LOCAL ITEMS.

ORIENTAL is the best. Soon it will be time to get your winter coat. Excursion to Snow Shoe, Thursday, September 3. Ask your grocer for ORIENTAL, full roller process flour. Samuel Foust, of Miles twp., paid us a short visit on Monday. Ice cream soda at Murray's drug store every Saturday evening. On Friday last the pay train passed over this division of the road. Quite a number of Bellefonte folks visited Penn's cave last Sunday. Every body expects to go to Snow Shoe, on Thursday, September 3. Farmers' Mutual Fire Ins. Co. met at Centre Hall, yesterday, Tuesday. Rev. Curran moved into the new Evangelical parsonage on Monday last. A most terrific thunder gust passed over this section on last Tuesday night. The campmeeting at Millheim was attended by a number of folks from this place. A large number of delegates were present at the meeting of Deacons Grange at this place. Another comet is to make its appearance the latter part of this month. Let her come. S. W. Smith, after taking a vacation of several weeks, resumed work in this office Monday. Murray, the druggist, got a generator for his soda fountain and hereafter can make his own gas. Rev. Dr. Wilson, of New York City, who is visiting relatives at Spring Mills, gave us a pop visit Tuesday. Noah Crommiller, of Aronsburg, formerly of Centre Hall, has become head clerk of Harper's grocery at Bellefonte. The clover seed crop will be unusually small in this county. The seed is said to have been damaged by an insect. Mr. H. Y. Stitzer, of Bellefonte, was at Centre Hall, on Tuesday of last week, attending the picnic from Milliflinburg. The Granger picnic will be held Thursday, Sept. 17, on top of Nittany mountain, one mile distant from this place. Rev. Fischer expects to take a vacation of several weeks and visit relatives and friends at his home in Somerset county. We are told that landlord Meyer expects to add another story to the present hotel building and top it off with a mansard roof. Mr. Isaac Smith, of Williamsport, has spent a week in our midst. We are always pleased to have so pleasant a gentleman among us. S. T. Lohough, who has been employed in this office the last few weeks, left on Tuesday to attend the re-union of "Sixtyers" at Williamsport. We often hear complaints from old folks in regard to the bad boys of the town. Boys are boys, and if you respect them they will retain the same. Members of the Shannon Post, G. A. R., who attended the annual encampment at Gettysburg, came back last week, and reported an excellent time. On Tuesday last Messrs. John, Daniel and Iren Hart, of Ohio, passed through this place on their way to Aronsburg to attend the funeral of their father. We have been informed that the Reformed Sunday School, of Lewisburg, expects to have an excursion to Centre Hall and picnic in one of the groves adjoining the station. A man that takes a paper for more than twelve years without paying a cent on it should not come around and tell you how to run it, but that is the kind of a fellow we run across the other day. Tuesday night, during a heavy thunder storm, lightning struck the brick dwelling house of Horace Zerby, at this place. The roof was considerably damaged, several rafters being shattered. No one was injured. The building was not damaged.

On last Thursday morning at 9:30

the excursion train from Milliflinburg arrived at our station. The train was a long one and completely filled with some nine hundred excursionists from Milliflinburg, Laurelsburg and other stations along the road. The committee of arrangements concluded to change the place of holding the picnic from the Old Fort woods to Wither's grove, adjoining our town, which was more convenient and better adapted for the occasion. Headed by the Milliflinburg band all fell into line and proceeded to the grove. The great number of boxes and baskets awakened our imagination as to the dainties and good things they contained. Many busied themselves unpacking baskets, setting up tables and preparing for the feast; some amused themselves playing ball and putting up hammocks, while others anxious to see our town strolled along its shady streets. All seemed to be happy and enjoying themselves, and had come for a picnic—fortunate they were, for early in the morning there were strong indications of rain and by noon dark, threatening clouds appeared and before many had time to finish their dinners they were compelled to seek shelter in houses throughout the town in which they were welcomed. For more than an hour the rain fell in torrents, completely soaking everything left in the woods. The remainder of the day was spent in skimming the town and visiting points of interest. At six o'clock they started homeward. Despite the rain all seemed to enjoy themselves and were well pleased with their short visit to Centre Hall.

