

An experiment is being made in Chicago with a new heater for tram-cars. The heater consists of a brass cylinder about six inches in diameter and about two feet long, which is filled with coal oil under a strong spring pressure. The cylinder is fastened horizontally underneath the center of the car. The oil is forced into a small super-heater, where it is vaporized. In the floor of the car is a box of fire-clay, surmounted with an iron drum about eight inches in diameter, the fire-box and the drum being set in a sheet-iron jacket. In the floor of the car is inserted an iron grating. Inside the car the grating is the only visible evidence of the heating appliance, all of the apparatus being below the floor. There is no blaze whatever, but the fire-clay is heated to a white glow. A strong draught of cold air coming from below passes over the fire-clay around the drum and into the car. The Cable Car Company of Chicago has given an order to supply all its cars with the heater. The cost of heating a car is estimated at from twenty-five to thirty-five cents for twenty-four hours.

Plating with celluloid or zylonite is a very difficult process, and many of the details of such manufacture are patented. The articles require to be heated to melt the celluloid and make a contact while the thin celluloid sheet is pressed to the surface. The surface of the celluloid when cold requires finishing and polishing much in the manner of ivory. It easily takes fire, and is considered a dangerous article to handle near fire.

A DRUGGIST'S STORY.
Mr. Isaac C. Chapman, Druggist, Newburgh, N. Y., writes us: "I have for the past ten years sold several gross of DR. WILLIAM HALL'S BALSAM FOR THE LUNGS. I can say with all I cannot say of any other medicine, I have never heard a customer speak of it but to praise its virtues in the highest manner. I have recommended it in a great many cases of Whooping Cough, with the happiest effects. I have used it in my own family for many years; in fact, always have a bottle in the medicine closet."

How many mourners are necessary at the wake of a ship?

I HAVE BEEN afflicted with catarrh for 20 years. It had become chronic, and there was a constant dropping of mucous matter from the roof of my mouth. It extended to my throat, causing hoarseness and great difficulty in speaking, indeed for years I was not able to speak more than thirty minutes, and often this with great difficulty. I also, to a great extent, lost the sense of hearing in the left ear, and of taste. By the use of Ely's Cream Balm I have received more relief than from all other remedies beside. All dropping of mucous has ceased and my voice and hearing are greatly improved.—Jas. W. Davidson, Attorney at Law, Monmouth, Warren Co., Ill.

Beware of Scrofula

Scrofula is probably more general than any other disease. It is insidious in character, and manifests itself in running sores, pustules, eruptions, boils, swellings, enlarged joints, abscesses, sore eyes, etc. Hood's Sarsaparilla cures all trace of scrofula from the blood, leaving it pure, enriched, and healthy.

"I was severely afflicted with scrofula, and for over a year had two running sores on my neck. Took five bottles of Hood's Sarsaparilla, and consider myself cured." C. E. LOVEJOY, Lowell, Mass.

C. A. Arnold, Arnold, Me., had scrofulous sores for seven years, spring and fall. Hood's Sarsaparilla cured him.

Salt Rheum

William Spies, Blyria, O., suffered greatly from erysipelas and salt rheum, caused by handling tobacco. At times his hands would crack open and bleed. He tried various preparations without aid; finally took Hood's Sarsaparilla, and now says: "I am entirely well."

"My son had salt rheum on his hands and on the calves of his legs. He took Hood's Sarsaparilla and is entirely cured." J. R. STANTON, Mt. Vernon, Ohio.

DELICATE young ladies, who often feel the slightest exertion tires, will find that a little time regularly spent in the garden will have a favorable effect upon them. Devote the first part of the morning, or an hour before sunset, to your garden. Commence with what seems the most pleasant work—tying a climbing vine against the porch, cutting off the fading flowers, or raking a flower-bed; but do not tire yourself out in the beginning; better to work only five minutes at a time than become fatigued and discouraged. With your interest your strength will increase, your drooping spirits revive, and the blush of your roses become reflected upon your cheeks.

A QUESTION ABOUT Brown's Iron Bitters ANSWERED.

The question has probably been asked thousands of times, "How can Brown's Iron Bitters cure anything it doesn't?" But it does cure anything for which a reputable physician prescribes. Physicians recognize Iron as the best restorative agent known to the profession, and the only leading chemical iron will substantiate the assertion that there are more preparations of iron in the world than any other substance used in medicine. This shows conclusively that Iron is acknowledged to be the most important factor in successful medical practice. It is, however, a fact that, prior to the discovery of BROWN'S IRON BITTERS, no iron preparation was so satisfactory in its action, and so generally beneficial, as this. It is the only iron preparation that cures Indigestion, Biliousness, Weakness, Dyspepsia, Malaria, Chills and Fevers, Tired Feeling, General Debility, Rheumatism, St. Vitus's Dance, Headache and Neuralgia—for all these ailments Iron is prescribed daily. BROWN'S IRON BITTERS, not cure in a minute. Like all other thorough medicines, it acts slowly. It does not give relief to the symptoms of disease, but it restores the system to its normal state. The muscles then become firmer, the digestion improves, the skin clear, the eyes bright, and the whole system is restored to its healthy color and tone. Nervousness disappears; functional derangements become regular, and the system is restored to its normal state. It is supplied for the child. Brown's Iron Bitters is the only iron preparation that cures Indigestion, Biliousness, Weakness, Dyspepsia, Malaria, Chills and Fevers, Tired Feeling, General Debility, Rheumatism, St. Vitus's Dance, Headache and Neuralgia—for all these ailments Iron is prescribed daily.
