She Tried and Knows.

THE STORM SUBSIDES A leading chemist of New York says: "No plasters of such merit as the Ath-lo-pho-ros Plasters haveever before been produced." They are a novelty because they are not made simply to sell cheap, they are the best that science, skill and money can produce, and will do what is claimed for them. For sprains, aches, weakness, lamences, etc., they are unequaled.

404 Fulton St. Sandustry, O., Nov. 21, '87. The Athlophoros Plaster acted like magic. It is the best I ever tried and I have used many kinds. Our druggist said "plasters are all about the same" but I don't think so now. I sprained my arm and shoulder in July, and it has been painful since, but it does not pain me at all now.
