TERMS—One year, \$1.50, when paid in ad...

CENTRE HALL, PA., THURS, AUG. 1.

THE RACKET

Chas. B. Rouss, Wholesale Dry Goods, New York City.

To the Public: We desire to say that G. R. Spigelmeier has the exclusive sale of our goods in his town...

The above explains itself. I am now in position to serve my friends in Penna and Brnsh Vallies, better than ever.

LOCAL ITEMS.

The new mill of Kurtz & Son is now in full operation. Wm. Beck publishes letters of administration in another column.

Rev. T. J. Frederick, of Harrisburg, is visiting friends in the valley, and gave us a call. He is getting along finely with his charge.

The shower on Friday night and Saturday was in excellent time for the corn and potatoes. It was repeated on Monday, only on a smaller scale.

Rev. Father Fischer, of Philadelphia, son of Dr. Fischer, of Boalsburg, was in Bellefonte on Sunday and celebrated mass in the Catholic Church.

Forty one bushels of wheat to the acre can any of our Centre county farmers come near that? M. L. Greider, owner of the Chickies Summit Farm, in Lancaster county, is one of the competitors for the \$500 prize offered by Orange, Judd & Co.

Insurance agents met at Spring Mills on last Thursday to adjust the loss on goods sustained by the Grenoble Store Co. in the recent fire.

The P. of H. Picnic.

The executive committee met on Monday, at this place, to make arrangements for this year's picnic. There was a full attendance. The time fixed on is September 16, and the picnic proper to last four days.

The committee will make its plans about same as last year, only upon a larger scale, and for the accommodation of a larger number of exhibitors and larger crowds.

In a conversation with a railroad official we were assured that the railroad company would give all the needed facilities for carrying large crowds, and run trains every two hours until ten o'clock at night and thus avoid the overcrowding of trains as was the case last year.

The Reporter contributed much to the success of last year's picnic by the free publication given in these columns for five or six weeks previous, and we look forward to a far greater affair this year. We take pride in the success of the gathering because it was the Reporter which pointed out the grounds several years ago and advised prolonging the picnic for a number of days instead of one.

Who is Ahead?

Arthur, son of Wm. Lee, of this place reports that he hauled 1104 sheaves of wheat with four horses, the other day, thus taking the bell from Hiram Durst. Try to win it back Hiram. Arthur is ahead.

War has been waged against sparrows and rats in the last few weeks, shotguns and traps being put to good use in exterminating these pests. Sandoe shot 42 rats thus far, which puts him ahead by a majority of 30 over any other fellow thus far.

Bill Lee had the first chopping done at the new mill on Saturday—so Bill is ahead. A traveling salesman, coming down the mountain, a few days ago, reports having seen a blacksnake, thick as his leg, near the little spring half a mile above town, and moving to cross the pike.

Two of our county commissioners are trying their best to put in every day in the year at \$3 per day. From latest returns they are ahead of any other commissioners we had yet.

An Honest Man at Johnstown The general situation about town during the past week has considerably improved, and the only anxiety seems to be concerning the distribution of the relief fund. Judge Cummins is still ill at Cresson. He was in town but a few hours on Tuesday, but has not been there since that time. Over \$1000 was recently found and turned over to the Committee on Valuables by an honest resident of Richland Township. The money was in different packages. When found this money was in a roll of carpet, which was unearched from the debris.

In spite of all competition the Philad Branch clothing store, remains headquarter for actual bargains in ready made clothing for men and boys. Lewins introduced cheap clothing in Centre county, and has kept it at that all the time; he kept honest goods, no trash, and, as a rule, always sold from 25 to 30 percent, below any other clothing store in this part of the state.

Mr. Henry Wolf and wife of Millinburg, and Prof. Bickie and wife and children of Gettysburg were visiting at Wm. Wolf's. Mrs. Sarah Shaffer of Aaronsburg and her daughter Mrs. — of Juniata county, are visiting at D. J. Meyers. Col. Weaver, member of the grange picnic committee, was in town Monday, attending a meeting relative to the coming picnic and gave us a shake of his hand.

A Sensible Judge. One of those unreasonable men who take a newspaper for a year or two and then send it "back" or "not wanted," was sued by the publisher in Michigan a short time ago, and the judge gave a verdict for the plaintiff for the full amount and costs. The Court decided that notice to discontinue was not sufficient if the subscriber was in arrears. He must pay first.

Death of Dr. Fisher. Dr. C. P. W. Fisher, of Boalsburg, died on Wednesday from a second attack of a stroke of apoplexy. He had a very severe stroke some years ago, which partially paralyzed him. He was a well-known physician, and a son of Rev. P. S. Fisher.

MILL NOTICE

The Centre Hall mill is now ready to take in custom work and exchange flour and bran grists, and will constantly keep on hand Cream and Calla Lily flour for sale at wholesale and retail.

For chopping the mill will be ready about July 24. Corn chopped in the ear or otherwise, and all kinds of feed manufactured. Arrangements have been made for grinding rye flour and granulated and other fine grades of corn meal. Wheat and all kinds of grain wanted and highest prices paid for same. Coal, hard, soft and Woodland, will be constantly on hand.

TERMS CASH. The business of the mill will be done upon the cash principle. 1. Because our recent heavy loss by fire obliges us to it and to drop the credit system in order to keep the mill in successful operation—our friends will see the force of this, and we trust will sustain us in it. 2. Because the cash system is the only sound business principle. 3. Because we are required to pay cash for all stock kept on hand.

PERSONALS. Mrs. Aaron Harter visited her old home in Hartleton last week. Wm. L. Kurtz, wife and little daughter, having visited here the last five weeks, return to Somerset on Friday, accompanied by Mrs. Rev. Fischer and child ren. Walter Bayard gave the REPORTER a pop visit. Our esteemed friend Jno. F. Heckman, of Gregg, gave our sanction a call.

PILES! PILES! PILES! Dr. William's Indian Pile Ointment is the only sure cure for Blind, Bleeding or Itching Piles ever discovered. It never fails to cure old chronic cases of long standing. Judge Coons, Mayville, Ky., says: "Dr. William's Indian Pile Ointment cured me after years of suffering."

There is no better extract of Vanilla than Murray's. T. F. Riley, one of Boalsburg's Democratic war horses, favored the Reporter with a call this morning. What the Philad. Branch does not have in the line of ready-made clothing, is not worth having. The spring stock now on the counters is immense and goes ahead of anything you ever saw. Lewins is King for low prices.

Robinson's Farewell. Caprice for Piano, by Fischer, is intended as a companion piece to the famous and popular "Jobin's Return," with the exception that this new piece is still more pleasing than his "Robin's Return." Mailed on receipt of 50c. in 2 ct. postage stamps, Ign. Fischer, publisher, Toledo, Ohio.

STAR SPRING WATER. Saratoga Star Spring Water for sale in bottles and by the glass by all druggists. —Murray's Vanilla—best—cheapest try it. —Samuel Noll's barn, near Pleasant Gap, was unroofed by the storm early on Tuesday morning.

—Lumberman Huyett and D. J. Meyer have bought Mrs. Mary Meyer's lumber tract, 100 acres, at Coburn station. —George Dale, of Lemont was in town on Monday and gave us a handshake. He is a member of the picnic committee. —Rev. Fischer has had the parsonage improved by cutting away the old locust trees and having a new yard fence in front of the house.
