CENTRE HALL, PA., THURS, DEC. 12.

A MAD DOG SCARE.

A Fight That Has Resulted in a Wholesale Slaughter of Canines.
KENNETT SQUARE, Pa., Dec. 10.—This place is now weathering the worst mad dog scare ever experienced in Chester county. The sight of a dog on the street causes a stampede for cover among the pedestrians, and a dog without a muzzle on is looked upon in abject terror. This state of affairs was caused by the visit of a supposed mad dog to the town a few days ago. It was a strange animal and created a sensation by biting twenty-six members of the canine population here. The bitten dogs are all known and Officer Kiniry, the one peace custodian of the town, is busy slaughtering them. He has managed to put an end to eighteen of the suspected dogs.
At the last meeting of the borough council an ordinance was passed that no dogs should be allowed to run at large except those wearing muzzles. This has caused a boom in the muzzle trade and it is a lucky dog that is not made uncomfortable with a muzzle just at this time.

THE MAJOR GENERALSHIP.

The Appointment of Gen. Hartranft's Successor Expected with the New Year.
HARRISBURG, Dec. 10.—As the year gradually grows to a close, speculations as to who will be appointed to the major generalship of the National Guard grow apace, as it was given out a month or so ago that before Jan. 1, 1890, Governor Beaver would announce the appointment. Who the lucky man will be absorbs all the attention of military circles, as there are said to be three candidates in the field with their forces all well marshalled.
Gen. Snowden, commander of the First brigade, is known to be looking for the position, owing to his seniority, if nothing else. Gen. Latta, the recently elected clerk of the court of quarter sessions at Philadelphia, is also known to be casting his eyes in that direction, while the name of Adjt. Gen. Hastings is more or less heard, and with it comes the announcement that he would be willing to resign his present office.

Delamater's Candidacy.

HARRISBURG, Dec. 6.—Politicians who are known to be close to Senator Quay expressed no surprise on learning of the announcement of State Senator Delamater, of Crawford county, that he will be a candidate for governor at the next Republican state convention. They say they always understood that Delamater would be a candidate, and that before the last convention it was given out that he had gubernatorial aspirations. No one knows whether Senator Quay has yet declared in favor of Delamater, though both are on the most friendly terms. It is thought the senator will allow matters to drift along for a time before making known his choice for the nomination.

Pennsylvania Democrats.

HARRISBURG, Dec. 4.—At a meeting of the executive committee of the Democratic State committee, held here, Chairman Kiser, B. F. Meyers, Dauphin; S. B. Cox, Luzerne; Marshall Wright, Lehigh; C. F. Krumbhaar, Philadelphia, and W. J. Brennan, Allegheny, were present. It was decided to district the state into nine divisions, the markings of which will not be made public as yet, with a central headquarters at Harrisburg. The nine division chairmen will be elected on Jan. 13 next, when the county chairmen meet.

Lehigh Students Celebrate.

BETHLEHEM, Pa., Dec. 5.—Lehigh university students held a grand jubilee over their successful football season. Headed by a band of music and escorting the football team, armed with banners and transparencies, they paraded the streets. The various professors were visited and responded to the calls with speeches of hearty congratulation. Notwithstanding the near examinations a large crowd turned out and the celebration was one of the most enthusiastic ever held here.

Pardons for Liquor Sellers.

HARRISBURG, Dec. 5.—The board of pardons, at an adjourned meeting recommended the pardon of S. P. Switzer, Abraham Shultz and Jesse Baughman, of Somerset county, sentenced to three months in prison for selling liquor without a license. The same persons were sentenced to pay a fine of \$500 and costs, whose remission the board declined to recommend. The board also asked the governor to pardon Robert H. Crum, of Lycoming county, convicted of embezzlement.

Suspected of Murder.

WILLIAMSPORT, Pa., Dec. 9.—Leroy Gansser, who was arrested at Emporium, was taken through here to-day destined for Canton. He is wanted there in connection with the death of John Sellard, who was found beheaded near the railroad track in June last. The prisoner is suspected of knowing something of the man's death, which is now believed to have resulted from foul play.

Not a Single Witness Appeared.

HARRISBURG, Dec. 9.—Commissioner F. M. Ott, appointed to take testimony in the suit of the government against the Bell Telephone company, sat in his office for that purpose. Attorney White-man, of Washington, was present in the interest of the government, but no witnesses appeared and the hearing was adjourned until Dec. 21.

FARMERS AND KNIGHTS.

A Basis of Federation Between the Two Organizations Agreed Upon.

