NEW YORK, Oct. 20.-The fifteenth annual convention of the National Woman's Christian Temperance union began yesterday morning in the Metropolitan Opera house. There were about 400 delegates present, representing every state in the Union. Over fifty American flags hung from the boxes and tiers. The stage was decorated with banners appropriately inscribed with words familiar to temperance workers.

Shortly after 9 o'clock the devotional exercises, led by Mrs. S. M. J. Henry, of Illinois, chairman of the evangelistic board, were conducted.

After the prayer the popular president of the W. C. T. U., Miss Frances E. Willard, called the meeting to order. In a short speech she stated the objects of the convention, and called upon all the delegates to render all the assistance in their power in carrying on the work of the meeting.

At the evening session the house was crowded, despite a pouring rain. It was estimated that 5,000 women were in the building. President Willard called the convention to

order. Mrs. J. T. Mills, of New Jersey, conducted the opening exercises, Mayor Hewitt's appearance on the stage aroused a demonstration. The mayor was introduced by Miss Willard as a "great and good man," and made a felicitous speech, welcoming the ladies to New York, eulogizing their work, declaring his opinion that the world is getting better every day, announcing himself as a friend of temperance, regardless of his need of votes just now, and crediting the women with most of the good that was being and had been done in the world. His honor was liberally applauded.

Gen. Clinton B. Fisk responded to loud calls of his name and made a strong speech, though he is almost ill.

Ex-Governor St. John then made a brief speech, which was greatly applauded. Professor Samuel Dickie, of the executive com-mittee of the Prohibition party, also spoke. The last and undoubtedly the best speech of the evening was made by Mrs. Mary T. Lathrop, president of the W. C. T. U. of Michigan, whose beauty, eloquence and logic captured the hearts and minds of all present as she outlined and championed the purposes of the W. C. T. U. The meeting adjourned at 11.

NEW YORK, Oct. 22 -The Sunday services of the Women's Christian Temperance union attracted a large audience at the Metropolitan Opera house yesterday. President Willard opened the morning meeting with prayer at 10:30, and Mrs. Elizabeth Greenwood, of Brooklyn, preached an interesting sermon. The afternoon meeting was addressed by Mrs. Francis L. Swift, of Pennsylvania; Dr. Kate Bushnell, of Illinois; Dr. Mary Allen, of New York; Mrs. C. H. Harris, of New York; Miss Willard and Mrs. Ramig. In the even-ing Rev. Anna H. Shaw, of Illinois, and Bishop Fallows, of Chicago, spoke. A large portion of the day's addresses were devoted

to the question of social purity and the White Cross society's work. NEW YORK, Oct. 23 .- The women of the Women's Christian Temperance Union convention yesterday emulated the example of the sterner sex when election is in order. All through the opening exercises the fair wirepullers were in little groups throughout the lobby talking for their pet candidates with all the zeal of second term politicans. The woman who offered the opening prayer (which the lobbyists did not hear), petitioned that the spirit of truth might descend and abide in the hearts of the reporters. When the ballots cast for the president were counted it was found that Miss Willard had received an almost unanimous re-election, 369 out of the 400 ballots being cast for her. Two ladies led her back to her chair, and the whole convention rose to greet her. Over 4,000 dainty white signals fluttered from boxes, parquet and balconies, which display was followed by the clapping of twice as

How Mr. Betts Received the Burglar. FAIRFIELD, Conn., Oct. 22 .- The burglar alarm in Mr. Betts' house rang, warning him that burglars were robbing his store. He immediately arose, and, taking his gun, went to his store. He found a man on the outside with a wagon, in which he was loading goods passed to him by some person inside. As he approached the burglar warned him to keep away or he would shoot. Betts, however, leveled his own gun and fired twice, both shots taking effect. He then rushed on the burglar and clubbed him with the stock of the gun. The wounded burglar was then loaded into a wagon and taken to the Bridgeport police station, where his wounds were examined and pronounced fatal. It was learned that the burglar was Charles Carey,

of Philadelphia.

An Auger Hole that Netted \$50,000.

MINNEAPOLIS, Minn., Oct. 20 .- The ingenious method by which the big wheat steal was accomplished has been explained. Holcomb, who took most of the wheat, substituted a board with an auger hole in it for one in the chutes, and as the wheat rushed to the bin a large quantity fell through the auger hole into Holcomb's bin, which was located below the large elevator. When he obtained a sufficient quantity he loaded it in a car and hauled it away. He divided with his confederates, but his share is supposed to be at least \$50,000. D. C. Moak, one of those implicated in the steal, writes that he will not return to Minneapolis.

The World's Potato Crop.

SPRINGFIELD, Mass., Oct. 18.-The New England Homestead has full returns of the potato crop of the world, and says the yield in New England is fair average, in New

York below average, in the west not a full crop, in the provinces, Nova Scotia and Prince Edward Island, large, in Europe very short. The Homestead says farmers are inclined to hold their potatoes for better prices, but it advises them not to do so. The price is now about sixty cents per bushel, and The Homestead thinks the advance will be very gradual and not over seventy-five cents will be reached.
