FACTS YOU CAN BET ON. That the oldest and largest tobacco factory in the

world is in Jersey City, N. J. That this factory makes the popular and worldfamed Climax Plug, the acknowledged stand-

ard for first-class chewing tobacco. That this factory was established as long ago as

That last year (1886) it made and sold the enormous quantity of 27,982,280 lbs, or fourteen thousand tons of tobacco.

That this was more than one-seventh of all the tobacco made in the United States notwithstanding that there were 966 factories at work. That in the last or years this factory has helped support the United States Government to the extent of over Forty-four million seven hundred thousand dellars (\$44,700,000,00) paid into the U. S. Treasury in Internal Revenue

That the pay-roll of this factory is about \$1,000,-000,00 per year or \$20,000,00 per week.

That this factory employs about 3,500 operatives. That this factory makes such a wonderfully good chew in Climax Plug that many other factories have tried to imitate it in vain, and in despair now try to attract custom by offering larger pieces of inferior goods for the same price. That this factory nevertheless continues to increase

its business every year. That this factory belongs to and is operated by

THE WEEKLY PRESS OF PHILADELPHIA, PA.

Subscription per year. THE BEST HOME PAPER IN AMERICA.

This is not brag.
It is a plain statement of an honest fact.
Ordinarily the weekly issue of a daily paper is esteemed to be merely a digest of the week's news, suited along for rural readers.
This is not true in reference to the WEEKLY This is not brag.

PRESS.

It is specially edited by a trained corps of writers selected for the purpose of making the

It is specially edited by a trained corps of writers selected for the purpose of making the best paper.

It is adapted to the improvement and enjoyment of both sexes, of all ages, of every family whether a resident of the city, village or country. Not a word of crime or impure suggestion in any part of the paper.

It is an old paper and carries its age and reputation equally well.

Now we are seeking a new and larger circle of readers. As an inducement to this end the Weekly Press in connection with any four dollar magazine in America will be sent for the single subscription price of such magazine.

Or, on application, we will make a special combination of any two or more periodicals published in America, either weekly or monthly, in conjunction with the Weekly Press at such low rate as will be equivalent to a year's subscription to the Weekly Press free for one year.

Or, we will send the Weekly Press, subscription one year, \$1.00, and Bellefont Erreublican, subscription one year, \$2.00 both, one year, one subscription price, \$2.00.

We make these exceptional propositions in order that the Weekly Press may go on trial in a million households for an entire year.

Sample copies furnished free on application.

The judiciary committee is reduced in numbers from ten to nine by the retirement of McMillan, whose place is not filled. The list has been handed to Mr. Beck chairman of the democratic caucus, who has called a democratic caucus for Monday morning at ten o'clock.

Decision in a Famous Insurance Suit. ELMIRA, Dec. 11.-The referee in the famous Arnot litigation rendered his decision yesterday in favor of the Arnots. In February, 1853, the Arcade building on Lake street, this city, was burned. It was well insured in the Ætna, Continental, Phoenix, Montauk, Fireman's Friend, Hamilton and Manufacturers and Builders'. The Ætna paid its share, but the others refused to pay in full. The Arnots are wealthy and prepared to fight. The litigation has been complex and tedious. It was finally referred to A. Hadden, a lawyer of Corning. To-day he rendered his decision, awarding the Arnots \$40,000 insurance and interest, and placing \$20,000 costs on the insurance companies.

GOVERNMENT CROP RESORYS. Corn Much Higher Than Last Year--Little

Difference in Wheat. WASHINGTON, Dec, 11 .- The December statistical report of the department of agriculture relates mainly to farm prices of agricultural products. The average value of corn is 43.8 cents per bushel, against 36.6 last year and 32.8 in 1883. In 1881 it was 63.8, when the estimated product was 1,194,916,000 bushels, The difference is largely due to a general depression of values. The prices respectively in 1881 and 1887 are 61 and 48 in Ohio, 60 and 45 in Indiana, 38 and 41 in Illinois, 44 and 34 in Iowa, 65 and 37 in Missouri, 78 and 67 in Kansas, and 39 and 30 in Nebraska. Prices in the Gulf states average lower than last year, resulting from a nearly full home supply In the Atlantic states prices of home-grown

corn are only slightly advanced.

