## OH! MY HEAD.

The pain from Neuralgia and its companion disease Rheumatism is excruciating. Thousands who could be quickly cured are needlessly suf-fering. Ath-lo-pho-ros will do for others what it did for the following parties:

After taking one bottle I found it to be helping me, and after taking four bot-tles of Athlophoros and one of Pills, I found that I was entirely well. I think the medi-cine is positively a sure cure. # Quay and Wanamaker May Quarrel Over a Postoffice.

AT WASHINGTON.

# LIST OF THE WEEK'S NOMINATIONS

Important Diplomatic and Territorial Posts Are Being Promptly Filled by Friends of the Administration - The Senate Confirms All Nominations.

WASHINGTON, March 26, - Senator Quay says that he had presented the name of Mr. Leeds for postmaster at Philadelphia and had recommended his appointment. Mr. Leeds himself is in town. The senator does not believe that

Mr. Wanamaker has offered the office to Mr. Field and admits that if he has, it was without consultation with him (Quay). The affair is creating a good (Quay). The affair is creating a good deal of discussion in Washington and politicians are wondering what is to be the outcome. They fear that it looks like a serious quarrel between the two men. The evidence seems to be strong that Wanamaker really offered the post-mastership to Field and that Field has accepted. Quay's friends have thrown out the in-

timation that Wanamaker had promised to consider Quay's preferences in the Philadelphia and Pittsburg offices; but the affair is taken as indicating that Wanamaker does not understand that any such agreement has been made. À vigorous protest has been forwarded

from Mayor Fitler, who says he is decidedly opposed to the appointment of Mr. John Field and wants a straightout Republican. The indications are that Mr. Wanamaker will arouse some bitter

enmities among the Republican leaders of Philadelphia by insisting on Mr. Field's appointment, and will likewise incur the

pleasure of Senator Quay. WASHINGTON, March 23 .- The president sent the following nominations to

the senate: James Tanner, of Brooklyn, N. Y., to be commissioner of pensions. James M. Shackelford, of Indiana, to be judge of the United States court for

the Indian territory. Zachariah L. Walrond, of Kansas, to be attorney of the United States court for the Indian territory. Thomas B. Needles, of Illinois, to be marshal of the United States court for

the Indian territory. Walter P. Corbett, of Georgia, to be marshal of the United States for the

southern district of Georgia. Edwin Willits, of Michigan, to be as sistant secretary of agriculture.

WASHINGTON, March 22 .- The president sent the following nominations to the senate:

Miles C. Moore, of Walla Walla, Wash., to be governor of Washington territory. Oliver C. White, of Dayton, Wash., to be secretary of Washington territory. Henry J. Blane, of Montana territory, to be chief justice of Montana. John D.

Fleming, of Colorado, to be United States attorney for the district of Colorado. Also a long list of postmasters for ninor towns.

# HARRISON TO BLAINE.

An Interesting Epistle Alleged to Have Been Found in New York.

NEW YORK, March 25 .--- Much comment has been caused among politicians here by the publication in The New York Herald of a fac simile of a letter alleged to have been written by Gen. Harrison to Mr. Blaine, and carelessly left by the latter at a hotel in this city while he was

on his way to Washington. The following is a copy of President Harrison's letter:

INDIANAPOLIS, Feb. 1, 1889. My Dear Mr. Blaine: Your letter of the 21st was received some time ago, and was both in its tone and in its conclusion very gratifying to me. I am sure you have read in the newspapers accounts of my life since—a sufficient excuse for the delay in acknowledging it. \* \* Yours of the 20th has now been received, and I hasten to thank you for your expressed willingness to relieve Mrs. H. and myself in any way you can. \* \*

relieve Mrs. H. and myself in any way you can. \* \* \* As to myself, I do not think of any matter in which I can now avail myself of your kindly proffered help. The mail I now use sparingly for several reasons, and as I will be in Wash-ington long enough before the inanguration to enable me to talk fully with you I will not sub-ject you to the risk of a journey here unless it should be absolutely necessary. If anything should require it, however, I will not hesitate to avail myself of your very friendly offer. I thought I had nearly everything settled in my own mind that required attention before I reached Washington. If the newspaper re-ports today as to Mr. Allison's position are correct it may unsettle some of my plans. I said to a friend today that if all seven of the cabinet officers could have been found in Alaska it would have promoted harmony in the party in the states. Maine, I believe is the only state that has no protest to offer. My health is good. I get out twice a day for a wak a hurried run to be sure-but it gives me air and exercise. You must not forget, yourself, that you will need all your strength. With kind regards to Mr. Alliane, very sin-cerely yours, BENJAMIN HARHSON.

TO JOIN TAMMANY HALL.

Ex-President Cleveland Has Been Elected a Member of Tammany and Will

NEW YORK, March 21 .- Ex-President Grover Cleveland has not divorced himself from politics. It was confidently expected on his retirement from the White House that he would devote him, self entirely to the practice of his pro-fession, and it was even asserted that rather than be mixed up with the Demo-cratic factions in this city he contem-plated securing a residence in Westches-

tion had a foundation in fact is made manifest when it is known that Grover Cleveland has been elected a member of the Tammany society and will "ride the goat" at the Fourteenth street wigwam on the first meeting in April, immediately after his return from his Cuban jaunt.

Mr. Cleveland will be supported on the occasion of his initation by his ex-secre-tary of state, Thomas F. Bayard and ex-Secretary of Navy Whitney, both old members of the Columbian order, and at the same meeting his ex-secretary of the interior, William F. Vilas, will be made a Tammany brave.
