Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure of Sperma-torthoes or Seminal Weakness, Involuntary Sem-inal Losses, Impotency Mental and Physical Im-pediments to Marriage, etc.; also Consumption, Epilepsy and Fits, induced by self-indulgence, or sernal extravagance, dec. The celebrated author in this admirable essay, clearly demonstrates from a 30 years' successful radice, that the alarming consequences of self-abuse may be radically curred, pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself, private-by and radically.
