THE NEWS CONDENSED.

NO. 2

A Brief Mention of All Events of Interest That Have Filled the Telegraph

Columns of Daily Papers for the Past Week.

Isaac Merrick shot his fifteen-year-old adopted daughter, Sadie Harrigan, and then sent a bullet through his brain at Camden, N. J., on Saturday last.

The codfish and herring catch this season

peared

A rise of water in the Monongahela River Saturday enabled coal shippers to send down the Ohio river 11,000,000 bushels of coal which had been locked up five months. Five thousand idle miners will resume work.

Moral Miss Susie Ragnon, daughter of a hotel proprietor at Jeffersonville, Ind., disap-peared Saturday morning. It is supposed she has gone to meet E. G. Wood, of Hamil-ton, Ohio, whose attentions were resented by Miss Susie's parents.

Charles Liggett and his brother-in-law, Kent, quarrelled Friday at East Bend, Ky., when Kent attacked Liggett with a corn knife and almost severed his head from his

purposes.

In a coasting accident Friday night at Torrington, Conn., Miss Kittie Miller had a hip broken and Miss May Merriman and Will Cooper were badly bruised.

A tramp who had been sick for three days in the lockup at Birmingham, Conn., was discovered Saturday to be suffering from smallbox.

John Neville was caught in a snow slide near Glenwood Springs, Col., a few days ago, carried down the mountain side several hundred feet and killed.

Two freight trains collided on Friday at Meigs, Ga. Both engines were demolished and two car loads of mules were burned. One train was off schedule time.

Secretary Lamar Saturday tendered to the President his resignation as Secretary of the Interior, and it was accepted by the President. The formal resignation, it is understood, will not go into effect until noon of Tuesday in order to enable the secretary to close up some routine business.

Coal and salt were found on Saturday while boring for natural gas at Winfield, Kan.

I. G. Rawlins, was thrown by his horse near Versailles, Mo., on Saturday and was instantly killed.

Rev. Samuel G G. Smith, D. D., ate of the Methodist Church, has established a people's church at St. Paul, Mina. Its gov-ernment will be by laymen entirely.

Frank McCarthy, a former employe of the Cambridge Street Railway Comp ny, Bos-ton, Mass., was convicted last September of firing a "stone at one of the Cambridge cars during the strike last February. It was shown in evidence, however, that threw a billet of wood, which caused the damage. Exceptions were taken to the Supreme Court, and Saturday the full Bench sent down a docision sustaining the defendazt. The first satisfactory observation through the Link telescope was made Sat-urday evening at nine o'clock. The sky was clear and the weather cool. The big telescope was at first pointed at the nebula in the constellation Orion, which appeared to Messrs. Clark, Swazey, Keeler and Floyd more magnificent than ever before. About eleven o'clock Saturn was also ob-served with satisfaction. Only medium power was used and the observation closed about midnight. Work on the photographic lens will immediately proceed. The first satisfactory observation
