WOODLANDS,-The first step should be to remove all worthless varieties, and to encourage the valuable sorts to take their place. Stock should not be allowed to run in wood lots for purpose of forage; there should be a careful guard against fire; seeds should be planted in vacant places of such varieties as are most desirable; shoot of inferior varieties should be kept down, and valuable sorts should be trimmed up, so that they may grow tall, forming trunk rather than branches.

A cow which receives every day at morning, noon and night, an ordinary waterpailful of water, slightly warmed and salted, in which bran has been stirred at the rate of one quart to two gallons of water, will give five per cent. more milk immediately under the effects of this drink; and she will become so attached to it as to refuse to drink clear water, unless very thirsty. A MINNESOTA farmer has been experimenting on the cost of keeping sheep, and concludes that they are an exceedingly profitable adjunct to his farming operations. He says it is safe to say that the increase of his flock will cover the cost of keeping it, leaving the wool for clear profit; or the keeping may be charged against the wool, which will not exhaust it all, leaving the lambs a clear profit.

I took Hood's Sarsaparilla and soon began to sleep soundly; could get up without that tired and languid feeling; and my appetite improved." R. A. SANFORD, Kent, Ohio.

Chronic Diarrhea Cured.—D. Lazarre, Esq., 275 and 277 Decatur Street, New Orleans, La., writes: "I used three bottles of the 'Golden Medical Discovery,' and it has cured me of chronic diarrhea. My bowels are now regular."

GENERAL DEBILITY.

Mrs. Parmelia Brundage, of 161 Lock Street, Lockport, N. Y. writes: "I was troubled with chills, nervous and general debility, with frequent sore throat, and my mouth was badly cankered. My liver was inactive, and I suffered much from dyspepsia. I am pleased to say that your 'Golden aliments and I cannot say enough in their praise I must also say a word in reference to your 'Favorite Prescription,' as it has proven itself a most excellent medicine for weak females. It has been used in my family with excellent results."

Dyspepsia.—James L. Colby, Esq., of Yucatan, Houston Co., Minn., writes: "I was troubled with indigestion, and would eatheartily and grow poor at the same time. I experienced heartburn, sour stomach, and many other disagreeable symptoms common to that disorder. ## "THE BLOOD IS THE LIFE."

Thoroughly cleanse the blood, which is the fountain of health, by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, and bodily health and vigor will be established.

Golden Medical Discovery cures all humors, from the common pimple, blotch, or eruption, to the worst Scrofula, or bloodpoison. Especially has it proven its efficacy in curing Salt-rheum or Tetter, Fever-sores, Hip-joint Disease, Scrofulous Sores and Swellings, Enlarged Glands, and Eating Ulcers.

INDIGESTION

BLOTCHES.

Rev. F. Asbury Howell, Pastor of the M. E. Church, of Süverton, N. J., says: "I was affilicted with catarrh and indigestion. Boils and blotches began to arise on the surface of the skin, and I experienced a tired feeling and duliness. I began the use of Dr. Pierce's Golden Medical Discovery as directed by him for such complaints, and in one week's time I began to feel like a n w man, and am now sound and well. The 'Pleasant Purgative Pelicts' are the best remedy for billous or sick headache, or tightness about the chest, and bad taste in the mouth, that I have ever used. Skin Disease.—The "Democrat and News," of Cambridge, Maryland, says: "Mrs. ELIZA-ANN POOLE, wife of Leonard Poole, of Williamsburg, Dorchester Co., Md., has been cured of a bad case of Hozema by using Dr. Pierce's Golden Medical Discovery. The disease appeared first in her feet, extended to the knees, covering the whole of the lower limbs from feet to knees, then attacked the cloows and became so severe as to prostrate her. After being treated by several physicians for a year or two she commenced the use of the medicine named above. She soon began to mend and is now well and hearty.
