I have many many troubles with bilious diseases and suffer on my mind. I always keep FAVORITE REMEDY in my house. I consider it the best medicine for the blood in the market. Well, I must attend to this matter for the western part of the city. Say, you'd better see him in August. I want to know him." I left the veteran, still at his post, rejoicing in health and grateful to Dr. Kennedy. apr
