We must reduce our stock, preparatory to receiving our

○ ———— **IMMENSE FALL STOCK,** ———— ○

The foregoing is almost a fallacy, as every week adds new goods to our already large stock.

Seasonable goods at unseasonable prices or more properly speaking at **UNREASONABLE** prices:

Sc. Challis,	reduced to 6 cents.
12 1-2 ct. Challis,	reduced to 10 cents.
Remnants in Dress Gingham from 10 to 15 cts.	reduced to 8 cents.
Lonsdale Cambric at 10 cts.	Never sells for less than 12 1-2 and 15 cts.
Ladies' Jersey Under Vest, at 10 cts.	Always bring 15 to 20 cents.
Our heavy Unbleached Muslin, <i>far finer, better and heavier than Appleton A,</i>	
at 6 cents,	We defy any one to equal it.
Ladies' full regular Balbrigan Hose at 12 cents.	You always pay from 15 to 20 cents.
The same in Pin Stripes.	
A lot of Imitation Alligator Belts at 5 cents.	
Hap Cotton at 7 cents.	Never sells for less than 10 cents.
A number of late shades in 1 1-2 yard wide Ladies' Cloth at 50 cents.	Compare price and quality with anyone.

The above are surely **Bargains**, and well worth your attention.
