LOCAL ITEMS.

Mrs. Stiver, an aged lady near Potters Mills, is seriously ill.

General Hastings is at home this week, and bears his honors well.

It is somewhat gratifying to us to see our subscription list creep up gradually without soliciting for the same.

Mr. Frank Bradford, of this place, took charge of the new station at Paddy Mountain, the 1st of this month.

In Sugar Valley a great many persons have been and are down with typhoid fever. Almost all are now convalescent.

Mr. Ritter, of Tusseyville, has had good success of late in treating sick horses, having saved several which had been given up.

Bellefonte is putting up a grand public school building, out near the Mc-Allister farm. Bellefonte always does things well—expect it has no crackers.

Mike Goodem, a Clearfield county desperado, fatally stabbed Mrs. Harwood near Philipsburg, because she threatened to disclose certain of his crimes.

The receipts of the musical convention at Spring Mills given under the auspices of the Sabbath Schools of this place, amounted to \$105.66 which is good, considering the weather.

Clearfield county's debt is \$108,300. Centre goes one better, and by electing and re-electing a board of efficient commissioners, it has wiped out a debt of \$80,000 and has a balance to show.

There seems to be no remedy thus far in the coal supply, and there is a general complaint along the line. At our station a car of coal is taken away by teams inside a few hours and very little is left by evening.

Mr. Ludwig has commenced to manufacture cigars at his new location. We are informed he has purchased the groceries and notions of Dingess' and will carry a stock of goods in connection with his regular business.

Sheriff Walker has sixteen county boarders in his castle above the court house. The institution is just about full and it is to be hoped that outsiders will behave themselves long enough, at least, until there is room for them within.

Mr. James Lohr, of the firm of Lohr & Strickmeyer, of this place, was in Clearfield this week, attending to business. His partner was compelled to secure assistance to accommodate their trade, but the rush is gradually subsiding.

A number of young folks of this place, attended a party near Pleasant Gap on Tuesday evening, and report a pleasant time. The "Philharmonic" orchestra of this place accompanied them, and rendered some fine music for the occasion.

Boust's cash store near the railroad, at Northumberland, has this sign, in large letters: Best family beef, 4 cents per lb. Best rump steak, 50 cents. Best corned beef, 10 cents. That sounds as if he's in the era of cheap meat was approaching, which would be good news to all families.

Gen. Simon Cameron, of Harrisburg started on a trip to the Bermuda Islands, on a health trip. The General is eighty-nine years old and enjoys quite good health. Many years ago, he was a frequent visitor in this section, coming and going on horseback, the mode of travel in those days.

A crowd of Centre Hallers attended the convention at Spring Mills on last Saturday evening. They secured a speedy conveyance and went down in a "huffy," took in the convention and spent a pleasant time in the town. Their trip home was not as agreeable as might have been desired owing to certain causes which could not be controlled. The night was rather cool but walking was good. By request we will not give any further particulars of the trip.

Mrs. Kate Ermaganz, nee Love, writes us from Missouri, Jan. 23. This is a fine winter, no snow; the ground is open, and people can plow if they wish. This is a good stock country; there are many stock ranches, good water, it is also a good wheat country, but there is more made in stock. We have lots of lumber, and it is a good fruit country. Corn not to be beat, it all raised on wheat stubble, corn does not do well on sod. Unimproved land sells for \$5 per acre, and improved for \$30.

DEATH OF JOHN DURST.

John Durst died at Greenville, Mercer county, Pa., on 21st ult. He was a husband of George, Peter, Daniel and William Durst, of Potter township. The Green ville Progress says:

"Mr. John Durst died Friday morning, after a lingering illness, the result of old age. Mr. Durst had attained the ripe age of 89 years, 4 months and 11 days, and had been a resident of Mercer county for 35 years. He was born at Lebanon, Pa., in the year 1797, and at the age of 8 years moved to Centre county. In 1821 he married Elizabeth Moser, by whom he had eleven children, six sons and five daughters, of whom four daughters and three sons are still living. His first wife died February 4, 1844, after which he moved to Mercer county, in 1852. He again married after the death of his first wife, and his second wife, Mrs. Barbara Ford, had six children, five sons and one daughter all of whom are living. He engaged in farming, his life vocation. He has been a most consistent member of the Lutheran church for over seventy years, never having missed a single communion. His children after him have followed his worthy example, and are all of the same faith.

