You will find G. R. Spigelmyer's RACKET STORE in Crider's Exchange, Bellefonte. Everything under regular prices.

LOCAL ITEMS.

—J. Whitmer Wolf was off on a trip to Williamsport this week. —An infant daughter of George Emerick, of this place, is seriously ill. —Mr. Emanuel Ettinger, of Aaronsburg, is quite low, and supposed near his end.

—J. C. Kemp, of McKean county, some years ago of Centre Hill, is back on a visit and looks well.

—A force of men are at work cleaning up the ruins of the recent fire preparatory to rebuilding.

—Mr. Weber, of Rebersburg, will move into the Ref. parsonage, in this place, after his vacation by Rev. Land.

—Prof. Wm. T. Meyer, formerly of Aaronsburg, is about to locate at Bellefonte and open a fancy and notion store.

—The musical conventions and public sales having run out, the next on the carpet will be the organ grinder and froz concerts.

—The wife of Rev. Harry B. Long died on the 21st inst. at the residence of her mother, Mrs. Rebecca Robinson, Pine Grove Mills. She was in the 23d year.

—The Lewistown Free Press thinks the meanest man living is the one who lifts a paper for years and then orders it discontinued without having paid all arrearages.

—Rev. F. S. Vought, the Evangelical minister who has been located on this charge arrived this week and will preach in the Evangelical church, at this place, on Sunday, at 2 o'clock.

—Farmers not in a pinch for money, should not be in a hurry to sell their grain at the present low prices—in our opinion the market will have a rise before the new crop is harvested.

—Mr. Hoyett changed his residence from Centre Hall to Rebersburg, in which locality he has two saw mills in operation. We lose a sterling Democrat by this, and Rebersburg gains one.

—A. P. Krape had a very bad day for his sale, 22, but the bidding was good, some things bringing more than cost. He thinks auctioneer Leitze deserves credit for the success of the sale.

—The grain fields do not have the best appearance—the winter having been somewhat damaging to the fields, yet with a favorable spring they will recover and an abundant harvest may result.

—Mr. John Hoserman, one of Miles township's best citizens honored us with a call—he informs us that the grain fields in Brush Valley look promising, and also that there is considerable sickness in that section.

—In another column we print the letter of Mr. Hames criticizing the management of the state sinking fund. The letter is worthy the study of every taxpayer. Mr. Hames is a Republican and pays Gov. Beaver in a hole from which the people are anxiously waiting to see how he is going to climb out.

—Miss L. A. Harper and Lydia Harris of Bellefonte, upon whom the undisputed distinction of being the "handsomest young ladies of Centre, Clinton and Lycoming counties" has been given, accompanied by Miss Evans one of Lock Haven's interesting belles, drove to our town on Tuesday and spent the day in the place.

—Mr. John Lingie, of near this place, died on the morning of 22 inst. of typhoid fever, after an illness of several weeks. Mr. Lingie resided here many years and was a farmer all his lifetime. He was of a retired disposition, seldom going from home, and never had been married. His remains were interred at Centre Hill on Monday forenoon.

—A. M. Zimmerman, of Lancaster county, aged 19 years, had never seen a train of cars until last week, when he drove to town with his father. While his father was attending to business, he went to the station, saw a train coming, became so frightened that he didn't stop until he reached his home, nearly thirty miles away. The REPORTER wonders whether the winding up part is not a leadie stretch?

—Frank Bradford telegraphs that a she bear was killed near Paddy mountain tunnel, the other day. It had three cubs which were captured, and are at the station. The cubs will keep Frank sufficiently employed to distract his attention from the ladies. By the way, Frank, how are the suckers panning out? Frank promises to send Arb Katherman one of the cubs—all right, send Arb a cub and us the suckers.

—The origin of the fire in Slack's barn seems to have been incendiary. One theory is that it was set on fire by a tramp who was seen in that neighborhood about that time. This tramp, Mr. Slack tells us, he seems to have been displeased about a year ago in refusing him permission to sleep in the barn, insisting he should sleep in the house—which the tramp did not do next morning in a grumbling mood. Another theory is that it was fired by chicken thieves who may have struck a match to see where the fowls were roosting. In support of this theory is the fact that the bars to the sheep pen were found down next morning, which accounts for the escape of the sheep from a burning. The thieves, it is thought, went for the chicken roost by way of the sheep pen, leaving the bars open to enable them to make their escape out more readily in case of discovery. Mr. Slack's loss is high on to \$3000, with \$1500 insurance.

Fires in Huntingdon Co.

