

It is extremely common to deride conjugal affection, and to consider it as something to be made fun of, but there are exhibitions of it that are very pleasing.

A very dear and loving little woman was seated by her husband one evening, before a pleasant fire, when she moved her low rocking chair close to him, and placed her sweet little hand lovingly on his arm, and moved it quite affectionately up and down, as if smoothing out all the wrinkles. The good man looked graciously into her upturned eyes, expecting the sweetest of kisses, when she said: "Husband dear," "What, darling," "I was just thinking," "I was just thinking how nicely this suit of clothes you have on would work into a rag carpet."

"No Physic, Sir, in Mine!" A good story comes from a boys' boarding-school in "Jersey." The diet was monotonous and constipating, and the Principal decided to introduce some old-fashioned physic in the apple-sauce, and await the happy results. One bright lad, the spariest in school discovered the secret in his sauce, and pushing back his plate, shouted to the pedagogues, "No physic, sir, in mine. My dad told me to use nuthin' but Dr. Pierce's 'Pleasant Purgative Pellets,' and they are doing their duty like a charm!" They are anti-bilious, and purely vegetable.

You find yourself refreshed by the presence of cheerful people. Why not make earnest effort to confer that pleasure on others? You will find half the battle is gained if you never allow yourself to say anything gloomy.

Don't expect to be called a good fellow any longer than you consent to do as others wish.

"Hello!" we heard one man say to another, the other day. "I didn't know you at first, why you look ten years younger than you did when I saw you last." "I feel ten years younger," was the reply. "You know I used to be under the weather all the time and gave up expecting to be any better. The doctor said I had consumption. I was terribly weak, had night-sweats, cough, no appetite, and lost flesh. I saw Dr. Pierce's 'Golden Medical Discovery' advertised, and thought it would cure me if it did no good. It has cured me. I am a new man because I am a well one."

HOUSEHOLD. BAKED ROLEY-POLEY.—One quart of prepared flour, two full tablespoonsfuls of lard, two cups of milk, yolk of an egg, one teaspoonful of salt, a large cup of jam, marmalade or canned (and strained) berries, well sweetened; sift flour and salt together; beat one yolk light and stir into the milk; chop up the shortening into the flour until well incorporated; wet the flour with the milk into a good dough; roll out half an inch thick, spread with the fruit and roll up closely; pinch the outer edges together and lay the roll, it is joined sides downward, in a floured baking pan; bake until browned; wash over with whipped white of egg and send to table; eat with hard sauce.

TURNIP SOUP (without meat).—Eight or ten large white turnips, half an onion, one stalk of celery, one pint of milk, one tablespoonful of minced parsley, one tablespoonful of flour rolled in three tablespoonfuls of butter, two quarts of water, half of soda in milk, peel, slice and lay the turnips in cold water for an hour, drain and put into the soup; add the cold water and cook tender; rub the soup through a colander, season and return to the fire; stir in the buttered flour, simmer five minutes, add the milk and pour out.

CUP PLUM PUDDING.—Two cups of fine dry crumbs, one cup of flour, one cup of sugar, half a cup of molasses, one cup of raisins stoned and chopped and the same of currants, half a cup of sliced citron, half cup of powdered suet, four eggs, one teaspoonful of mixed cinnamon and allspice, one even teaspoonful of soda, sifted twice with the flour. Beat the eggs light, add molasses, suet, crumbs, sugar, spice, fruit (drained with flour), mix well; turn into a buttered mold and boil five hours. Eat with both hard and liquid sauce.

BOILING water should not be poured over tea trays, japanned goods, etc., as it will make the varnish crack and peel off; have a sponge wet with warm water and a little soap, if the tray is very dirty, and rub it with a cloth; if it looks smeary, dust on a little flour, then rub it with a cloth. If the tray gets marked take a piece of woolen cloth with a little sweet oil and rub on the marks.

FADED hangings may be restored by beating the dust from them and brushing, then apply a strong lather of castile soap by means of a hard brush; wash the lather off with clean water and afterward with alum water. When dry the colors will generally be found to be restored.

THE ROES taken from live cod-fish are very good eating. They weigh from a little over a pound to three-quarter pound, and cost from ten to fifteen cents.

MORE WORDS OF PRAISE. Rheumatic Blood Disease entirely cured. ROCHESTER, April 1, 1886. To the Pardee Medicine Co., GENTS.—Allow me to say a few words in praise of Dr. Pardee's Rheumatic Remedy; and if what I have to say will induce others who are afflicted with rheumatism or rheumatism to use it, I shall feel that I have been the means of doing some little good to my fellow men. December 27, 1885, while at work in the shop, I was taken suddenly with sharp, piercing pains and was compelled to leave the shop. The next morning I was unable to rise, and I grew worse daily, although I was under the best medical treatment. But I obtained no relief until I began using Dr. Pardee's Remedy, which I did March 17th, and after using it three days, I could walk about the house. I continued to use it and improved rapidly every day. I am now at work and entirely free from pain, and have gained five pounds in weight, but I shall continue the remedy until I feel sure the poison is out of my blood, for I am certain that rheumatism is a blood disease. You are at liberty to use my name or refer anyone to me, for I shall be only too glad to recommend it to anyone who is suffering as I was. I know it will cure any case of rheumatism, if used as directed. I am, very truly yours, GEORGE DOANE. Foreman at Goodger & Naylor's shoe factory, 65 South St. Paul street; residence, 6 Griffith street.

