## LOCAL ITEMS.

- Rain all day Monday.

---Tuesday also was a damp day. -The cherry crop will be a failure in this county.

-Messrs. Al. Wieland and Henry Kreamer are nursing boils. -Cut worms are damaging the

wheat crop in York county. -Samuel Diehl, of Aaronsburg, is a Republican candidate for Sheriff. -The Millheim band is only 13

years old, as per the Journal, and not 22 as given by us. -Mr. J. Hale Ross, the merchant of Linden Hall, gave our sanctum a pop

visit on Tuesday. -School boards of the township and boro met on Monday last to settle up accounts of the last year.

-- On last Saturday afternoon about twenty-five of our young folks picniced on top of Nittany mountain.

-Miss Sallie Hasg, one of Williamsport's young ladies has been visiting Miss Anna Dinges the past week.

-Mr. Christain Platt, of Gregg, called in to see us this week and continue his subscription to the REPORTER. The college cadets broke camp

on last Saturday evening and hied themselves back to their studies. -Dr. Radcliffe, of Philadelphia, last

week, operated on George Emerick, of this place for cataract on the eye. -The wet weather of the past week

will soon turn up as thick as ever. -Hurry up the board walk, and have something to put out a fire since our excellent water board has its works in

such fine trim. -There were more colds caught in

the Redmill dam, last Saturday, than fish. One would scarce think that a dam had so many colds. -Some of the crossings put down in

this place might as well be smoother, instead of being so very rough; most of the crossings?

burg was in town on Tuesday evening. Ed. is engaged in the implement business in his section and has built up a large trade in the last few years. -Subscribe for the REPORTER, al-

ways tune to Democracy and the public interests, and the faithful exposer of swindles and swindlers, of whatever kind they are. The REPORTER has an unblemished and unassailable record. -Mr. James Noll a member of the senior class at Franklin and Marshal

college at Lancaster is spending part of his senior vacation at his home at Pleasant Gap. Jim delivered the memorial address at his bome this year and acquitted himself in good style. -The base ball fanatics now have

games being played by the "hig gun" ballists. Each one has a favorite club picked out, and the record is as closely watched as a broker would keep an eye single to the stock market.

-- In the graduating class at Franklin and Marshall college, at Lancaster this year, a Centre county boy comes in for honors. The young man is Mr. Geo. L. Roush, of Madisonburg, who holds second rank in his class of some twenty members. Mr. Roush prepared for college at this place several years ago un-der Prof. Hosterman, and is a young man of ability.

—The Canada thistles, on the pike near the station, should be looked after by the boro' authorities, who claim control over the streets, and this comes under their duty. While giving this notheir ground prevent it from coming to

10th the Methodists will celebrate the ism in Centre county on a grand scale. Bishop Andrews of Washington and many other dignitaries of the church will be present and the occasion will be mittee on the state of the church. one of interest to our people. The first sermon preached by a minister of that denomination in the county was

at Curtins works on July 10th 1787. -We are informed that a carload of Champion binders, shipped from the The Hessian fly has destroyed at least factory in Indiana, to Coburn, and in two-thirds of the entire eron of Clinton tended for farmers in the lower end, had been boycotted. It appears that the and little wheat will be sown this fall hands, in the Champion works are on a All other grain is thriving. strike, and when the car was shipped, the Knights of Labor had some of their

### A WET SPELL.

The frequent dry spells of weather, during the last five or six weeks, led many to believe that the atmosphere for him to get along. was not freighted with the same quantity of moisture, as in days of old, and that rains were becoming less every year in consequence. Many felt alarm on this account and feared that the effect upon vegetation and crops would be disastrous. These phenomena are simply temporary, and have occurred in all times, and will be repeated in the future. The quantity of moisture will always be the same, and the rainfall of one quarter century will be found the same as that of any preceeding twenty-five years. Nature will regulate berself in this regard, altho' we mortals may not be able to see through

ber workings at all times However, the wet spell we have had in the last two weeks, with a shower or two each day, may tend to dispel any delasion formed, from the occurring droughts in the last six years, that the rain was going to be deficient and things generally in a few years, were bound to dry up. The sea, which feeds the clouds, just as deep now as it was one thousands years ago, and evaporation naturalwill be just the same, and also the rainfall to return the moisture to the earth and sea again, and thus it will go on, a of the REPORTER need fear a diminution and our freinds of the temperance perwant of water to drink, and that that it need be adulterated with whisky.

COMMENCEMENT WEEK, JUN 26-30, 1887, AT STATE COLLEGE.

Sunday, June 26: 3 o'clock p. m., Bac-calaureate Sermon, by the Rev. William H. Cambell, D. D., of New Brunswick,

things about us are respectable, why not traveled through portions of that valley, e crossings?

— Mr. Edward Krumrine of Lewis- weeks the Hessian fly has been getting new law there will be no bounty allowed. in its work so effectually that many fields for the killing of foxes, minks, hawks, are almost devastated. One farmer who owls and weasels and reduces the premithree weeks ago thought he could harvest 1,500 bushels of wheat says he will be thankful if his crop amounts to 200 bushels. The farmers are despondent over their crop prospects, and the probability is that but little wheat will be sown this fall. The Hessian fly does not work on rye or other grain. The fly is also doing harm in Penns valley, but not to the same extent as across the moun-

# ROCHESTER CLOTHING HOUSE.

Mr. M. Fauble, formerly with S. & A. Loeb, Bellefonte, has opened a new clothing house in Ammerman's Block, their hands full keeping the run of the Bishop street, Bellefonte. Mr. Fauble makes a specialty of the celebrated "Rochester Clothing," which is considered by merchants and the public, to be the best article in ready made godos. His stock has been received and is brand new in every particular. Along with clothing is a complete line of gents furnishing goods, hats, collars, shirts, underclothing, trunks, satchels, etc. Mr. Fauble invites his many friends in Penns Valley to call on him at his new stand and promises to give them better bar-

# AT OMAHA.
