ner.

Already nearly all the Democratic postmasters in our county have received the bounce. Cleveland's administration did not do anything in the line of removals until four or five months later.

It is claimed that there are five settlers in Oklahoma for every homestead and more on the way. The fun will begin when the one drives his stakes and the four drive the one way. The fun will increase when the four undertake to drive each other off. Oklahoma is bound to see driving times.

Yes, Quay was right, when he said this was to be a model legislature. Last Friday Mr. Wherry offered a resolution in the house making a special order for dinates to see that the work is done act lification on questions relating to the the consideration and final passage of cording to their orders, and allow the far- northeastern boundary. In 1832 South tion of prohibition is one calling for the his anti-discrimination bill on Tuesday mers and other citizens, who may wish Carolina by a State convention declared free expression of all the friends of the and Wednesday of this week. The vote so to do, to apply for the privilege of the tariff no longer binding on her peop measure. stood 86 ayes and 76 nays, not the necessary two thirds, so the motion was upon them, subject, however, to the con overt act, although Virginia, Kentucky, ves as unanimously and strongly in favor lost.

There you've got it.

years, and higher than during the war. effectiveness. This is caused by the reduction of the output. Hemlock is also five cents higher than last year, and the prospect for in number, who will leave Chicago to ty held to its principles, but gave up its the manufacturers is considered bright, make their homes in the territory as This should make this look brighter for soon as it is opened, will carry a ready Centre county lumbermen, also.

young children.

Free passes are not given to legislators as bribes, so 'tis said, but it may have been noticed the legislators show more willingness to take a free pass ride than to vote for the enforcement of the constitution says the Pittsburg Post,

The REPORTER knows of one legislator who played hypocrit with his pass; on the local branch, to make believe he was

Both the National Guard and our state legislature are invited to attend the Washington Centennial in New York, on 30th. The legislature will go at the state's expense

The N. G. does not know who will foot their bills.

Now let our well paid legislature make

out of the State treasury. That would prove a model legislature. I that region:

A Poor Excuse.

The ready answer of the political managers in the legislature to the demand for just anti-discrimination and reform election laws, is that there is now

not time to consider and pass them. Pray, why is there not time to considnothing for two months after the session began, and now, when spring is upon us, There are yet three full weeks for legislative work before the day fixed for adbreath that there is not time to consider appear so extraordinary or so criminal important bills, in the next it is declared as we recall previous attempts North lose three days attending the New York Centennial at the expense of the State.

refusing to consider important bills for tions. want of time, and then running away to New York where neither Pennsylvania nor New York really wants them to go? -Philad. Times.

"Did it eyer occur to you," said a drygoods man the other day, "what a great boom John Wanamaker's wholesale business must be having nowadays? There are some sixty or seventy thousand post offices in the country, and I suppose that fifty thousand of them are in small country stores. Don't you think that when John Wanamaker's drummer Washington, should be invited to the comes around to one of these stores he New York centennial, 30 inst. There is has a pretty good chance of getting an order?
