IS SURE TO WIN.

We believe the RUSSIAN RHEUMATISM CURE has real, genuine merit. It is this faith which has led us to put our money into it so liberally. We have put more into it than money—money could not buy the fair name we have rained by twenty years of homorable business dealing right here on Market St., Philadelphia, and yet so great is our faith in the Russian Rheumatism Cure that we are willing to stake our reputation on it as a safe, speedy and permanent cure for all Rheumatic troubles. Could we offer any better guaranty of good faith? Others besides ourselves have tested its merits, and add their hearty and unequivocal endorsement.

We send to all who ask it a pamphlet containing much of such testimony. And yet if you have Rheumatism why safer one day longer than is necessary. It costs only \$2.50 to be cured, and wittle you are making up your mind to try it you might be made well. The
