A Family of Physicians.

THE DESCANDRNTS OF DR. ROBERT VAN VALZAH.

From Mr. Maginnes' historical annals in the Williamsport Gazette and Bulletin: This is the only family of the name in the United States, and within the limit of a hundred years it has produced more physicians than any other family known to be in existence. Dr. Robert VanValzah, the ancestor, was of Hollandish descent. He was born near Croton River, New York, April 17. 1764.

At the age of 22 he found himself at Sunbury penniless. Being anx-ious to make his way to Buffalo Valley he stated his circumstances to a man named Beatty. and he promptly gave him a shilling to pay his ferriage across the river. This kind act made such an impression on the mind of young Van. Valzah that he never forgot it, and as the sequel will show when fortunesmiled upon him, he repaid it many times over.

Having studied medicine in the mean-time, he located at Buffalo Cross Roads about the year 1796, and commenced his profession. He rose rapidly, attained distinction as a physician, and his sergiven first choice of every bargain we vices were constantly in demand. His receive. Our arrangement with this practice extended into the present coupties of Mifflin, Centre, Juniata, Snyder, Northumberland and Lycoming.

Dr. Robert Van Valzah died April 18, 1850, aged 85 years. He left four sons and three daughters, as follows, Robert, Thomas, John, William, Elizabeth, Jane and Margaret. Two of these sons, Robert and Thomas became eminent practitioners of medicine.

Dr. Robert VanValzah, the second, who settled in Mifflinburg, had seven sons, five of whom became physicians, as follows:

1. Dr. Robert F. VanValzah, of Spring Milis, Pa:

2. Thomas VanValzah, of Boalsburg, Pa. 3. Dr. John H. VanValzah, who did

of the seven that did not enter the profession. The first three of the five docs tors are deceased.

OUR BOYS DO UP REBERSBURG'S PACKED NINE TO THE PRETT Y TUNE OF 11 TO 10.

Owing to the inclemency of the weather the game of ball aunounced for Saturday, 27th, was postponed to the follow-ing Saturday, and the "Rebersburg" boys came up and gracefully went down before our boys, who were too much for them, downing them in hitting the ball and running bases.

For the first two innings our boys failed to help tramp down the grass be-tween third and home while Rebersburg scored 3 runs. But in the third however oue boys jumped on to their pitcher and by good hitting got six men across the plate and in the fifth four more, making the score 10 to 2, giving them a good lead which however proved insufficient, for in the eighth Rebersburg by good hits ting and inexcusable muffs of flies by

Benner and Conley, scored 7 runs, tieing the score, but our boys scored one more run in their half and kept the lead.

Rebersburg was very confid ent of success and expected to wipe our boys out,

several bad decisions against both teams | editor. which occasioned not a little kicking. Wit McCormick was retired from the game by spraining his ankle, and Stover was substituted.

The team was packed with mighty good material from surrounding towns, two of them, the pitcher Bateman, alias ty, the four who did the work.
