The Alteona Tribune the Republican Dollars. organ of Blair county says: "The Hassufficiency of it."

in Wakayama, a city of 55,000 inhabi- biding it from sight. tants. Ten thousand persons perished loss of property was enormous.

At the Grangers' picnic at Williams Grove Governor Beaver analyzed the present depression in the farming indusof the soil and to the futhering of the manufacturing of agricultural machinery.

A boom is noticed on the edges of the horizon in favor of Hastings for govern- in all the states and territories, was put founders never gave their names. Names, or. It is coming along slowly, but is into a sinking tund until the amount growing as it approaches, and some fellows who have a like boom out on the it would require the appropriation of political lawn, are uneasy lest the Hastings boom gets there. Mayor Fitler, of Philadelphia, has declared for our Dan, and Don Cameron is also for him:

Samuel C. Showalter, of Dayton, O., died from an injection of elixir. Our two setting commissioners had better reconsider their intention of having an injection of the stuff as there is more certainty of their being able to set out every day of their terms in the office without an injection. Don't take any, Henderson an i Decker.

There is much conjecture, among taxpayers, as to which of the two setters in the commissioners' office will show the largest score and pocket the most dol--will it be Henderson or Decker. The marow of notches, while others think Decker will not be far behind as he is working nobly to keep up with the other setting Hen. Who will be ahead ?

# What It Costs.

The Centre

Since the year 1860 the people of the United States have paid to the officials of the custom houses the enormous sum of Four Billions, Six Hundred Millions of
