The house at Harrisburg has passed a bill appropriating \$575,000 for patching up the public buildings. The power of the commission to make contracts, however, is not limited. They can go over them to any extent deemed desirable.

A GROUNDLESS REPORT.

Mr. Editor: Will you please allow we a few lines to correct the report about the death of our child in last week's Reporter? I do not know who gave you your information, but he certainly did not give you a correct report. The child was not found dead in its

cradle; did not even die in its cradle, but in Miss Kate Alexander's arms. Mrs. Land had not retired at all that night, but was sitting up, watching it, when, about 3 o'clock, she noticed a sudden change for the worse. We at once called the doctor in, and it seemed for a time if it were going to brighten up; but soon after the doctor left it sank back into a stupor, and in spite of all we could do, died shortly after five o'clock, so, then, instead of waking up and finding it dead, we were working with it for at least two hours before it died, and were awake and noticed when the change took place. I do not understand how any one

could start a report so widely divergent

Congressman Scott, of Erie, is said by the Burlington (N. J.) Gazette to be wil-

ling to bet \$50,000 that President Cleveland will be renominated without serious opposition and re-elected at the proper time. Furthermore, he is said to be willing to wager a similar sum that the Republican party will make no presidential nomination after 1892. The theory upon which the last wager is to be laid is that another defeat will disinte-

grate the Republican party, which Chas. S. Wolfe insists is held together now only by the hope of a victory in 1888.

ENJOY LIFE.

What a truly beautiful world we live in! Nature gives us grandeur of moun-tains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satis-factory proof, that Green's August Flower, will make them free from disease, as when born. Dyspepsia and Liver Comwhen born. Dyspepsia and Liver com-plaint are t e direct causes of seventy-five per cent. of such maladies as Bilious ness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizzi-ness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its ronderful effect. Seven head the all its wonderful effect. Sample bottles, 10 cents. Try it.

FROM LIFE TO DEATH

is but a moment if rheumatism or neuralgia strikes the heart. These diseases are the most painful and the most dangerous of any to which human kind is liable. They fly from one part to another without a moment's warning, and liniments and other outward applications are in themselves dangerous because they are liable to serves dangerous because they are liable to drive the disease to some vital organ and cause instant death. Rheumatism and neuralgia are diseases of the blood, and can only be reached by a remedy which will drive from the blood the dangerous acids. Such a remedy is Athlophoros. It has been thoroughly tested and is a safe, sure cure. cure.

Spruce Creek, Pa., Oct. 5, 1885.

In answer to your request to know what your Athlophoros has done for me, I will say it has done wonderful work. I have suffered from rheumatism for eighteen years more or less, and sometimes not able o put my clothes on or eat alone. I took all kinds, doctored with a good many doc-tors, but nothing did me any good. I was getting worse instead of better. I read your advertisement in the "Demo-crat" and "Sentinel" papers of Louis-town. I have taken in all four bottles. I feel no pain. I was drawn crooked, but now I am straight once more. Thank you for the good it done me. Athlophoros is the medicine. PHILIP HARPSTER. Your medicine has cured me of neural-

gia. I suffered with it for three days, and gia. I suffered with relief. it gave me instant relief. WM. F. KINCH.

Palmyra, N. Y., August 19th, 1886. I used one bottle of Athlophoros for neu-ralgia after being laid up eight weeks. The result was very satisfactory. R. S. EDDY.

R. S. EDDY. Every druggist should keep Athloph oros and Athlophoros Pills, but where they can-not be bought of the druggist the Athlo-phoros Co., 112 Wall St., New York, will send either (carriage paid) on receipt of regular price, which is \$1.00 per bottle for Athlophoros and 50c. for Pills. For liver and kidney diseases, dyspepsia, in-digestion, weakness, nervous debility, diseases of women, constipation, headache, impure blood, &c., Athlophoros Pills are unequaled.
