BRIEF MENTION.

SUMMARY OF THE WEEK'S HAPPEN-INGS IN BRIEF PARAGRAPHS.

Accidents and Incidents-Personal Mention-Sayings and Doings in All Parts of the World Upon the Questions of

Jonas I. Clark, a wealthy citizen of Worester, Mass., has donated \$1,000,000 and a fine site upon Main and Woodland streets to found a college to be called the Clark university.

Miss Carrie Harvey, of Newport, R. I., who disappeared from home after the funeral of her lover, a wealthy business man, has committed suicide by throwing herself into the sea. Her body was washed ashore at the foot of Cornelius Vanderbilt's villa and was identified by the jewelry.

Chicago people contributed \$13,000 to clear Mrs. Logan's house of incumbrances. Col. M. M. Parker had all the notes canceled, and Mrs. Logan now holds Calumet place, on Columbia heights, free of all incumbrance. An effort is to be made to withhold \$900

from Congressman Curtin's salary on account of an alleged shortage in his accounts asminister to Russia. The reported contradictory statements of Henry M. Stanley in regard to the route of

the Emin Bey expedition are creating confusion. He was first stated to have announced that he had chosen the Congo route, but now he is said to have declared that the expedition will go by the way of Zanzibar.

The house of representatives has gone on record as being in favor of pensioning disabled and dependent soldiers and sailors, and dependent parents of soldiers and sailors. The bill applies to veterans of any war-Seminole, Black Hawk, Mexican and war of the rebellion—and gives a uniform allowance of \$12 a month from the time of the passage of the bill. It is estimated that it will require an appropriation of \$6,000,000 a year to carry out the provisions of the measure.

The management of the Fitch Home for Veterans at Noroton, Conn., is being investigated, with a view to its improvement, by the

Professor Edward Olney, who had occupied the chair of mathematics in the Michigan State university for twenty-four years, was found dead in bed. He was born in Moreau, Saratoga county, N. Y., July 24, 1827, and was a lineal descendant of Thomas Olney, a follower of Roger Williams.

The steamer State of Pennsylvania, on her recent voyage from Glasgow, encountered a huge wave off the banks of Newfoundland. A pyramidal pile of water struck the vessel, leared her decks, broke through the massive skylights and filled the saloon with tons of water and broken glass. Although threatened with being overwhelmed, the steamer pulled through without the loss of a single

The western part of Scotland has been visited by heavy snow storms, which caused a uspension of outdoor labor.

The Austrian government is hastening its preparations for war and has instructed the Red Cross society to raise the staffs under its return to Germany at twenty-four hours' notice and report for duty at their respective military reserve headquarters.

Phillip Armour, the Chicago pork packer, has a new labor fight on his hands. This time it is with the Chicago Bricklayers'

A decision has been rendered by Judge Ayres that the recent election of a lieutenant overnor in Indiana was not constitutional. A fund is being raised in Maine for the relief of Solon Chase. The romantic discovery of a daughter

stolen in her childhood is reported from Mil-William Dille, a St. Louis cabinetmaker, took a cooking knife from his wife's hand,

and after plunging it in her breast cut his own throat. Cornwall, Ont., was inundated by an overflow of the St. Lawrence. Much property is

damaged and one man drowned. The Rev. Dr. McGlynn has been permanently suspended by an order from the pope from the exercise of his functions as a priest,

This is in consequence of a written refusal of

Dr. McGlynn to answer the summons to General Ross was inaugurated governor of Texas.

The Pittsburg glass manufacturers have determined to advance the card rate of window glass 5 per cent. or more, the advance to go into effect during the next two weeks.

While the temperature in Minnesota is from 15 to 30 degs, below zero, St. Paul is diverting itself with an ice carnival, in which tobogganing, curling, skating, hockey on the ice and snowshoe races are supplemented by street parades.

An artesian well is being bored in Charleston, S. C., 12 inches in diameter, and has already reached a depth of over 1,100 feet. Striking ice harvesters from Rondout and Port Ewen have been terrorizing the workers at Staatsburg, on the Hudson, and Sheriff Belding has arranged to secure the services of a company of militia to quell the threatened disturbance and protect life and prop-

A man helplessly drunk was picked up by the New York police, whose pockets contained forty-four second hand watches and

\$44 in money. P. Lorillard & Co. have refused to treat with a committee of the Knights of Labor in regard to the strike in their Jersey City

tobacco factory. A Methodist minister in Dalton, Ga., has fallen from grace. In addition to embezzling \$1,500, he eloped with a dashing blonde. Seventeen persons were trampled to death in a London theatre. Somebody shouted "fire," the gas was turned off and a terrible

A thousand prime joints of beef and a hundred tons of coal were a part of Queen Victoria's New Year's gift to the poor of

A box of greenhouse strawberries sent to Mr. George W. Childs, of Philadelphia, by William M. Singerly, of The Record, were raised at the expense of about \$300.