Two farm residences were burned in this county Monday night, and in one of the instances the occupants barely escaped with their lives. On the farm of Dr. G. D. Ballantyne, situated one mile from Barree and occupied by Thomas Yarnell, the dwelling house took fire shortly after 11 o'clock, and every means of escape was cut off from the sleeping inmates by the flames below except that afforded from the upstairs windows. Mrs. Yarnell and her two little children were compelled to jump from a second story window to the ground below, and in doing so they fortunately escaped without sustaining any injuries.

The dwelling house of Joseph Endress, a farmer living in Henderson township, was also burned to the ground the same night together with all its contents. Both these fires originated from defective flues.

Fire at Jacksonville.

On last Friday morning the people of Jacksonville were aroused by the alarm of fire, which was discovered in the residence of Mr. Daniel Miller and used in former years as a hotel stand. The fire, it appears, started where the stove pipe passes through the ceiling of the bedroom. It was discovered by one of the children at 3 a. m., Friday morning and was then under good headway. By the time the family was aroused the building was doomed and all effort was made to save furniture and adjoining buildings. Nearly all the household goods were taken from the building.

From this building the fire spread to George Erly's stable and it was burned to the ground, most of contents being saved. Wm. Miller's stable, near by, was also destroyed. The insurance on the Miller residence, we are told, amounted to \$1700.—Centre Democrat.

Boiled Down.

The little snowfall last week, made much mad this week. Easter comes on April 21 this year—get your eggs ready. Madisonburg and vicinity had the measles badly of late. Henry Swartz of Millheim, emigrated to Washington Territory last week. The fittings in outworns and in the valley make things look lively. Bibby will vacate the National hotel, Millheim, this spring—we have not learned who succeeds him. Subscribers of the Reporter who change post-office address this spring, should notify us.

Business Changes.

D. A. Booser and M. M. Condo have purchased Bribbin's meat market and will continue the business in the present location. D. A. Booser will also run harness rooms in the same building, in stead of locating at the station.

Turnpike Returned.

The turnpike from Bellefonte to the Millin county line, has been returned on account of the bad condition of the road. The information, we are told, was made by Mr. G. Hagg. The matter will be heard at April court.

Markets.

The eastern grain market still keeps dull. Wheat, oats and corn are about same as last week. A few weeks should make a change for the better.

—Mr. Jacob Smith, of Tusseyville, has among our welcome callers, this week.

—A dollar saved is a dollar earned which can be done by buying clothes from the Rochester Clothing House, Bellefonte, largest stock of spring suits in the county.

—Fire!—Jacob McCool's rent place, at Spring Mills, was discovered on fire, at noon, last Friday. The fire originated from the flue in the kitchen part of the house. Timely alarm and immediate help arrested the flames, which had already broken into the roof. The roof and upper part of the L. were burned. All the goods had been safely gotten out of the house. The destruction of the house would have taken with it the adjoining hotel and Grenoble store property.

Coburn.

On last Friday the chairs for the chapel of the new Lutheran church were put in their position. The only trouble with the chairs was that they "hinked" made the improvement for the bench. At 2 o'clock Rev. Deitzel preached to a fair audience. Next Sunday at 9 o'clock there will be a meeting for the purpose of organizing a Sabbath school; hope there will be a good turn out and elect a good set of officers and have a good school, for there are scholars enough in the community to have a large school if the citizens only take hold and take an interest in it.

H. Galoon opened his auction on Saturday evening, and sold a fair lot of goods; he will have auction all week.

Elmer Kooney left for Bellefonte on Tuesday; he intends working on a farm, near Bellefonte. No doubt he will come to see us about once a month or rather some one in Brush Valley.

At last they have commenced to repair the pike between here and the gate. It has been in a fearful condition of late.

It's a pity that some people can't mind their own business; we have some here that I believe would not live long if they had to mind their own business. Worst of all is they will tell such dastard lies—but that belongs to gossipers.

Penn Township.

I was shocked to hear of your misfortune, but such is life. We hope you can see your way clear to rebuild such an important plant as was the Centre Hall Rolling Mills.

This is very pleasant weather, some farmers are plowing and some are digging garden.

Mr. Hoyett is finishing his lumber job here and is getting ready to move his mill to Brushvalley. He moved his other mill to Sugarvalley.

Dr. P. T. Mosser had such a large tree on his tract that they were obliged to split it with powder before it could be moved; it split as strait as if sawed.

On Monday J. C. Smith removed the remains of his father Henry, from the Aaronsburg cemetery to Fair View Cemetery at Millheim.

It becomes my duty to announce the death of Mr. Tobias Bailey, which took place on Tuesday morning. He was a resident of this township for quite a number of years, and a few years ago bought a farm 2 1/2 miles west of Millheim. He leaves a wife, two boys and four girls to mourn his loss. All of the children are grown up. This is all we can say at this time.
