A GOOD MANY FAILURES.

During the year 1883 there were 10,568 failures in business in the United States and Canada. Some of these were big concerns, and some were very small. Failure is sorrowful business to any man, especially if it is his health that fails. A great many times 10,568 people fail in health in the course of a year. Many of them might be saved if they would take Brown's Iron Bitters, the great family medicine and restores of wasted health.2

The verdict of the viewers, it is rumored, is "no damages," on the ground, no doubt that the pipe line along those building lots are an actual benefit. The viewers were Wm. Thompson, Wm. Allison and Wm. Bradford. The attorneys were Ellis Orvis for Fleisher, and J. L. Spangler for the Water Company.

-Mr. Irvin Leech, of Harris, met with a serious accident last Friday. He was on the road with his team, and something getting wrong about the wagon, the horses turned toward the fence and got Mr. Leech into close quarters between the fence and the wagon. The result was a fracture of the leg at the ankle joint. Mr. Leech does not know whether the fracture was caused by the wheel going over his leg or otherwise. The team went on quite a distance, when it came to a stand-still at a hill. Mr. Lepch grawled about 2 mile to the residence of Mr Tressler, in his crippled condition, where he was cared for. We hope Irvin will get over so serious a mishap, so as not to be missed at any barn raisings, over 110 of which he has attended in his life-time and rendered valuable services.
