

O ———— **LOVELY AUGUST REDUCTIONS.** ———— O

We must reduce our stock, preparatory to receiving our

IMMENSE FALL STOCK,

The foregoing is almost a fallacy, as every week adds new goods to our already large stock.

Seasonable goods at unseasonable prices or more properly speaking at **UNREASONABLE** prices:

- 8c. Challis, reduced to 6 cents.
- 12 1-2 ct. Challis, reduced to 10 cents.
- Remnants in Dress Gingham from 10 to 15 cts. reduced to 8 cents.
- Lonsdale Cambric at 10 cts. Never sells for less than 12 1-2 and 15cts.
- Ladies' Jersey Under Vest, at 10 cts. Always bring 15 to 20 cents.
- Our heavy Unbleached Muslin, *far finer, better and heavier than Appleton A,*
at 6 cents, We defy any one to equal it.
- Ladies' full regular Balbrigan Hose at 12 cents. You always pay from 15
to 20 cents.
- The same in Pin Stripes.
- A lot of Imitation Alligator Belts at 5 cents.
- Hap Cotton at 7 cents. Never sells for less than 10 cents.
- A number of late shades in 1 1-2 yard wide Ladies' Cloth at 50 cents. Com-
pare price and quality with anyone.

The above are surely Bargains, and well worth your attention.
