INDIAN RESERVATION OPENED.

The Montana Reservation Bill having now become a law opens for settlement four millions acres rich farming lands in the well-known and long coveted Milk River Valley, also large areas of excellent grazing country on the surrounding uplands. This portion of Montana, besides its agricultural resources being rich in minerals with an abundance of coal. is attracting wide spread attention as is shown by the number already settling there. C. H. Warren, Gen. Pass. Agent, St. Paul, Minn., has issued for free distribution, an excellent Map, and a pamphlet with other information regarding this cnuntry. Low rates are now being made to Great Falls for those desiring to explore this new country.

A ben owned by W. S. Farquar, of Chattanooga. Tenn., laid an egg the other day about the size of a goose egg, which contained a perfect yolk, and white, and also an ordinary hen's egg, fully developed, shell and all.

GOING WEST.

The general interest that has been taken in the opening of the Montana Indian Reservation is shown by the large number of people who have already gone to Great Falls to investigate the mineral and agricultural resources of that wonderful country. The low ex-cursion rate announced by C. H. Warren, Gen. Pass. Agent of the St. Paul, Minneapolis & Manitoba Railway, makes the expense of exploring this country merely nominal, and will un-doubtedly result in a still larger number following