The average value of wheat is 69 cents, only three mills higher than the average last year. It is 82 in New York, 61 in Penn sylvania, 74 in Michigan, 78 in Ohio, 72 in Indiana, 70 in Illinois, 64 in Wisconsin, 62 in Missouri, 81 in Iowa and Kansas, 59 in Minnesota, 53 in Nebraska, and 52 in Dakota. The average for oats is 30.7 cents, against 29.8 last year Barley averages 52.2 instead of 53 last year. Buckwheat 56,1 or 1.7 cents

higher than last year. The cereal averages for the entire country differ very slightly from those of last year, except to corn. The value of potatoes is greatly enhanced being 68.5 cents against 45 last year. It is higher than for seven years, except in 1881 The value of hay is much increased. It averages \$9.34 per ton, against \$7.36 last year. The advance has been in the drought area of the west.

Cotton values are about half a cent higher than in December last. The average lantation prices by states are as follows: .7 cents per pound for the states of the Atlantic coast, 6.6 for Alabama, Mississippi and Louisiana; 8.5 for Tennessee and Arkansas, and 8.3 for Texas.

AFTER MEXICAN BANDITS. Hundreds of Troops in the Field Trying

to Capture the Outlaws. Nogales, Arizona, Dec. 11.—Frequent raids and murders by the notorious Mexican bandit. Bernal are causing increased alarm. The Mexican government is making strenuous efforts to effect the capture of Bernal and his little army. Almost all the troops of the states of Sonors and Sinolos and also large bodies of citizens are in the field. The troops surprised the bandit camp, but were forced to retreat. Another attack was made, when several bandits were killed and three wounded. Bernal's army was divided into two or three parties.

It is thought the bandit chief is not now with his forces, but in hiding, though still manipulating the movements of his men. It is believed that the troops have now hedged in most of his men, and a report of a desperate battle is hourly expected. Nearly the whole of Sonora is up in arms, and much excitement prevails These ban dit outlaws have given the Mexican government more trouble and are calling more troops in the fields than the Apaches ever did. It is estimated that Bernal's army has killed nearly 2,000 people during the last year, and destroyed more than one hundred

Hurled Headlong to Death.

WILKESBARRE, Pa., Dec. 11 .- A report has just reached here of a frightful accident at Luxerne borough, four miles from bere. The carriage at Waddell's shaft, used for hoistins coal, was about to be lowered into the pit, 300 feet deep. Upon it were ten miners. When within one hundred feet of the bottom the cariage became stationary and the rope began to slacken. Before th. engineer could take up the slack the carriage suddenly descended with great force, throwing four of the men off, who fell to the bottom of the pit. Prohibition in Indiana.

INDIANAPOLIS, Dec. 11 .- Prohibition is beng enforced in Angola, Ind., in a novel way. The commissioners of the county are temperance men and there is strong opposition in the town to the sale of liquor. Several men have applied for saloon license and in each case the citizens have presented remonstrances to the commissioners and they have refused to grant the license. The saloonkeepers, with the aid of several lawyers are endeavoring to compel the commissioners to issue licenses to them. The preliminary trial of the case was in progress for three days in the presence of a large crowd, and ended by a decision in fevor of the citizens. The saloonkeepers will appeal to the supreme court.

Strong Vein of Natural Gas. LYONS, N. Y. Dec. 11 .- People in the village of Penn Yan, Yates county, are excited over the finding of an unusually merce consmittee, made by the retirement strong vein of gas in that place. William Townsend was boring a well, which had reached a depth of only fifty feet when the gas vein was pierced. Yesterday afternoon a pipe was driven into the earth and the on the finance committee; Dolph takes escaping gas was lighted. A flame burst several feet into the air and made a loud roaring sound, and the heat from the flame was intense. Several gas wells will be immediately sunk in different parts of Penn Yan by enthusiastic citizens, and pipes will be laid throughout the village for heating and lighting houses and business places.
