FACTS vs. PREJUDICE

Prejudice is hard to combat. It cannot be overcome in a day. More than likely it wasn't formed hastily. Indeed it may have been gradually strengthening its hold for years. For instance, some folks believe Rheumatisn cannot be cured. Their fathers believed so before them. So did their grandfathers: Now, RHEUMATISM CAN BE

CURED, notwithstanding this prejudice, but the trouble is to make people think so. The only way we know to meet popular un-belief is to state the **PLAIN FACTS**, and then present the POSITIVE PROOFS that they are facts. It is a fact that the RUSSIAN RHEUMATISM CURE not only relieves but banishes Rheumatic Pain. There is positive proof of it too. It comes from those who have suffered untold agony with Rheumatism and have been completely cured by this remedy. All who have tried it have had this experience. Some of them permit us to print their testimony. It makes quite a little book, which we send free to any who are interested enough to ask for it.

A complete Russian Rheumatism Cure, costs \$2.50. If mailed, Ioc. additional. If registered, Ioc. more. You'll never need but one, so the price isn't high. Who wouldn't give \$2.50 to get rid of Rheumatism? As yet it cannot be found at the stores, but can be had only by enclosing the amount as above, and addressing the American Proprietors,

A. L. Thomas, Cuba, N. Y., says: "My son, J. M. Thomas, had been suffering from rheumatism for several months. Athlophoros relieved him of the pain, and reduced the swelling of the joints, and the lameness entirely disappeared. I have seen those having neuralgia cured by taking one dose."

A. Beard, Mt. Kisco, N. Y., says: "I have been troubled for some time with sciatica and rheumatism, brought on by working in a damp place. I could find no remedy in medicine I was using, until I tried a bottle of Athlophoros, which gave me immediate relief."

Mrs. Alfred Thurston, 42 North Main Street, Wilkesbarre, Pa., says: "I am not troubled with rheumatism now, since using Athlophoros. I believe, should it in any case fail to relieve and permanently cure, the cause would be that the directions were not faithfully followed."

J. J. Savitz, Nazareth, Pa., says: "I gave two bottles of Athlophoros to my sister, and she has entirely recovered. She was afflicted with inflammatory rheumatism and St. Vitus' dance, and although we had two of the best doctors, she gradually grew worse. She would scream from pain night and day.