James Carson died at Greenville, Mercer county, on 8th, aged about seventy years. Mr. Carson was a native of Centre county, having been master carpenter for the Potters, at Potter's Mills. He acted in the same capacity afterwards at the iron works at Greenville. He then engaged in lumbering and contracting on his own account, made considerable money and afterwards lost it. More recently he was engaged in the hardware business. Some years ago he was kicked on the head by a horse and badly injured, and he never recovered fully therefrom. He leaves a widow, whose maiden name was Greer, and a widowed daughter and two grand children.

The great Peter Cooper is credited with the following: "In all the towns where newspapers are published every man should advertise, even if nothing more than a card telling his name and the business in which he is engaged. It not only pays the advertiser, but lets the people at a distance know that the town in which you live has a prosperous class of men. As the seed is sown so it re-compences. Never put down the sign while you intend to do business; for it often indicates that your grip, commercially, is broken."

Wm. N. Wise writes us he is moving from Jonesboro, Ind., to Jasper county, Mo., and says: "I don't like this country (Ind.) very well. The wheat crops are good and good prospects for corn. Land sells about same as in Pennsylvania—is not near as good fruit country as Missouri. I was out there two years ago, over a year, and liked it. The land sells from \$10 to \$25 per acre and just as good as Indiana can afford. I could not do without the Keweenaw."

Mr. Long, who owns Penn's cave, would repair the road near it and put up the boards in a better condition. It would be greatly appreciated by parties seeking pleasure and a benefit to the cave owner. A little better accommodations is what is wanted to make it a public resort.

We have it from a good source that Mr. D. C. Keller, ex-county treasurer, of this place, has purchased the farm of Mr. Jas. Grove, three miles east of town, and expects to move on in the spring. Mr. Grove intends going west.

Housekeepers in the section of Oak Hall will find Korman's new store a good place for the purchase of new goods at a bargain. Dry goods and groceries, and everything usually kept in a country store will be found at Korman's store.

Soda water at Murray's drug store with choice syrup, 5c a glass. The roofs of the principal houses in Centre Hall have been painted with fire and water proof composition. Mr. C. F. Heieracher has the right for this valley, and will call during the summer and fall upon owners of property. The coating will preserve the shingles as well as render the roof fire proof, and the cost is but a trifle compared with the usefulness of the work.

The farmers in different sections of the county are making a general crusade upon Canada thistles. Read the Act of April 23, 1885, in regard to the troublesome plant.

Headquarters for huckleberries is at J. D. Long & Son's, Spring Mills. Price 5c a quart; they have handled 14,000 quarts this season.

Rev. J. D. Mitterling will preach for the Lutherans in Centre Hall next Sabbath, 23, at 10 a. m., and at Trappeville at 2 p. m. There will be no preaching at the Union on the 20th of this month. Rev. Dr. Wilson, of N. Y., will preach in George's Valley, at 10 a. m., on Sunday, Aug. 25. W. E. FISCHER.

Thursday evening of last week after the heavy rain, a line shed in front of the Luth. church took fire from the heat of the slacking lime. It held about a car load of fresh lime and kept men busy during the night shoveling it around and mixing mortar.

Merchant tailoring at the Philadelphia Branch, and satisfaction guaranteed. An experienced head oversees this department. The little wrangle over our railroad is not yet settled. The latest we have is that the line to Bellefonte will fall to Westfall—the fall our people want. Head Camp's advertisement in another column. His courage to advertise shows that he has enterprise. He keeps first-class furniture establishment, and is one of our go-ahead citizens. The Monday morning train, as usual, came two hours late. We hope that through passenger trains will soon be put on the road and better accommodation given travelers in the future. The new walk and porch in front of Murray's drug store is quite an improvement on the old one which had served its purpose. We hope the same thing will occur to several other walks in a dilapidated condition. For dusters, see-sawer coats and rates style summer suits, at 30 per cent below any other store, go to the Philad. Branch.

SUDDEN DEATH.—Mr. Wm. Harter,

of Aronsburg, died in his chair on last Sunday morning, at about 7 o'clock. Mr. Harter had felt for some time that he was falling from symptoms of heart disease which manifested themselves occasionally, and had expressed the belief that his death, when it came, would be sudden. On the morning above given he arose about 5 o'clock, and went to the kitchen where he kindled a fire, and did some other light work. When Mrs. Harter arose, a short time after, she found her husband sitting near the stove, rubbing his wrists and he complained of pain across the breast. He told her he was getting ready to go to the adjoining lot to attend to some stock there. Mrs. Harter begged he should remain in the house and she would attend to the cattle in the lot, and she at once set out to do so. Returning in about fifteen minutes she found her husband still upon the chair and thinking he was sleeping tried to arouse him—by calls and shaking him—but alas, he was dead. She was all alone, and at once called in the neighbors and Dr. Musser was quickly called and found that life was extinct.

