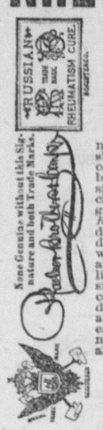
RUSSIAN RHEUMATISM CURE

HAS PROVED TO BE

THE REMEDY

FOR RHEUMATISM.



Some Genuine without this Signature and both Trade Marks.

MARION, IND., Aug. 12, 1886.

My wife was so afflicted with Rheumatism in her shoulder and arm that she could do nothing for herself, and could not sleep in bed, but had to be bolstered up in a rocking chair. Physicians prescribed, many patent medicines were used, but the pain still got worse. I sent for the *Russian Rheumatism Cure*, under a cloud of doubts. It was used according to directions for one week, and my wife was cured. It was one of those agreeable surprises that you meet once in a lifetime. It is now over four months since the cure was effected, and she can wash, iron, hoe in the garden, and do all kinds of work as well as ever, and has no symptoms of the old disease. We have no hesitancy in recommending the cure to all similarly afflicted, as SAFE AND SURE.

Truly yours,
H. J. FISHELL.

Thousands of others have been cured.

RUSSIA'S CZAR BREAKS SILENCE

He Deplores the Situation, but Believes the Time Not Ripe for a Constitution.

ST. PETERSBURG, March 21.—This is an authorized official declaration concerning the attempt upon the life of the czar:

It is not believed that the active section of the constitutional party has such an extensive and influential following as some foreign journals represent. The constitutionalists, instead of being wholly distinct from the nihilists, are nothing but the executors of a milder programme cloaking the violent methods of nihilism so as to secure a certain amount of tolerance from the educated, thoughtful, classes in Russia.

The czar's advisers are convinced from long observation that the influential classes in Russia do not consider that the time has yet arrived in the political development of the empire for the introduction of a constitutional government by his majesty. Nor do the panslavist party desire constitutionalism. On the contrary, they declare that an autocratic form of government, tempered by a just administration of the codified law, is desirable until Russian territorial expansion has reached the limits set for it by panslavist ideas.

State socialism, recently promoted in Germany by Prince Bismarck, is being carefully studied by the Russian government, the czar being well disposed in favor of such progressive economic changes in the territories under Russian sway as shall conduce to the happiness and welfare of the Russian people.

The czar was deeply impressed by the terrible circumstances under which his father met his death. The last attempt upon his own life, projected by nihilists, produced a feeling of horror. Still it is unlikely that it will lead to a change of his previous policy. His majesty cannot but view with mingled bitterness and regret the position in which he is placed by threats and perils constantly besetting him.

He deplores the necessity which constantly exists for costly extensive precautions for his personal safety whenever he desires to travel or even to move beyond the precincts of the palace—restrictions which impede his movements and prevent his seeing his people as they are, and judging for himself concerning their needs.

Riot on a Paris Race-Track.

PARIS, March 21.—At the Auteuil races amid cries of "Down with the police!" and "Restore betting!" a mob, led by the bookmakers, surrounded the commissionatres of police, and tried to force them towards the river. A scuffle ensued, during which some of the crowd were pushed into the river, but escaped with a ducking. The police escaped uninjured. Five of the men were taken into custody.

Cardinal Taschereau Installed.

ROME, March 21.—Cardinal Taschereau was installed as pastor of the church of Santa Maria Della Vittore. The ceremony attending the installation was very impressive, and was witnessed by an immense congregation. Besides Cardinal Gibbons and the clergy attached to the church, there were present within the sanctuary proper many other cardinals and dignitaries of the church.

A Defeated M. P. Hangs Himself.

LONDON, March 21.—John Kynaston Cross, formerly a member of parliament, hanged himself to-day with a fishing-line in his bedroom at his home at Bolton. He had suffered from diabetes, and had been ill and depressed since his defeat at the last election.

The Treaty With Spain Prolonged.

MADRID, March 21.—The trade convention between Cuba and Porto Rico on the one hand and the United States on the other, which was to have terminated in April, has been prolonged until November, in order to give time for the negotiation of a treaty.

The Mayflower Ready to Start.

BOSTON, March 21.—Edward Burgess, the yacht designer, has informed Mr. Tankerville Chamberlayne of his intention to challenge for the Queen's cup by the following cable dispatch sent a few days ago:

If challenge of last year is open for the cutter Arrow, holder of the Queen's cup, to sail against an American sloop. Gen. Paine authorizes me to say that the Mayflower has been placed in my charge, and that she will sail the Arrow for the Queen's cup over the Queen's cup course. Please answer.

The Jail Emptied by the County Judge.

FONDA, N. Y., March 20.—County Judge Westbrook made about thirty prisoners in the county jail happy yesterday. He ordered them all brought into the court room and discharged them. He said that he wanted to see the jail empty once.

Labor Troubles Settled.

NEW BEDFORD, Mass., March 21.—The edgemakers' and heel trimmers' troubles at Hathaway, Soule & Harrington's shoe factory has been settled, the firm giving the men 50 per cent. advance.

The Poet Kraszewski Dead.

GENEVA, March 21.—Joseph Ignace Kraszewski, the Polish poet and essayist, is dead, and the Polish residents here have informed Prince Bismarck of the fact.