VALUABLE LAND.

The land about the railroad station, belonging to the Wilson estate was among the least valuable in this parts for farming purposes and would not have brought \$40 per acre. Now it is being sold for building lots at the rate of \$800 to \$1200 per acre. All the Wilson farms now belong to Mrs. A. G. Curtin, as we stated in a previous issue of the Reporter, who took them at the appraised value \$30,000, for near 700 acres. The fields near town and around the station have greatly enhanced in value since the opening of the railroad, and what was a dry spot, has received an additional advantage, by the enterprise of the Centre Hall water company, which extend its pipes along that part and every lot owner is sure of the best water; this step has not only helped to enhance the price of land in that section, but has stimulated building operations. Nearly all the Wilson lots on the main street have already been sold, and houses erected, or to be erected, on them. There is a little ugly opposition to enterprises here, confined, however, to a select few of jealous ones, but the bulk of our citizens stand by the interests of our town. Every town is known to have its pests.

ARM FRACTURED.

Rev. W. E. Fischer, of this place, met with a serious accident on last Thursday evening, while on horse-back near the Union Church. His horse tramped in a puddle which had a crust of ice, and the shell breaking under the animal's weight caused him to fall throwing Mr. Fischer down a bank into the snow. The horse also rolled over the bank and upon Mr. Fischer, the snow bed alone saving him from being crushed to death. The horse arose again and looking at his prostrate master a few seconds, walked off. Mr. Fischer managed to get upon his feet again, and bruised and sore, found his way to the residence of Eq. Kisbel, who afterwards brought Mr. Fischer home. He has been suffering much pain since in his right arm and shoulder as also in his side. Dr. Jacobs was called and found a fracture of the arm below the elbow. Mr. Fischer will be unable to fill the appointments in his charge for several weeks on account of his injuries, but will, no doubt, be able to have some of his clerical brethren fill his pulpit for him, until he is re-reshed.

Gooden was arrested about two miles west of Centre Hall, while staying with a family named Smith, and taken to jail at Bellefonte by county detective Milen, last Saturday.

Goodman was arrested by three officers at four in the morning. When he found that officers were about, he stepped out on the roof of the house while one of the officers was inside to inquire for him. He was observed, however, and a long pole, was placed against the side of the house, down which the officers ordered him to slide, and arrested him. He had on nothing but shirt and pants.

Representative Woodward is not at Harrisburg this week, owing to several little complaints, but expects to be at his post again in a week.

Aaronsburg is enjoying a musical convention this week. The valley had an abundance of music this winter—conventions were as plenty as snowballs.

The sacrifice sale of Boots, Shoes and Rubbers of all descriptions, still continues at Powers; call and you will be convinced that no such bargains have been ever offered in this section. The entire stock will be sold at a sacrifice.

J. W. Hater will resign his place as clerk in C. C. Lowe's store, at Rettersburg, and go to farming in Georges Valley.

The store of Jas. Musser at Harleton was broken into and the safe opened and burglarized to the extent of about \$300.

Next issue of the Williamsport Breakfast Table will contain another fine description of a "Lumber Camp in Clearfield." The article will be illustrated. The Breakfast Table is the leading paper published in Central Pennsylvania.

Some of the professors and students of the Lewisburg University, and a representative of the Reporter, proposed to make an exploration of an unvisited cavern in this valley, next summer.

Wm. Flory has broken ground for a new house on the Murray lot recently purchased by him.

Wm. Lohr advertises his sale in the Reporter.

Rev. J. A. Bright, a native of Aaronsburg, has been elected, chaplain of the House of Representatives, of Kansas. Aaronsburg boys are continually being heard from in a creditable way. Glad it is so. Congratulations to Johann Adam.

Business men of Warren have organized a Citizens' Association to boom that town. Let Centre Hall take the hint.