Mr. Harter was of an old and highly respected family, and has one of the largest connections in the valley. He was born on the farm owned by him a mile south of Aronsburg, on which he spent the first 60 years of his life, when he retired and moved to Aronsburg. He was a consistent and devoted member of the Lutheran church and his aim was to live an upright life, and was given to prayer in silence and seclusion. He is in the 70th year of his age, and was the father of twelve children, all of whom are living—the oldest daughter being the wife of the editor of the Reporter. His funeral will take place on Thursday, at 9 a. m.

The Reporter office extends its thanks to the Milliflinburg band for a serenade on last Thursday, the day of the Milliflinburg excursion. The band is a venerable institution, which we heard discourse charming music as far back as 35 years ago, and in it was one of its present members, Mr. Yearick, who still seems good enough for many years, as it would seem from the excellent pieces discoursed in front of our door on the above occasion.

On Tuesday night of last week four prisoners escaped from the Milliflin county jail. The cell-door of McClain, the murderer, under sentence of death, was open, and he was invited to join the fugitives, but declined.

A cheap refreshing and healthful drink is a glass of Murray's soda water. It has been proposed by different parties to collect a fund by private contribution for the purpose of purchasing a clock to be placed in the railroad station at this place. The Penn. R. R. being financially embarrassed (?) would no doubt appreciate the gift.

The stone steps and sills from the quarries at Hamletstown came last week and most of them have been put in position. They are beautiful stones and give the building a massive appearance.

J. C. Dale has been appointed post master at Farmer's Mills vice J. S. Auman resigned. Mr. Auman was a good and obliging post master, and his successor will also be an efficient officer.

The Culinary Wire Basket is for cooking potatoes, meats, cabbage, eggs, etc. They can be placed in it and then in your cooking vessel. The basket, being constructed of wire, allows the heat from the steam to penetrate, thoroughly cooking the contents uniformly, and will not burn them. By the use of the Culinary Basket great trouble is avoided in so often cleaning your pot, as your meats, vegetables, etc., while cooking, are prevented in coming in contact with the wire ribs, and, when lifting vegetables, etc., it can be done without danger of scalding the hands, as the basket is provided with a bail. E. Z. Miller, Milroy, agent for Centre county, Gettysburg, Pa., Aug. 12-4.

Merchant tailoring in all its branches done at the Philad. Branch. A tailor of long experience superintends all work, and utmost satisfaction guaranteed.

Excursion to Snow Shoe.

We are authorized to announce that arrangements are being made for an excursion to Snow Shoe, on Thursday, September 3d. The train will start from Coburn and take all who wish to go from Coburn, Spring Mills, Centre Hall, Linden Hall, Oak Hall, Lemont, Pleasant Gap and Bellefonte.

It is not known yet what the rates will be, but we are positively low to enable all who wish to attend. Rates and full particulars will be published in the next issue of the Reporter.

This will be the first excursion run over this section of the road and the first opportunity afforded the people of Penns Valley to take a trip at greatly reduced rates. The scenery from Bellefonte to Snow Shoe is the grandest in the State, rivaling that of the Alleghenies from Altoona to the summit of Snow Shoe itself, situated in the heart of the bituminous coal fields, is an attractive place. The fine picnic ground near the station will be thrown open to the excursionists and an opportunity also given to visit the numerous and interesting coal mines. Declare September 3d a holiday and make preparations for the Snow Shoe excursion. You will not regret the money spent or time lost.

FARMERS MILLS.

Mr. John Rossman is building a new house on his farm, which will be the house in Brush Valley. J. B. Beam & Son had a well drilled 165 feet in depth, for supplying water for their engine in the steam bending shops. The well was put down by a steam drill. Mr. John Rote is also having a well drilled. The painters are finishing the cave buildings. Heavy thunder storm on Thursday, last, Corn looks well. Mr. Nath. Bronson returned from the Gettysburg camp, and with him three bullets found on the battle field. GAZOO.