Forty Years a Sufferer. Mr. E. W. Howell, of No. 2 College street, writes that he has suffered with rheumatism in his hips, knees and arms, for forty years, and that he has not known what it was to be free from pain until he began the use of Dr. Pardee's Remedy. He has used ten bottles and has not felt any rheumatic pains or symptoms since. Ask your druggist for Dr. Pardee's Remedy, and take no other. Price \$1 per bottle; six bottles, \$5. THE BEST MEDICINE. I think your "Favorite Prescription" the best medicine for ladies with which I am acquainted.

TREATING THE WRONG DISEASE. Many times women call upon their family physicians, one with dyspepsia, another with palpitation, another with backache, or nervousness, another with pain here and there, and in this way they all present alike to themselves and their care-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he prescribes his pills and potions, assuming them to be such, when, in reality, they are all symptoms caused by some common disease, for which the suffering patient is no better, but probably worse for the delay, wrong treatment and consequent complications. A proper medicine, like Dr. Pierce's Favorite Prescription, directed to the cause would probably have entirely removed the disease, thereby instituting comfort instead of prolonged misery.

A Marvelous Cure.—Mrs. G. F. SPRAGUE, of Crystal, Mich., writes: "I was troubled with female weakness, leucorrhoea and falling of the womb for seven years, so I had to keep my bed for a good part of the time. I doctored with an army of medical men, and spent large sums of money. At last my husband persuaded me to try your medicine, which I was loath to do, because I was prejudiced against them, and the doctors said they would not do me good. I finally told my husband that if he would get me some of your medicine, I would try them against the advice of my physician. He got me six bottles of your 'Favorite Prescription,' and six bottles of your 'Discovery,' for ten dollars. I took three bottles of 'Discovery,' and four of 'Favorite Prescription,' and I have been a sound woman for four years. I then gave the balance of the medicine to my sister, who was troubled in the same way, and she cured herself in a short time. I have not had to take any medicine now for almost four years."

JEALOUS DOCTORS. Mrs. MAY GLEASON, of Nanticoke, Ontario, Canada, writes: "Your 'Favorite Prescription' is just the medicine for female complaints." Again she writes: "Having taken several bottles of the 'Favorite Prescription' since my last writing to you, I desire to state that I have regained my health, and am now on my feet all day, attending to the duties of my household, feeling only slightly fatigued at night."

IT WORKS WONDERS. Mrs. MAY GLEASON, of Nanticoke, Ontario, Canada, writes: "Your 'Favorite Prescription' is just the medicine for female complaints." Again she writes: "Having taken several bottles of the 'Favorite Prescription' since my last writing to you, I desire to state that I have regained my health, and am now on my feet all day, attending to the duties of my household, feeling only slightly fatigued at night."

OVERWORKED WOMEN. For "worn-out," "run-down," debilitated school teachers, milliners, dress-makers, seamstresses, general housekeepers, and overworked and feeble women generally, Dr. Pierce's Favorite Prescription is the best of all restorative tonics.

NOT A "CURE-ALL." Dr. Pierce's Favorite Prescription is not a "Cure-all," but admirably fulfills a singleness of purpose, being a most potent Specific for all those Chronic Weakness and Disease peculiar to women. It is a powerful general as well as uterine, tonic and nerve, and imparts vigor and strength to the whole system. It promptly cures nausea and weakness of stomach, indigestion, bloating, eruptions of skin, nervous prostration, debility and sleeplessness, in either sex. "Favorite Prescription" is sold by druggists, and is guaranteed. For conditions, see wrapper around bottle. Price reduced to \$1.00 per bottle, or SIX BOTTLES for \$5.00.

EVERY INVALID LADY should send for "The People's Common Sense Medical Adviser," in which over fifty pages are devoted to the consideration of diseases peculiar to women. Illustrated with numerous wood-cuts and colored plates. It will be sent, post-paid, to any address for \$1.50. A large pamphlet, treatise on Diseases of Women, profusely illustrated with colored plates and numerous wood-cuts, will be sent for ten cents in postage stamps.

IT WORKS OF PRAISE. The following words, in praise of Dr. Pierce's Favorite Prescription, as a remedy for those delicate diseases and weaknesses peculiar to women, must be of interest to every sufferer from such maladies. They are fair samples of the spontaneous expressions with which thousands give utterance to their sense of gratitude for the inestimable boon of health which has been restored to them by the use of this world-famed medicine.
