Attention, Doctors.

Everybody knows that the life of the average physician is a hard one. He is often compelled to ride great distances through mud and rain for a merely nom-inal fee. It is not fit nor proper for us to condemn any physician for his work, but we do assert that his practice can be made easier, and he can effect more cures by the proper and judicious use of PERUNA. If he will only add this great remedy to his list of medicines, he will find that his usefulness will be greatly increased. Full direction for its use will be found in the "Ills of Life," and he should at once procure this valuable book.

N. J. Wright, Business Agent Evening Herald, Erie, Pa., says: "DR. HART-MAN-I can not but feel it my duty to express to you my thanks for the great benefit I received from the use of medicines, PERUNA and MANALIN. One bottle of each placed me square on my feet, after a sickness of four weeks which confined me to my bed, and then left me lame and crippled. Three days from the commencement of the use of your remedies the cane was dispensed with, and in a week I was perfectly well."

Mrs. Ellen Maynard, Oswego, Potter county, Pa., writes: "Dr. HARTMAN, Columbus, O. The small ulcers are all healed, and the two large ones are not more than half as large as they were. I am feeling quite well. The people say your PERUNA and MANALIN are doing a miracle. I do not take nearly so much opium as I did before."

Joseph Thomas, East Brady, Pa., writes: "I have used your PERUNA and MANALIN with good results. In the year of 1880 I was so bad that I could scarcely walk. I used PERUNA and MANALIN, and am now as healthy as I have ever been. I have also recommended it to several parties, and they have been much

Mr. C. H. Harris, New Vienna, Ohio, writes: "Our little girl was paralyzed at thirteen months old, and we resorted to everything we could hear of for relief, but she appeared to get but little better, Hearing of PERUNA we concluded to try it, and will say it has done her a great deal of good - the first bottle apparently giving aid and relief. We have used it for nervousness in other cases on other persons and found it a success. For general debility, and in fact for any disease, we don't think anything else can at all compare with it. We have used forty or fifty bottles, and our house is never without PERUNA. Our little girl is now eight years old, and can run any place, was for four years helpless. PERUNA cured her.

Surface Indications

What a miner would very properly term "surface indications" of what is beneath, are the Pimples, Sties, Sore Eyes, Boils, and Cutaneous Eruptions with which people are annoyed in spring and early summer. The effete matter accumulated during the winter months, now makes its presence felt, through Nature's endeavors to expel it from the system. makes its presence felt, through Nature's endeavors to expel it from the system. While it remains, it is a poison that festers in the blood and may develop into Scrofula. This condition causes derangement of the digestive and assimilatory organs, with a feeling of enervation, languor, and weariness—often lightly spoken of as "only spring fever." These are evidences that Nature is not able, unaided, to throw off the corrupt atoms which weaken the vital forces. To regain health, Nature must be aided by a thorough blood-purifying medicine; and nothing else is so effective as

Ayer's Sarsaparilla,

which is sufficiently powerful to expel from the system even the taint of Hereditary Scrofule.

The medical profession indorse AYER'S SARSAPARILLA, and many attestations of the cures effected by it come from all parts of the world. It is, in the language of the Hon. Francis Jewett, cx-State Senstor of Massachusetts and ex-Mayor of Lowell, "the only preparation that does real, lasting good."

STONE IN THE KIDNEY Expelled After Using Dr. David Kennedy's "Favorite Remedy" Two Weeks. One of the most remarkable cases that has ever seen brought to the notice of the public is that of

Mr. J. S. Beach, of Stone Ridge, Ulster county, N Y. Mr. Beach had suffered since Oct. 18, 1874 from the presence of Calculus or Stone in the right kidney. No less than seven physicians were employed at different times, to whom Mr. Beach paid hundreds of dollars for medical treatment with only temporary relief from his agony.

By the urgent solicitations of his friends he was induced to try Dr. David Kennedy's "Favorite Remedy," and experienced a marked improve ment from the first day he began to use the med icine. On the 15th of September he voided a stone as large as he could pass through the natural

Mr. Beach concludes a long letter to Dr. Kenne dy by saying, "It will always afford me pleasure to recommend the 'Favorite Remedy' to those who may be suffering from difficulties of the kid neys and bladder or any disorders arising from an impure state of the blood."

Wm. McKnew, 124 Fayette St., Baltimore, Md. mys: "I believe "Favorite Remedy" is a good medicine. It is doing me more good than any thing I ever tried, and I have tried almost everything, for I am a sufferer from dyspepsia." While "Favorite Remedy" is a specific in Stomach and Bladder diseases, it is equally valuable in cases of billious disorders, constipation of the bowels and all the class of ills apparently inseparable from the constitutions of women.