Memorial services for our deceased comrade, Gen. U. S. Grant, will be held in the M. E. Church at Centre Hall, Saturday evening, Aug. 29, at 7 1/2 o'clock. Addresses will be delivered by J. L. Spangler, Esq., and D. H. Hastings, Esq. All are invited to be present. Members of the post will meet at the post room at 7 o'clock. And, GAZOO.

Ag. of Sam'l Whannan Post, No. 282. WOMEN are everywhere using and recommending Parker's Tonic, because they have learned from experience that it speedily overcomes despondency, indigestion, pain or weakness in the back or kidneys, and other troubles peculiar to the sex.

A FELLOW ON HIS EAR.

Mr. Editor—I have a great puzzle which I want you to help to solve. About a year ago Bill, (no the Hon. W. K. Alexander, ex-member of the Legislature), appeared in the County Convention as a delegate from our township. Last week we observed he was a delegate from the borough of Millheim, and as we learned at the same time an applicant for postmaster at Linden Hall. Now, what is he a citizen of? and is our township too small for him or is the Democratic party so poor in material? If he is a citizen of Millheim then it was a fraud upon Harris twp. to appear as her delegate; if he is a citizen of Harris twp. then it was a fraud upon Millheim to be a delegate from there, and if it is at the same time a fraud upon Linden Hall to ask to be its postmaster if he belongs to Millheim. Now, Mr. Editor, we read in history that Alexander the Great (I can't say whether our subject is a lineal descendant or not) cut the original Gordian Knot with his sword, and as the pen is mightier than the sword, I hope you will tell through the columns of your paper just where this brilliant statesman properly belongs.

DEMOCRAT OF HARRIS.

[In reply to our correspondent we copy one of the Democratic rules, which evidently has been grossly violated, viz: 9th. All delegates must reside in the district they represent. In case of absence or inability to attend, substitutions may be made from citizens of the district.]

The power of imagination is thus illustrated by the Tyrone correspondent of the Altoona Times: On Sunday there was reported from Harrisburg an empty coffin that was intended for Bellefonte, and no trains running on the Tyrone division on that day, the "box" had to remain here until yesterday morning. It was left standing on a wheelbarrow, covered with canvas to protect it from the weather. Several parties in passing lifted the canvas through curiosity to see what it was. When they saw it was a coffin they dropped the cover like a hot potato, and imagined the corpse smelled badly. One of them actually walked off holding his nose and said that the stench was terrible. Yesterday morning an express messenger got into the baggage car where the empty casket had been placed for the purpose of forwarding it to its destination, and he immediately imagined that the corpse smelled so badly that it ought to be put out on the front platform. When he was informed that the casket was empty, and was only being sent to Bellefonte to receive its precious freight, he would scarcely believe it, still imagining that he really smelled a "smole."

BLEW OUT HIS BRAINS.

Bellefonte, August 14.—Reuben Reese, a farmer, living near Port Matilda, on the Bald Eagle Valley Railroad, twenty miles west of Bellefonte, blew his brains out with a shot-gun this morning. The cause supposed to have been mental depression, arising from inability to meet a payment on his farm near due. He was 35 years old, with a wife and four children.

NINETY YOUNG LADIES TAKE THE VEIL.

Wilkesbarre, Pa., August 12.—Ninety young ladies took the veil at Mallinckrodt convent to-day. The ceremonies were under the direction of Bishop O'Hara, who was assisted by Rev. Fathers John S. Keeper, of Williamsport, and J. D. Matus, of Allentown.

ELECTRICITY AT A CAMPMEETING.

Lock Haven, Pa., August 14.—Lightning yesterday at the Clintondale camp grounds, struck the tents of Mr. J. O. Harris, of the First National Bank, at Bellefonte, and Robert Tate. Two ladies were badly stunned, but not fatally injured.

TWELVE DEAD VICTIMS.

Overcome by Gas in a Mine at Moconoga. A Peculiar and Awful Scene. Wilkesbarre, August 11.—The mine of the West End Coal Company, operated by Conyngham, Teasdale & Co., at Moconoga, was the scene of a peculiar and terrible accident this morning.