Rev. J. K. Miller, of Logansville, Clinton county, will move to Antes Fort Lycoming county, in the spring. Rev. Miller was formerly pastor of Centre Hall Lutheran church.

Wm. Kurtz is making preparations for erecting a new house near the station.

Overcoats are still needed and will be until May list, at least. The season having advanced and there being a stock on hand yet at the Philadelphia Branch, they will be closed out at a greatly reduced price. A coat that was cheap before is cheaper now. What was a bargain before is a greater bargain now.

Public sales are ripe now, and big free dinners are making the mouths of many water with longing and delight for the "O yes! O yes!" of the auctioneer.

Prof. D. M. Wolf will be a candidate for re-election as Co. Sup't. The Professor has served two terms with efficiency that no county can excel. His work in behalf of the schools of our county has had a marked effect upon them, and all recognize his eminent fitness for the position.

Spring Mills' popular public sale reporter, James N. Leitzell, gave the Reporter's sanction to call. Mr. Leitzell informs us he has sale days on his calendar as follows, in March: March 1, 2, 3, 5, 7, 12, 13, 17, 18, 22, 24.

Bill heads \$2.25 per 1000. Letter heads \$2.25 per 1000. Statements \$2.25 per 1000. Sale bills \$1, \$1.25, \$1.50. These are cash prices only. Orders by mail promptly attended to.

THE DAMAGE FIEND.

When Cain got mad because the Lord did not accept his sacrifice of fruit of the ground, he would undoubtedly have smitten Jehovah for damages, had courts and juries been in vogue then. The damage fiend is still abroad, and ever will be, to annoy men with his greed.

Let a set of men make all the important improvements possible, such as will benefit all, you will always find some greedy fiend raise his head, begin to grumble, and then sue for damages, although he and every one has really been benefited; he always finds ready hiders and backers, who hide when their schemes fail.

1887 1887

LIBERALITY VS. LIBERALITY.

We are told that a number of young folks from a town a few miles west of this place had a hop one night this week a few miles from their home. A violinist was secured who furnished the amusing strains for these "Terpsichorean dignities." The hours passed away in the merry dance away to and fro over the floor to the enticing strains of the lone musician. Finally one of the thoughtful young gentlemen of a more liberal nature passed around the hat for the benefit of the musician, who was recompensed to the amount of 20 cts. The fellow was astonished by this outburst of liberality and bound not to be beat in a line of liberality, kindly returned the above amount for their next night's fun.

SPRING MILLS' MUSICAL FEAST.

The musical convention held at Spring Mills last week, was largely attended by singers from different sections of the county. At the opening session about 60 were present and the number was almost doubled at the close. Prof. A. N. Bierly, of New York had charge of the class, which displayed the result of his instruction in two concerts, on Friday and Saturday evenings. The vocalists and instrumentalists were greatly pleased with the music rendered by the well-drilled class. Prof. L. Meyer bro't the "house down" in his comical songs. Miss Sallie Hoffer, of Bellefonte, as organist, executed her part in a faultless manner and possesses rare musical talent.

The convention was a fine treat and a grand success. The proceeds were \$105. The following were members of the class:

FREE TRADE.

The reduction of internal revenue and the taking off offensive stamps from Proprietary Medicines, no doubt has largely benefited the consumer, as well as relieving the burden of home manufactures. Especially is this the case with Green's August Flower and Bosche's German Syrup, as the reduction of thirty-six cents per dozen, has been added to increase the size of the bottles containing these remedies; thereby giving one-fifth more medicine in the 75 cent size. The August Flower for Dyspepsia and Liver Complaint, and the German Syrup for Cough and Lung troubles, have perhaps, the largest sale of any medicines in the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted, in every town and village in civilized countries. Sample bottles for 10 cents remain the same size.

LATE NEWS.

The news from Europe looks more warlike between France and Germany. England is also getting ready for defense. A Baltimore bank clerk skipped off to Canada with \$84,000.

Reagan has been elected senator in Texas. No senators yet in New Jersey and Indiana.

They pretend that Brigham Young has arisen and made his appearance among the saints. Perhaps he's wanting another wife and couldn't get one on the other side.
