THE TARIFF ON WOOL.

Californians Think it Will Be Beneficial

if the Industry Continues to Decline. SAN FRANCISCO, Jan. 14 .- The people of California, because of their State's annual wool clip of 35,000,000 pounds and more, are deeply interested in the changes in the wool tariff recommended by President Cleveland. The opinions of those most concerned are divided, and many think that it would be beneficial to the State if the industry should continue to decline even more rapidly than it has for the last few years. They think that the vast number of acres devoted to sheep ranches would be more profitable if turned into small farms. The Examiner has interviewed a number of men, representative of both the wool-growing and the wool-manufacturing interests, and has found that the division of sentiment does not follow the class line.

Of the wool merchants some oppose any change on the ground that if the tariff is taken off the markets will be flooded with Australian wool. Others say that a change would result as did the reduction of the tariff on Hawaiian sugars, and that wool growers would be benefitted. Of the manufacturers some favor the admission of wool free on the ground that a large quantity of Australian wool of a quality not produced in this country must be used, and if this is admitted free the manufactured article will come cheaper, while there will be no interference with the wool-growing interest. Others add to this that the pres. ent tax prevents the manufacturers from entering foreign markets. The more common opinion among wool growers is that any interference with the present tariff would be disastrons to them

Petitioning For a Government Telegraph. PHILADELPHIA, Jan. 15 .- For almost two weeks petitions by the score and hundred have been flowing in daily from all sections of the country like a great deluge up-on the general headquarters of the order of Knights of Labor in this city. They are the expressions of thousands and thousands of workmen and members of the Knights' organization in favor of the erection by the United States Government of a national telegraph system, to counteract the manifold evils of teegraph service controlled by giant motopolies, and they will eventually be sent to Congress to test the strength of a popular clamor for the establishment of a public institution. The petitions contain upward of 500,000 names.

Hog Disease Prevalent in New Jersey. MIDDLETOWN, N. J., Jan. 16 .- There has been considerable sickness among the hogs owned by farmers in this vicinity. Wn. W. Connor of Red Bank, has lost seventy hogs out of a herd of 100. Last week Louis Heiser, who lives two miles from Mattawan, lost nine hogs, weighing 150 pounds each John Stemler and several other farmers of that neighborhood have had a large number of hogs sick in the same way, but not so badly as to be attended by fatal results. The animals at first refuse to eat or take only thin liquid food, which they do not seem to digest; then they become weak in the legs, so that they are unable to walk, and finally die of starvation.

The New Jersey Knights Revolt. noon. They organized an assembly of the signers. Improved Knights of Labor." Speeches were made denouncing Powderly and all the rest of the Executive Board, and a number of resolutions exposing the wrongful acts of these men were laid over until next Sunday. It is expected that these reso lutions will create a big sensation. The object of the new order is to bring about closer relations between capital and labor, oppose strikes, prevent blackmail of manufacturers and establish arbitration as the only means of settling labor troubles.

The Lasters Strike,

NORTH ADAMS, Mass., Jan. 16 .- The extensive strike in the shoe shops here will assume another phase to-day. The Sampson Manufacturing Company on Friday pur-chased three new and improved lasting machines, which it is alleged, can do the work for the entire shop and require only twelve men to operate them. The work of setting up these machines was begun to-day, and by the middle of the week, it is expected they will be in operation, thus cutting off effectually the strikers' hopes of effecting a settlement. The feeling here seems to be that the lasters acted hastily in going out.

The Federal Court Without Funds. TRENTON, N. J., Jan. 14.-The approprial tion for carrying on the United States courts in this city is exhausted. The winter term of court opens on Tuesday, but it is expected that it will not continue for longer than that day. The Federal courts have had to suspend several times before on this account, and the prisoners were kept in jail an unnecessary length of time. Congressman Buchan of this city has decided to urge Congress to consider the matter.

Fourteen Rounds With Bare Knuckles. SCOTTDALE, Pa., Jan. 15 .- A bare knuckle prize fight took place near Conneilsville at day light this morning between James Melton, alias Jem Smith, of New York, and Michael O'Mailey, of Youngstown, O. Melton had the best of the fight from the start, and in the fourteenth round knocked his opponent out. The mill was for the gate receipts, and was witnessed by about 200 persons. Both men were budly punished.

Can't Convict Spiritualists.