Just before the night shift went off duty, the fan that sent fresh air into the mine and expelled the gas, broke. The boss knew of this, and so did the men on the day shift, before they entered the mine. But, notwithstanding this, they went into the mine, taking a great risk. There were about thirty in all, who were supplied with safety lamps, as it was well known that the gas would accumulate. About seventy-five men were in the mine at the time work was begun.

The workmen repairing the fan were the first who were overcome by the gas, and about an hour later the same fate was shared by many of the miners. Before the men fairly realized their danger more than twenty were unconscious. Those who could escape then did so. Superintendent John Teasdale, with a corps of men as a relief, went down into the mine to assist the men in making their escape. After being in the mine half an hour Teasdale and his men were "difficultly" rescued. Other went down, and in the face of immense difficulties, and in spite of being continually overcome by gas, got out all but ten men.

No one, better than the mother, knows the amount of persuasion, threatenings and force required to induce the children to take, when necessary, a dose of the nauseating, sickening worm syrups; and no one more highly appreciates the virtues of McDonald's Celebrated Worm Powders. So easy and pleasant to take, so effective as a worm destroyer, the dose so small that the children never know they are taking a medicine. There is nothing in the shape of a vermifuge that can compare with them. Don't be deceived. Take no other. Money refunded to dissatisfied purchasers.

A NOTED CRIMINAL'S ESCAPE.

Clearfield, August 9.—Patsy Goodwin, a noted criminal, escaped from jail here this morning at about one o'clock. He dug into the bath room which adjoined his cell and from there into the yard by filing the bolt off the door. He got out of the yard by throwing a bag containing stones over the wall with a rope attached to it. Before leaving he wrote a note thanking the sheriff for the use of the tools, which consisted of a couple of case knives, which he manufactured into saws. He was awaiting trial for an attempted murder and has served several terms in the penitentiary.

CHRONIC LOOSENESS OF THE BOWELS.

Results from imperfect digestion. The cause lies in the torpidity of the liver, and the cure is to take Simmons' Liver Regulator to aid digestion, to stimulate the liver and sluggish liver and to regulate the bowels.

THE GREEN-EYED MONSTER.

A Missouri Man Murders His Divorced Wife and Kills Himself. Carrollton, Mo., August 10.—Among others who attended the Presbyterian church at Caloma, this county, on Saturday night, were David Markles and his divorced wife. At the close of the service, Mr. Markles was being assisted to mount his horse by a young man of the neighborhood, who had accompanied her to church, when Markles stole up behind his wife, placed a pistol to her head and blew her brains out.

The murderer immediately went home, and had hardly entered when the house was surrounded by a mob of men who demanded his surrender. Thinking it would be the victim of summary vengeance Markles placed the pistol to his own head, fired and fell dead.

Do you wish a beautiful complexion? Then use Ayer's Sarsaparilla. It cleanses and purifies the blood, and thereby removes blotches and pimples from the skin, making it smooth and clear, and giving it a bright and healthy appearance.

A WONDERFUL DISCOVERY.

Consumptives and all, who suffer from any affection of the throat and lungs, can find a certain cure in Dr. King's New Discovery for Consumption. Thousands of permanent cures verify the truth of this statement. No medicine can show such a record of wonderful cures. Thousands of once hopeless sufferers now gratefully proclaim that they owe their lives to this New Discovery. Will you try nothing to give it a trial. Free trial bottle at J. Zeller & Son's drug store, Bellefonte. Large size, \$1.

THE LADIES ESPECIALLY GO INTO ECSTASIES.

Over Parker's Hair Balm writes Mr. Kennedy's "Favorite Remedy" does nothing of that kind. It does not make the sufferers who trust it worse under the pretense of doing them good. It acts tenderly and in sympathy with what nature herself is trying to accomplish. Do you have trouble with your digestion, your liver or your kidneys? Does rheumatism pain and rack you? Is your head thick and heavy? It will charm away these ailments almost ere you are aware.

As a sure remedy for sick headache, sour stomach, dyspepsia, indigestion, constipation, torpid liver, biliousness, etc., no medicine is equal to Dr. Baxter's Mandrake Bitters. N. H. Down's Vegetable Balm is the oldest and best cough remedy in existence. Bruises, scalds, burns, sprains, cuts, etc., either on man or beast, are speedily cured by the use of Henry & Johnson's Arnica and Oil Liniment.
