Harry Jacobs, of Spruce Creek was shot in the leg, between the knee and hip, on Tuesday, 1st, by a young man whose name we have been unable to ascertain. Rumor has it that the young man had a dispute, that Jacobs let fly his right and knocked his opponent down, and that while in that position he pulled his revolver and inflicted the wound as stated. The ball was extracted by Dr. Thompson, and the young man is moving about with the aid of a crutch.

Millet was well known to many of the readers of the REPORTER, and was highly esteemed.

Argument court was held at Bellefonte last week. Among the business transacted was the incorporation of Centre Hall as a borough upon petition made over two years ago. Also, the appointment of viewers on suit for damages by Daniel Fleisher against the Centre Hall Water company for laying a 24 inch pipe through his lots along the western edge of some near the turnpike. The other lot owners consider the passage of a pipe line as adding to the value of their lots, while Mr. Fleisher views it differently and as applied to the court as above.

Our venerable friend, Col. Henry Royer, of near Rebersburg, gave us a shake of his hand on Tuesday. The colonel will be 90 years old in a few months - being the oldest citizen in Miles twp. He is still well preserved in body and mental faculties.

A Boston statistician says that \$1 will buy as much of the necessities of life to-day as \$1.50 in 1875, \$1.35 in 1885, 91 cents in 1854, and \$1.19 in 1825. In other words, the purchasing power of \$1 is nineteen per cent. greater than in most previous periods in the history of the nation.

To have Centre Hall a borough may cause a grunt from the hogs and a remark of approval from all who have been annoyed by the critters-at-large. The festive cow will have to keep clear of our hogs' lines too, or find a lodgment in the lock-up under the guardian care of the high-constable that is to be.

The management of our railroad goes to Sup't Westfall, of the P. & E. division. This will suit the people along the line, between Bellefonte and Montandon, right well. What new enterprise he may start here we may tell of later.

Cattle thieves made a raid on four head of stock belonging to county commissioner John Wolf, who had some of his horn cattle summering in the Little Sugar Valley mountains. The fellows drove the cattle to Lock Haven and offered them for sale at such a low figure that suspicion was created and the stock could not be sold, and Mr. Wolf recovered his property again.

The Lewisburg Evangelical Sabbath School will have a picnic at Centre Hall on Thursday. The boro' business has caused deep growls from some because it went on thely. AARONSBURG'S CENTENNIAL.

A correspondent from Aaronsburg writes: Our people are waking up to the idea of celebrating Aaronsburg's centennial next year, and with timely preparation for the event it can be made one of the grandest affairs ever had in this section. It will be of interest to people all over the county, because you find people in every locality who have gone out from here, or whose parents are connected in some way with the early days of Aaronsburg.

Let us have a basket picnic on our wide street, with its green carpeted lawn beneath its shaded trees, with free tables for such as come a long distance, and give all the brass bands an invitation to attend. A ringing of the church bells might open the day. It is not too early to talk the Centennial over now, and suggest ideas, hence I give you my notions.

DEDICATION AT REBERSBURG.

The Lord willing the Evangelical church at Rebersburg will be dedicated to the service of the triune God, Sept. 27. Rev. E. Kohler, of Lewisburg, and Rev. G. W. Curran, of Centre Hall, will officiate. Ministers and friends of the cause are invited to attend. P. C. WEIDMEYER.

ESTRAY, since about August 26, a large red and brindle cow, 7 or 8 years old, right horn broken and slipped, will be fresh soon. A liberal reward will be paid for her recovery. S. W. BAKERFOOT, 1866th Centre Hall.

After Sept. 1 our stock of zephyrs, yarns, embroidery and knitting silks, and everything pertaining to the line of fancy work, will be complete and kept up as it formerly was at our old stand before the fire.

The squirrel season has come and we hear a great deal of cracking around in the woods. From reports and the size of several game bags seen we are inclined to think they are scarce this year. Suppose Jake Harpster shot them all last year.

When going to Bellefonte, from Penns Valley, by train or otherwise, do not forget to give Mingle's shoe store a call, in the Breckerhoff house block, where you will find the largest and finest assortment of boots and shoes in this county and at first class bargains, with a warrant that all goods are as represented, or money refunded.

Once upon a time a certain man got mad with the editor and stopped his paper. The next week he sold his corn at four cents below the market price. Then his property was sold for taxes, because he didn't read the sheriff's sale. He was arrested and fined \$5 for going hunting on Sunday, simply because he didn't know it was Sunday, and then paid \$3 for a lot of forged notes that had been advertised two weeks and the public cautioned not to negotiate for them.

