AN INTERESTING LETTER From Mr. Harry W. Olmstead, Proofreader of the "Times." The following letter is encouraging and worthy of careful perusal, coming as it does, from so reliable a source, unsolicited. It contains facts of

or careful perusal, coulding as it does, from so reliable a source, unsolicited. It contains facts of great value:

Indianapolis, Ind., Oct. 12, '81, De., David Kennedy, Rondout, N. Y.
Dear Sir.—For ten years I have been a sufferer from disease of the kidneys, at times so much so as to make life a burden. During this time several of the best physicians in Indiana have treated me with little or no success, until I had almost despaired of relief. I then tried several advertised remedies, but nothing produced the desired result until a friend who had been relieved induced me to give DR. KENNEDY'S FAVORITE REMEDY a trial. I did so. After taking one bottle I began to experience relief. I took another and was charmed with the result. In all I have taken four bottles, and can truly say I feel like a new man, as it has been several months since I took the last medicine, and there is no indication of a return of the disease. I have recommended your remedy to several suffering friends who have also been relieved. I write this to express my sincere thanks to you for the cure which has been affected in my case, and also desire to say that I think suffering humanity ower you a debt of gratitude for your wonderful scientific discovery. I shall do all that within me lies to let all sufferers know where they may find relief, and thereby in some measure remunerate you for the good you have done me.

Wishing you long life and prosperity, and thanking you for prolonging my life, I am.

HARRY W. OLMSTEAD.

Dr. Kennedy, of Rondout, N. Y. Eassures the public, by a reputation which he cannot afford to forfeit or imperil, that the "Favorite Remedy" does invigorate the blood, cures liver, kidney and biadder complaints, as well as those diseases and weaknesses peculiar to females Your druggist has it; if not, send \$1 to Dr. David Kennedy, Kondout, N. Y.
