

# RUSSIAN RHEUMATISM CURE

My wife was so afflicted with rheumatism in her shoulder and arm that she could do nothing for herself, and could not sleep at night, but had to be bolstered up in a rocking chair. Physicians prescribed many patent medicines, but the pain still remained. I sent for the Russian Rheumatism Cure, and after using it a few days, the pain was cured. It was used according to directions for one week, and the cure was complete. It is now over four months since she has been free from the disease. We have no hesitation in recommending the cure, and it is entirely unobtainable, as it is not sold in any of our stores. Truly yours, H. J. FISHELL.

Thousands of others have benefited by this cure.

Price \$2.50.
