THE LIFE LESSON

Learned by a Prominent Hudson Odd Fellow.

[From the Hudson, N. Y., Register.] Mr. John Elting, a faithful Odd Fellow (Past

Grand, Lindenwald, No. 442) and a member of the Baptist church, says: "I have been, as most of my acquaintances in Hudson know, a sufferen iny acquaintances in Hodson know, a solucient from dyspepsia for ten years. B-ginning with in-digestion, sour stomach and flatulence. I became so weak that my body became aburden too heavy to carry and my mind was weighted down by a gloomy despondency. After eating I felt as if I had a ball of glowing iron in my stomach; my abdomen would bloat and I was afflicted almost constantly with sick headache A lady, learning of my condition, advesed me to use DR, DAVID KENNEDY'S FAVORITE REMEDY, telling me what an infinite deal of good i had done her and others whom she knew I began taking it in the latter part of August, and used altogether only three bettles, when it achieved in me the most wonderfal improvement. I have now gained flesh, and feel stronger, better and happler than I have in ten years "Favorite Remedy" cured my friend, R. F. Hermans of Ghent, of the lingering remains of malarial fever and of biliousness. Mr, Harvey Thomas, the grocer on Warren street, just below the Worth House, says that it has had won-derfulg good effects upon him. Scores of my ac-quaintance- say that having once tried it they word meyer again be without it. I have given it to my children and found it the best medicine I participing their blood. The knowledge of this medicine I deem the greatest lesson of physical it." from dyspepsia for ten years. Beginning with inoff-colored diamonds are sold for firstwater, flawless gems. A Battle and Its Victory .- "I carried the burder of dyspepsia about all my life," said Mr. Pierce, a lady eighty years of d, residing at Rochester, N. Chronic Dysenicry. Mr. James Brannan, Second avenue, Pittsburgh, Pa., writes : "For two years I have been constantly troubled with a thronic diarrhoa, or dysentery, having had, on an average, from twenty to twenty-five passages every twenty-four

hours, and every one bloody. I had thoroughly tried all the prominent physicians in Pittsburgh, was twice in the West Penn Hospital, the first time thirteen weeks, and though I left it much better, yet in five days I was as bad as ever. I then tried two other great doctors in this city, and one of them finally assured me I was not long for this world. and advised me to write to my friends about it. I next went to Dr. Hartman, without the least confidence that he could do anything for me. He examined me, smiled, and said, he could stop the bloody discharges in less than two weeks, which he did with PERUNA, and I have now been entirely well for several weeks, and never felt better in my life, though I am still taking his PERUNA. I will take it whenever I need medicine.

Mr. Patrick Burns, Pittsburgh, writes : "I have suffered intensely from piles and chronic diarrhea. I was treated by five of the best physicians and surgeons in the city of Pittsburgh, and with all grew constantly worse. Finally three of them said my only hope was an operation. This frightened me, and I went immediately to Dr. Hartman, who has entirely cured me with PERUNA. I have been at work now for three months, and never in my life felt better. Call and see me at corner of Twenty-seventh and Mulberry streets, Twelfth ward, Pittsburgh."

Mr Patrick Cunningham, S. S., near Sidney street, Pittsburgh, Pa., writes: " For five years I have suffered inexpressibly from internal and external piles. I have tried the best physicians of Pittsburgh and Alleghany without relief. I went to Dr. Hartman, who cured me without detention from work with Pg-RUNA.

Charles Frank, of Emrichville, Jeffer-son county, Ofio, writes : "I had piles and fistula in ano for four years. I had suffered constantly with a discharge of matter from the parts, and sometimes from the contents of the bowels through it. I could not have borne it much longer. I had heard so much of the ill effects of a knife operation that I resolved to go to Dr. Hartman. He ridiculed the silly idea of cutting it, and at once performed his own original operation without the knife, and without pain. I am thoroughly cured, thongh of course I took
