THE FASCINATION OF A FISHERMAN'S LIFE IN THOSE DAYS.

When New England Boys Along the Sea-Shore Were Web-Footed-How Fish Were Caught in By-Gone Years-Curiosities of the Sea.

"This fishery question must excite a good deal of interest among the people of the seashore towns of Essex county," said a gentleman who was one of those who went "down to the sea in ships" more than sixty years ago to a reporter. "Most of the boys down there are web-footed, at least they Correction of Some Errors Which Have were when I was one of them. In those days, as soon as age and mother permitted,

than the average clergy may in many points

-and now regularly preaches to his fellow convicts, delivering able addresses. He has a peculiar, blunt, yet not unpleasant way of speaking, and is the favorite preacher in the prison.-Minneapolis Journal.

No Flags of Any Kind.

The authorities of Liverpool do not ap-pear to like gay colors. They have recently issued an order forbidding any householder to exhibit a flag of any kind, outside of his house.—Philadelphia Call.

A shirts mit your back vas more worth

as dwo in der sthore.-Carl Pretzel.

"The method of fishing has changed since | number of citles in the world with a popumy day. Seining was never practiced lation of 200,000 or upward. "It will hardly then. I have heard it spoken of among skippers, but the general opinion was that the whole globe fifty cities containing 200,it was impracticable, as the mackerel were 000 people, but such is the fact, and any so shy and sprightly that they could not be one may convince himself of it by consultsurrounded. But the fishermen have found out how to do it since then. In my time there would be eight or ten boys strung cities of 200,000 population, but there is TERS are sold everywhere at along on the starboard side of the vessel as not, I repeat, one-fourth the number."

INFATUATED.

Oh, then I saw her eyes were bright,

A well of love, a spring of light.

But now her looks are coy and cold,

As many maidens be, Her loveliness I never knew

Until she smiled on me;

To mine they ne'er reply, And yet I cease not to behold

The love-light in her eye;

Her very frowns are fairer far

Than smiles of other maidens are.