A constitutional amendment prohibiting the manufacture and sale of intoxicating liquors in the state is to be submitted to the

people of Missouri. Figures are published showing that the Prohibition vote in twenty states increased from 135,752 in 1884, to 268,769 in 1886, or nearly 100 per cent. in two years. The Potters' National convention at Wash-

ington adjourned, to meet in Philadelphia in Lieut. Schwatka has abandoned his Yellowstone park expedition on account of ill-

ness, but the remainder of the party will continue the work. At the annual meeting of the New York, Ontario and Western stockholders Thomas P. Fowler was re-elected president, and a r-solution confirming the contract with the Vanderbilt rolate was defeated.

Lackawanna and Western railroad com

pany's coal docks in Hobeken were incensed at being snowballed by boys and fired a soil ley into a number of lads and killed a boy named Hogan, who was looking on. Green excitement prevails in consequence adeffort is being made to remove the ! men. Four of the number are in fa

sey City charged with the murder of 'Longshoremen who sympath'ze w' striking coal handlers and the Old in strikers are expected to strike on to account. The situation in the cont to s practically unchanged.

Dr. Taylor, of the bureau of coma, diseases, has traced nine cases of small-ohaving resulted from the illness of Edwar Henderson, who died about two weeks ago a No. 126 West Fiftieth street.

The two men who murdered young Meaof White Plains and then committed suicide have been identified by their brothers as Thomas and John Tristram, of New York

An old railroad conductor who had been discharged for dissipation wound up his career with a razor at Syracuse. A genteel swindler sold an old lady in Bos-

ton 500 cords of old telegraph poles for \$5, causing her to mourn the loss of her cash. Simon Starras died at Brazil, Ind., aged

Mrs. Steinholz, a farmer's wife in Harris county, Tenn., shot one of a party of masked robbers who stole her husband's savings before they left the house.

A man named Engel died in great agony from the effects of a dog's bite at Sanbury,

The problem of reducing the revenue very much mixed, and may resolve itself into an abolition of the system of internal

Two little girls at Niagara Falls, Ont., were carried through a sewer a quarter of a mile ong by a rush of water, and were rescued alive after being ten minutes in the water. Ex-Gov. Stoneman, of California, is anxous to be restored to the retired list of the

Congressman Lawler suggests a lump appropriation of fifty millions for building war

Bishop Ryan, of Buffalo, has issued a pasoral letter to his diocese warning the faithful against erroneous theories, no matter by

whom taught. Two boys, who lost their lives together in the Schuylkill river at Philadelphia, when recovered were clasped in each other's arms. A locomotive on the Louisville and Nashville railroad burst its boiler near Carmi,

Ills. The train was badly wrecked, and while the engineer and fireman were killed, but few of the passengers were injured. Ferdinand Ward says that he will not object to the pardon of James D. Fish unless

the pardon is granted on grounds that will reflect upon himself. There is a strong probability that the Knights of Labor will order a general strike

in the coal industries. Thomas Hogan, the boy victim of the Pin-kerton guards at Jersey City, was buried management to their full strength, and to There was a throng of people present, largely composed of strikers.

The British government is said to be alarmed on account of its having heard that Germany is likely within a few days to ask France to explain the meaning of the French, military movement on the frontier. Louisville, Ky., has a new rage in the shape

of progressive jackstraw parties. The founder of the Ancient Order of United Workmen, John J. Upchurch, is dead in Steeleville, Md.

Governor Fitzbugh Lee and a party of distinguished gentlemen, of Virginia, are making a combined business and pleasure visit to Minnesota.

Another appeal is to be made to President Cleveland to pardon James D. Fish out of Auburn prison. Five hundred business men in New York have signed a petition to that

A new giant, the tallest of known men, has been discovered in the person of an Austrian named Winkelmeier, whose height is 8 feet 9 inches, or over one foot more than that of Chang, the Chinese giant.

The Yale University crew is to have a new paper shell built, which is to combine all the advantages of shells hitherto used, without the disadvantages.

Mayor Hewitt, of New York, is being urged by his friends to take an ocean trip for the benefit of his health.

The number of states and territories in which laws for the protection of animals have been enacted is thirty-seven, and in which societies have been organized to enforce them thirty-four.

The Central Labor union, of New York city, in view of the coal handlers' strike producing a scarcity of fuel, adopted a resolution requesting all coal dealers to keep the stock they have on hand for family use and not to sell any coal for making steam until the strike is over.

An explosion of a locomotive on the Louisville and Nashville railroad killed the engineer and fireman.