Their business has steadily increased, until now they are probably the largest manufacturers of this style of machine in the United States. They do business on a liberal and just basis. They offer to send one to any responsible man or woman, to be tested in their own house two weeks before they pay one cent. This is certainly a fair proposition. They have found this way of doing business more satisfactory than to do as other companies do who charge forty or fifty dollars for machines, and pay agents twenty dollars a piece to sell them.

We advise all in want of a machine to send for circular and testimonials, address C. A. Wood & Co., 17 North Tenth Street, Philadelphia, Pa.

A TRAIN WRECK AT DEPOT.

Huntingdon, Pa., Sept. 11.-The western half of the Union Depot was completely destroyed this morning. By the carelessness of a train hand the switch west of the depot, where the trains for Broad Top run out upon the track of the East Pennsylvania road, was left closed, and the engineer of a coal train not noticing it, his train ran at full speed over the switch and into the depot. The engineer and fireman escaped by jumping. Trains were delayed for several hours. The loss will probably reach \$15,000.

IN TIME OF PEACE PREPARE FOR PEACE.

Changes of climate, diet and water, oftentimes atmospheric changes alone, will subject some member of the family to cholera morbus, dysentery, etc., when that wall of misery in the "vee em" hours of the night" announce the fact, and you are sent from your comfortable bed across roofs or down back alleys for a doctor, 't would be a good time to reflect that had you only secured a bottle of Carter's Carmelite Cordial in time, you could with a few drops have headed off the attack, and saved a doctor's bill, and secured a peaceful night's rest. Dissatisfied purchasers can have their money refunded.

It is well for those who are planting fruit trees to read with care the following important decision, of interest to all who reside in cities, towns or villages, was made in the Lebanon county courts some time since by Judge Henderson. A man was indicted for assault and battery on a neighbor because he claimed the fruit on the limbs of the tree over-spreading the prosecutor's lot. Judge Henderson said that the owner of the land is the owner of it from his line up to the trees. He has no claim of it. This being the law the prosecutor had the right to the fruit on the branches extending over his lot. He might even have saved them off. This decision is important at this particular time, and is generally misunderstood by the people.

ATTENTION, RAILROAD MEN!

THE OLEOMARGARINE CASE.

Harrisburg, Sept. 13.-The oleomargarine case closed yesterday, with Lyman D. Gilbert's argument. He contended that the oleomargarine bill was an unwarranted exercise of the police power by the Legislature, and quoted numerous authorities in support of his position. Mr. Gilbert also maintained that the act was unconstitutional because it deprived the manufacturer of his property and business without providing for compensation. Judge Simonon reserved his opinion. Mr. Powell, the defendant, was released on bail, pending the settlement of the matter.

THE CATTLEMAN LEAVING.

Little Rock Ark., Sept. 13.-The cattlemen are rapidly removing their stock from the Crow Reservation in accordance with the order of the Indian Agent, Armstrong. Several owners of herds were slow to obey, but Armstrong informed them that he would call on the President and have them forcibly ejected by the troops, and the exodus became general. Several thousand head of cattle have been driven out, and by the 15th it is believed the reservation will be cleared.

Who has not heard or been the recipient of benefits derived from using N. H. Down's Elixir, a never failing remedy for all diseases of throat, chest and lungs. As a liniment for hoarseness, Henry & Johnson's Arnica and Oil Liniment cures sprains, bruises and lameness at once. Sold at Murry's Centre Hall.

THE PENNSY CURTAILING EXPENSES.

Philadelphia, Sept. 13.-The curtailing of expenses recent by order of the executive officers of the Pennsylvania Railroad Company applies not only to the operatives along the main line and branches, but the various shops of the company. Last week notices were posted in most of the company's shops to this effect, and the order is to be made general. The reduction consists in the cutting off of one hour a day from each workman and the suspension of work on Saturdays, making the total loss of time to each man fourteen hours per week.

FIVE GENERATIONS IN ONE ROOM.

She is now one hundred and twelve years old and the daughter sixty. Living in the house with Mrs. Ella Johnson are her great-grandchildren, this makes them the great-great-grandchildren of Mrs. Johnson's mother. Strange as it may seem, this morning the great-grandmother, the great-grandmother, the grandmother, mother and children were all assembled in the same room.

Williamsport, Sept. 7.-Abram Newnam, a prominent clothing merchant, hung himself in his store this morning. A piece of stiff brown paper was found on the counter, on which were some words in Hebrew addressed to his son Isaac, in which he says: "What I do is all your mother's fault."

Five thousand men employed in the gun factory of Sir Will Armstrong, at Elswick, have gone on a strike, because their employers refused to dismiss two of the managers who had become obnoxious to the men.