ST. LOUIS, Dec. 7.—Messrs. Powderly, Wright and Beaman, of the Knights of Labor, met the demands of the committee of the Farmers and Laborers' union and the basis of federation between the two organizations was agreed upon.
It was agreed that both organizations appoint legislative committees to act in conjunction at Washington and procure legislation in accordance with the interests of both bodies. An understanding was reached under which each organization will actively aid the other.

The executive officers of the two organizations will form a central council to consult on all matters of joint interest. Committees on platform, law, money and transportation were agreed upon. The various farmers' bodies will be consolidated. The leaders of both bodies are highly satisfied with the arrangements made.
The election of the Farmers' and Laborers' union resulted in the choice of L. L. Polk, North Carolina, president; D. H. Clover, Kansas, vice president; J. H. Turner, Georgia, secretary; J. W. Hickman, Missouri, treasurer; Benjamin Terrel, Texas, lecturer, his fourth term.

EMIN PASHA'S MISHAP.

Caused by Near Sightedness—His Injuries Probably Fatal.

ZANZIBAR, Dec. 6.—After enduring the hardships of many years' residence in the interior of Africa and the fatigues and dangers of his journey to the sea, it has been the fate of Emin Pasha to receive an injury which is likely to result in his death.
The pasha is very near sighted and habitually wears glasses. Yesterday he attempted to go about his room without them and unconsciously walked out of a window, falling some distance to the ground.

He was immediately picked up and conveyed into the house, where it was found that he had sustained a fracture of the skull, which all of the doctors at Bagamoyo except Stanley's own physician pronounce fatal.

Stanley's doctor shares the opinion of his colleagues that Emin is in a very critical condition, but expresses hope that he may be able to save his life. As it is the pasha cannot, under the most favorable circumstances, be removed from Bagamoyo for at least ten days.

Emin's Condition Improved.

ZANZIBAR, Dec. 10.—Dr. Parker, Henry M. Stanley's physician, issued a bulletin at Bagamoyo pronouncing Emin's condition much improved and his chances of ultimate recovery brighter.

Absconded with Congressmen's Cash.

WASHINGTON, Dec. 6.—C. E. Silcott, cashier of the sergeant-at-arms' office of the last congress, is an embezzler in the amount of about \$2,000, \$72,000 of which is government money. He has a bond on file for \$50,000 with good securities, so that the government will not suffer as severely as individuals. The chief sufferer will be the sergeant-at-arms of the last house—J. H. Lendon, who loses \$10,000 cash and is held responsible for the shortage of Silcott above the amount which may be recovered from his bondsmen.
Silcott is supposed to be in Canada.

The Chicago Auditorium.

CHICAGO, Dec. 10.—Nearly 7,000 people witnessed the ceremonies of dedication at the auditorium last evening. A number of distinguished visitors, including President Harrison, Vice President Morton, Secretary Halford, Assistant Postmaster General Clarkson, Governor Merriam and Governor Board came to this city to be present at the opening. Governor Fifer, Mayor Cregir and prominent Chicagoans occupied honorary boxes with the visiting guests.

Stanley and His Mission.

ZANZIBAR, Dec. 9.—Telegraphic congratulations have been received by Henry M. Stanley from Queen Victoria and the khedive. At divine service yesterday on board the man-of-war Turquoise Stanley briefly addressed the crew. He declared his belief that the mantle of Livingstone had fallen upon his shoulders. His mission had only now commenced. To it he would devote the remainder of his life.

Death of William N. Riddle.

NEW YORK, Dec. 10.—William N. Riddle, who was president of the Penn bank at Pittsburg at the time of its failure in 1884, and was at that time a heavy speculator in oil, died at St. Vincent's hospital, this city, of droupy. He had been engaged in the brokerage business in Wall street for the past few years.

For the Supreme Bench.

WASHINGTON, Dec. 5.—The president's nomination of David J. Brewer, of Kansas, to succeed the late Stanley Matthews on the supreme bench was received with surprise here. His nomination is cordially approved by Kansas and Missouri Republicans to whom the judge is known.

Facts for all.

In spite of all competition the Philad. Branch clothing store, remains headquarters for actual bargains in ready-made clothing for men and boys. Lewins introduced cheap clothing in Centre county, and has kept it at that all the time; he kept honest goods, no trash, and, as a rule, always sold from 25 to 30 per cent below any other clothing store in this part of the state.

—If you wish to have a good over coat, \$4 to \$5 less than can be bought elsewhere, then go to Samuel Lewins he has them and warrants them. He sells nothing that has cheat about it.
