Good Words for a Good Thing.—Dr. David Kennedy's "Favorite Remedy" is exactly what it claims to be, and deserves the praises that are showerd upon it by all who have used it. Mr. Israel H. Snyder, of Saugerties, N. Y., says: "My little daughter was covered with salt rheum from head te foot; Dr. Kennedy's "Favorite Remedy" cured her. This was two years ago."

We are not in the habit of puffing any sort of patent medicines in our columns but we happen to know Dr. David Kennedy, of Rondout, N. Y., and can personally testify to the excellence of the medicine which the doctor calls "Favorite Remedy." And if a word of ours will persuade anybody to use it and thus find relief from suffering, no 'professional etiquette shall hinder us from saying that word. For diseases of the blood, kidney and bowels it has no equal. We would not be without it for five times the dollar that it costs Daily Times, Troy, New York.

BILIOUSNESS.

Billous symptoms invariably arise from indigestion, such as furred tongue, vomiting of bile, giddiness, sick headache, irregular bowels. The liver secretes the bile and acts like a filter or sieve, to cleanse impurities of the blood. By irregularity in its action or suspensions of its functions, the bile is liable to overflow into the blood, causing jaundice, sallow complexion, yellow eyes, bilious diarrhœa, a languid, weary feeling and many other distressing symptoms. Biliousness may be properly termed an affection of the liver, and can be thoroughly cured by the grand regulator of the liver and biliary organs, BURDOCK BLOOD BITTERS. Act upon the stomach, bowels and liver, making healthy bile and pure blood, and opens the culverts and sluiceways for the outlet of disease. Sold everywhere and guaranteed to cure.

SUCCESSFUL AS A CLERK.

Early in the season as it is, the report is out that the dreaded ice-bug has made its appearance, and is eating up vast quantities of the ice that has been stored away. Thus it seems that in spite of the cold weather ice will be as dear as ever this summer.

A lady in Twenty-fourth street got to put a stop to her mirth at once,

" My dear," said a Harlem wife who had been married three years, as she beamed across the table on her lord and master, "tell me what first attracted you to me. What pleasant characteristic did I possess which placed me above other women in your sight?" And her lord and master sharply said. "I give it up."

So officer of the army in the war with Mexico-of Gen. Grant, the Captain narrated an instance of the great soldier's heroism at the capture of the City of Mexico. The Captain is now at his summer home at Bennington, and we telegraphed him a request to write for us some reminiscences of the deceased General. This the Captain has done with characteristic elegance of diction, but with the brevity of a soldier. Capt. takes the arm of the stronger. This is Shields' tribute to Grant in the closing why dudes always take ladies' arms. "I was a cadet at West Point during
