THE CENTRE REPORTER.

FRED. KURTZ,

It turns out that Chicago's boodle aldermen were fully as enterprising as these of New York.

Judge David Davis, of Illinois, is suffering from a carbuncle and Bright's disease. His death is hourly expected.

In many counties the Republican instructions are running for Beaver and Montooth. There is toothache in store for that ticket.

The Democrats can not enter the next campaign with the cry of "Bohemian oats" against them, and expect to win. It would knock us out on the first

One remedy against strikes would be to stop the too prevalent pinching of the laboring man's wages, and pay him cash as you go along for his work, either at the end of the week or month.

There is no real love for Beaver among the bosses. He will get the nomination for governor, but the fellows who run the machine will see that the bearings are not oiled, and a very hot box will put the train behind.

Oa Monday the President sent to Congress fifteen veto messages. Thirteen of the vetoed messages are private pension bills; the others provide for public buildings at Sioux City, Iowa, and Zanesville, Ohio. The messages have not jet faults illustrious," oily tongued, avow themselves temperance men thinkyet been laid before the houses of Conplausible, the bold, consummate leader ing it may pave their way to office. gress.

Deputy Attorney General Snodgrass and District Attorney McCarnell, of Dauphin county, had under consideration the subject of drafting indictments against the Soldiers' Orphan School swindlers. They will soon be ready, but the cases will not be tried until the lat-
