

FARM NOTES.

THE ROOTS WILL GO TO MANURE.—It will be found difficult to place manure in an orchard or vineyard where the plants will not reach it.

IN GARDENS and green-houses, where boiling water can not be poured on, ant's haunts may be easily removed by using picked bones, which will be soon covered with ants, which will be destroyed in hot water.

PIGS luxuriate on cover and will do better on it than any other feed. If cut and thrown into the pen fresh twice a day, they will do better than to let them run in the patch, and they will not destroy near so much.

WHENEVER rhubarb throws out a great many leaves and the stalks are small and worthless, the roots should be dug up and transplanted, dividing them so that only one thrifty bud is left to each piece of root.

THE ST. JO BOOM.

A City of 60,000 That Will Number 100,000 in Twelve Months.

"Most remarkable statements are heard in every hotel lobby and on every railroad train about St. Joseph, Mo.," writes a correspondent. "A large amount of Kansas City, Chicago and St. Louis capital is being invested in St. Joseph real estate, and I hear that a number of large enterprises, employing thousands of men and with a capital that tops millions, have completed arrangements for moving, bag and baggage, to this new center of emigration."

"I met a St. Joseph man on a Wabash train to-day. He tells me that the immediate cause of the great boom is the extension of the Chicago, Rock Island and Pacific Railroad. This great system is making St. Joseph its Missouri River depot for its freight and stock traffic."

"LEND me a tannah, Jinks?" "What law?" "Why, to spend of cause." "Haw! I guess not. I can spend it just as well myself."

The following words, in praise of Dr. PIERCE'S FAVORITE PRESCRIPTION as a remedy for those delicate diseases and weaknesses peculiar to women, must be of interest to every sufferer from such maladies.

JOHN E. SERRA, of Millersburg, Pa., writes: "My wife had been suffering for two or three years with female weakness, and had paid out one hundred dollars to physicians without relief."

Mrs. GEORGE HERGEN, of Westfield, N. Y., writes: "I was a great sufferer from leucorrhoea, bearing-down pains, and pain continually across my back."

Mrs. E. F. MORGAN, of No. 71 Lexington St., East Boston, Mass., writes: "Five years ago I was a dreadful sufferer from uterine troubles."

These chronic weaknesses and distressing ailments peculiar to females, at the Invalid Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is a most perfect, safe, and valuable medicine, received from patients and medical physicians who have tested it in the most aggravated and obstinate cases which had baffled their skill, prove it to be the most perfect remedy ever devised for the relief and cure of suffering women.

NOT LAZY, BUT ARISTOCRATIC.—There was a wealthy globe trotter who lived at one of our hotels. He did not need to work. He had a most expensive suit of rooms and no end of extras.

"Ah!" he said, "Waiter, I want another cup of tea." "Certainly, sir," said the waiter and he calmly walked to the table, took up the teapot and poured the tea into the cup.

"Thank you," said the Englishman, and went on with his breakfast. "Not INVESTED.—He had been courting her for six months without coming to the point, when she turned on him one evening with: "Charles, isn't it awful for a girl like me to have to worry over how I shall invest \$75,000?"

"I'll invest that \$75,000 for you, my dear," he observed a day or two after the marriage. "Oh, I was afraid some one might love me for my money and I gave it to papa," was the artless reply.

"MILLIE, dear, what is the name of your affianced?" "Why, Clara, don't you know? It's Herbert Montague." "Oh, how sweet! Is he rich?" "Well, oh!"

"And keeps a carriage?" "Several of them." "How nice! And fine horses, I suppose." "Yes." "And what is his business, dear?" "He keeps a livery stable."

"Will you trust me, Fannie?" he cried, passionately grasping her hand. "With all my heart, Augustus, with all my soul, with all myself," she whispered, nestling on his manly bosom.

"Would to Heaven you were my tailor," he murmured sotto voce, and tenderly took her to his arms. "Who is the god of battles?" asked a teacher of the class in mythology. "Mar," answered little Johnnie Henpeck. "Mars, you mean, Johnnie," corrected the teacher. "No, I don't, neither. I only got one mar."

PROMPT RESPONSE.—Pedagogue—"What is a shepherd?" "The class do not respond." "I suppose you are all lambs—that is, little sheep—what am I?" Tommy—"The biggest sheep."

As a soothing and strengthening nerve, "Favorite Prescription" is unequalled and is invaluable in allaying and relieving nervous irritability, exhaustion, prostration, hysteria, spasms and other distressing nervous symptoms.

Dr. Pierce's Favorite Prescription is a positive cure for the most complicated and obstinate cases of leucorrhoea, or "whites," excessive flow of monthly periods, painful menstruation, uterine displacements, prolapsus or falling of the womb, weak back, "female weakness," antivenereal, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

JEALOUS DOCTORS. A Marvelous Cure.—Mrs. G. F. SPRAGUE, of Crystal Mt., writes: "I was troubled with female weakness, leucorrhoea and falling of the womb for seven years, so I had to keep my bed for good part of the time."

Mrs. MAY GLEASON, of Nunda, Ontario, Co., Mich., writes: "Your 'Favorite Prescription' has worked wonders in my case. Again she writes: 'Having taken several bottles of the 'Favorite Prescription' I have regained my health wonderfully, to the astonishment of myself and friends. I can now be on my feet all day, attending to the duties of my household."

EVERYONE SPEAKS WELL OF IT. Rochester, N. Y., March 28, '83. For many years I have been troubled with severe pains in the back of my head and neck, the pain being so severe at times that I was nearly insane, and my friends feared that I would be. Lumps as large as a hickory nut would swell up on my forehead and neck.

A short time ago I was afflicted with rheumatism so badly that I could not move. My hands and limbs were all swollen. One leg was so badly swollen that it burst the skin. The Sheriff of my county advised me to try Dr. Pardee's Rheumatic Remedy, and bought me a bottle. After taking the remedy one day I felt relieved, and in less than two weeks I was able to go to work and have not felt rheumatism since. Three bottles cured me, and I recommend it to all who are suffering from rheumatism. CHAS. ROBILLARD.
