Pavid Kennedy, Rondout, N. Y. One dollar a bottle.

Good Words for a Good Thing.—Dr. David Kennedy's "Favorite Remedy" is exactly what it claims to be, and deserves the praises that are showerd upon it by all who have used it. Mr. Israei II. Snyder, of Saugerties, N. Y., says: "My little daughter was covered with sait rheum from head to foot; Dr. Kennedy's "Favorite Remedy" cured her. This was two years ago."

We are not in the habit of pulling any sort of patent medicines in our columns, but we happen to know Dr. David Kennedy, of Rondout, N. Y., and can personally testify to the excellence of the medicine which the doctor calls "Favorite Remedy." And if a word of ours will persuade anybody to use it and thus find relief from suffering, no professional cliquette shall hinder us from saying that word. For diseases of the blood, kidneys and bowels it has no equal. We would not be a tractical and thus find relief from suffering. be with the troy N. Y.

# BURDOCK BLOOD BITTERS.

WHAT IS IT?

A strictly vegetable preparation, composed of a choice and skillful combination of Nature's best remedies. The discoverer does not claim it a cure for all the ills, but boldly warrants it cures every form of disease arising from a torpid liver, impure blood, disordered kidneys, and where there is a broken down condition of the System, requiring a prompt and permanent tonic, it never fails to restore the sufferer. Such is BURDOCK BLOOD BITTERS. Sold by all druggists, who are authorized by the manufacturers to refund the price to any purchaser who is not benefited by their use.

JEFFEESON AS A NATURALIST.

The joy of every well-regulated household comes chiefly from the children. Thousands of affectionate parents do not take care of their children. Through ignorance more than culpable neglect they suffer them to fall sick and die, when knowledge might have saved them to love and home. Dr. David Kennedy offers his "Favor lie Remedy" as emphatically a medicine for the children—gentle in its action, containing no harmful ingredients whatever, going streight to now introduced into a society where the a few doses I was convinced that MANAwork of a scientist was looked upon LIM was the medicine for me. After I with a much warmer sympathy than was common in America, and he lost no opportunity of making the research opportunity of making the personal used. I have several friends who are usacquaintance of the ablest men in the fog it. They think it an excellent remedy, be found to be between five and six various branches in which he was interested. Among them was Buffon.

I recommend it to all who are afflicted with constipation or indigestion. Any one doubting this statement is invited to Cut steel nails appear destined to The presentation of a copy of the "Notes call on me at 24 Front street." supersede the ordinary common iron cut nails as completely as the modern pointed screw nail has the old-fashioned pointed screw nail has the old-fashioned screw nail blunt screw nail. The cost of the steel very general disposition in Paris cifcles toms of typhoid fever. ATER'S BARRAPARILLA has demonstrated its power of cure for all diseases of the blood. The Harpooner's Story.

The Harpooner's Story.

New Bedford, June 1, 1883.

Dn. J. C. Ayra & Co.—Twenty years ago I was a harpooner in the North Pacific, when five others of the crew and myself were laid up with scurvy. Our bodies were bloated, gums swolien and bleeding, teeth loose, purple blotches all over us, and our breath seemed rotten. Take it by and large we were pretty badly off. All our lime-juice was accidentally destroyed, but the captain had a couple Gozen bottles of Ayra's Earsapanilla and gave us that, We recovered on it quicker than I have ever seen man brought about by any other treatment for Scury, and I've seen a good deal of it. Seeing no mention in your Almanac of your Earsaparilla being good for seary, I thought you ought to know of this, and so send routh facts.

Respectfully yours, Halffi Y, Wingarz.

DR. J. C. AYER & Co.—Gentlemen: I have much pleasure to testify to the great value of your Sarsaparilla. We have been stationed here for over two years, during which time we had to live in tents. Being under canvas for such a time brought on what is called in this country "veldt-sores." I had those sores for some time. I was advised to take your Sarsaparilla, two bottles of which made my sores disappear rapidly, and I am now quite well.

Yours truly, T. K. Boden,

Trooper, Cape Mounted Riftemen.