Boston, Jan. 16.—Judge Bacon, of the Superior Court, has sustained the defendant's motion to squash the indictment against Charles R. Ross for obtaining money by trickey. Loss is a spirit medium, and was complained of by a number of persons who had paid to witness seances at his place on Court street. There is no statute under which he can be convicted.

Resignation of Rev. G. L. Walker. Hartford, Conn., Jan. 16.—The Rev. Dr. George Leon Walker, pastor since 1879 of the Old Centre Congregational church here, surprised his congregation by reading a letter of resignation. The reason for his action is his poor health.

Burglars Working in Pittsburg. PITTSBURG, Jan. 16 .- W. C. Bernardi's large dry goods establishment on the south side, was entered by burglars last night, who carried off a show case containing \$7.0 worth of jewelry and fancy goods,

Canadian Firebugs Get Long Terms. BROCKVILLE, Ont., Jan. 16 .- Judge Mo-Donald at the Assizes has taught the Irish Creek firebegs a severe lesson, sentencing McDonald to twenty years in the penitentiary and Lee to seven years.

He Leads All Others in that State-Lincoln for Second Place.

CONCORD, N. H., Jan. 14.-Queries as to their first and second choice for President and Vice President, and also as to whom they consider the most available candidate in the doubtful States, were sent to 500 active Republicans of New Hampshire. Of 263 answers to the first question James G. Blaine is named as the favorite for President by 129; John Sherman by 39, Robert Lincoln by 12, Gen. Sheridan by 12, Senator Edmunds by 15, Roscoe Conkling by 15, Senator Hawley by 5, Senator Harrison by 6, Senator Allison by 2, Gen. Sherman by 3, and Senators Hoar, Evarts, Blair and Judge Gresham have I vote each, while four say "any Republican except Blaine." Of the 129 Blaine men 43 name for Vice-President Lincoln, 22 Harrison, 5 Depew, 3 Blair, 5 Ingalls, 4 Allison, 3 Hiscock, 3 Fairchild, 2 Chandler. Most of the Conkling men would select as Vice-President Robert Lincoln or Ingalis, and the Edmunds men prefer Harrison, Sherman or Lincoln.

In answer to the third question one says: "Cleveland cannot be beaten." Others are divided as to the strongest candidate as follows: For Sheridan, 73; Sherman, 42; Blaine, 38; Lincoln, 19; Hawley, 9; Harrison, 7; Depew, 3; Edmunds, 4; Evarts, 3; Blair, 3; Chief Justice Waite, 2; Foraker, 2; Gen. Anti-Polygamous Mormons,

SALT LAKE CITY, U. T., Jan. 16 .- In the House of Representatives Saturday afternoon, Mr. Hoge, Gentile, introduced a bill providing for the punishment of bigamy and polygamy in Utah, and virtually re-enacting the Congressional legislation on those subjects. The bill was referred to the Committee on Judiciary. Representative King, Mormon, introduced a similar bill, which was read by its title and referred to the same committee. This move-ment was made by the Mormons to put themselves on record as being in earnest when they last summer adopted a constitution containing an anti-polygamy clause. So anxious are the Mormons for statehood that there is little doubt as to the passage of the

Socialist Recruits for Chicago. CHATTANOOGA, Jan. 15 .- A man named Barneau, from Fort Wayne, is in the city to get Socialist recruits to go to Chicago. He has succeeded in enlisting ten men, who, it is alleged, have been supplied by the Socialist clubs of Chicago with railroad tickets and sixteen dellars in cash apiece to go to that city. Barneau asserts that he was present at the Haymarket riot, and says the Chicago Socialists are adding to their numbers recruits from all over the country. He has left for Birmingham, where he expects to obtain not less than twenty or thirty men. He says that there will be a terrible Socialist uprising in Chicago in less than ninety days.

The B. and O. Syndicate Defeated. BALTIMORE, Jan. 16 .- There was not a quorum of stock represented at the Baltiore and Ohio meeting Saturday, and as only three days from the date of the Directors' meeting are allowed in which the Stockholders may confirm a new issue of stock, and these three days have expired, the fate of the proposed issue of \$5,000,000 is now settled. The syndicate acknowledge defeat, and the matter will be dropped.

St. Paul, Jan 13.-Gov. McGill, in an interview said: "I have to say that I have great respect for Mr. Lamar personally, but I do not believe it good policy to place any man in the exalted position Judge of the Supreme Court who within the last twenty-five years was in command of armed men intent upon destroying our national government.
